MRS. G. G. SCOTT PASSED AWAY THIS MORNING

WAS A VICTIM OF
TUBERCULOSIS

Was Widely Known and Es-
teemed—A Graduate Nurse
of the Victoria Public
Hospital.

The death of Mrs. Gordon Scott, formerly Miss Lelia Kitchen occurred this morning at her home on George Street. Mrs. Scott has been ailing for some months and was a victim of tuberculosis. World's Series Games

It is quite evident to the stranger in our city that there are still residents who love the old game of baseball. The crowds discussing the game on Queen Street and watching for news would give the impression that the game has not yet died out in the city. The boys of the city have no ball ground but the sport is in evidence on nearly every field of any size that is not planted. Base ball fans are following the world series games with great interest.

Blueberry Raids

Times: For the last two or three weeks motoring parties and others have been making great raids upon the blueberry fields of Pocologan and other nearby patches on the western shore roads. The yield of fruit has been enormous this season in spite of the fact that the prices in town have kept unusually high. Therefore, this enterprise on the part of car owners and householders in general has kept from cheating the store-keeper out of many a dollar he might otherwise have received.

Mr. A. V. Wright of St. John is registered at the Barker House.

Mr. George E. Foster of Montreal is registered at the Queen.

Mr. A. L. Gordon of Montreal is in the city today.

Mr. F. C. Dannenburg of New York is in the city today.

HEBREW WAS FINED \$100 IN POLICE COURT

HAD OBSCENE PHOTOS
IN HIS POSSESSION

Case Against Levine was Dis-
missed—McAdam Customs
Official was the Com-
plainant.

The case of two Hebrews arrested at McAdam was concluded yesterday before Police Magistrate Limerick, one man was dismissed and the other was fined \$100.

The two men Herman Levine and Maurice Loberwitz were arrested at McAdam charged with exhibiting obscene photographs on a railway train while going from Debec to McAdam. Information was laid by Arthur P. Gibson, Customs Official. Mr. Gibson stated in evidence that the defendant Loberwitz had come through the train handing the photographs to Mr. Clark, the station agent at Debec who was sitting with him, and that Clark handed them to Gibson who immediately arrested the two men.

The defence was able to bring witnesses from Calais and St. Stephen who swore that Gibson's story was inaccurate and that the prisoners with two Calais bandmen were playing cards at the time. It was claimed that Loberwitz took the photographs which he says he found in a bag containing fruit and candies, and while he was writing a note he produced them and they were taken by a soldier. The soldier took the pictures and showed them to several of his friends.

The story told by the accused while a very good one for the marines certainly did not go down with the magistrate. He dismissed the case against Levine and ordered Loberwitz to pay a fine of \$100 or three months in the County jail. The local friends of the two men cheerfully paid the fine of \$100 and they left for St. Stephen to take part in the fair.

Mr. Peter J. Hughes conducted the case for the prosecution and Mr. J. Bacon Dickson, conducted the defence.

F. H. S. Foot-ball Team

The High School has organized their foot ball team for this season and although many have left the school there is still material enough to build up a good team. There are several of last year's players left and under their direction the sport ought to be well carried on. The High School boys are seriously handicapped in that they have no suitable grounds for foot ball practice. The practice will be carried on at the College Field until the college opening when other grounds will have to be found. Leo Kane was elected Captain and Paul Barry was elected manager and treasurer.
