## THE PUBLIC HEALTH BILL BEFORE THE LEGISLATURE

The Opposition Members Opposed to the Measure---Mr. Baxter and Dr. Crockett Give Expression to Their Views---Hon. Dr. Roberts Defends the Bill From Opposition Criticism---An Amendment by Mr. Baxter was Voted Down.

The bill to create a department of public health was taken up by the Legislature in committee last evening, and advanced a stage. It provoked an interesting discussion which was participated in by Hon. Dr. Roberts, the promoter of the measure, Dr. Crockett, Mr. Baxter, Dr. Taylor and Mr. Potts. An amendment by Mr. Baxter that the provincial secretary be the head of the department was defeated by a vote of 21 to 19.

## TO SUFFER FROM HEADACHES Makes Life Miserable.

Headache seems to be habitual with many people. Some are seldom, if ever, free from it, suffering continually with the dull throbbings, the intense pain, sometimes in one part, sometimes in another, and then over the whole head, varying in its severity by the cause which brings it on.

The varieties of headache most common are sick or bilious headache, nervous headache, headache from constipation, debility or indigestion and periodical and spasmodic headache, and undoubtedly the cause must be removed before permanent relief can be had.

Burdock Blood Bitters, that has been on the market for over 40 years, removes the cause of the headache, and not only does this but also restores the entire system to healthy action and buoyant vigor.

Miss Emily Smith, 204 Bellwoods Ave., Toronto, Ont., writes: "I can speak too highly of Burdock Blood Bitters. For two years I was greatly troubled with violent headaches, particularly in the morning. I tried everything to cure me until a friend recommended B. B. B. I tried it and now I am completely cured."

board, had given their services to the province as public officials free of charge.

The speaker, totalling the various amounts mentioned for salaries and expenses in the bill, said that they came to \$25,000 to which must be added \$2,100 as salary of the minister, which with other expenses would make an annual expenditure of at least \$31,000. That amount was almost \$10,000 more than the annual grant to the provincial university. The government did not appear to have sufficient money to increase the annual grant to that institution, nor to increase the salaries of the teachers of the public schools.

It had been intimated that if he (Crockett) continued his opposition to the Public Health Act his private practice and his political career would suffer. His private business he thought was a matter which might well be left to himself. As far as his public position was concerned he would confer with his fellow members

patrols bombed the hostile firing trenches. Encountering gas in raiding operations one of our patrols, consisting of one officer and ten other ranks, donned masks and proceeded into the enemy trenches until they encountered a hostile party of fifteen. A lively fight ensued with bombs and rifles. Early in the morning another battle occurred between patrols under cover of a smoke barrage from grenades. Our men entered the enemy's line, bombed dugouts and killed two and wounded one, and also secured valuable information.
