CORNS LIFT OUT WITH FINGERS.

You simply say to the drug store man, "Give me a quarter of an ounce of freezone." This will cost very little but is sufficient to remove every hard soft corn from one's feet. A few drops of this new ether com-

Washington, May 27 .- To meet in creases in wages just announced and higher costs of coal and other supplies this year, Director General Mc-Adoo today ordered freight rates in the United States raised 25 per cent. and passenger fares increased to three cents a mile from the present basis of about 21/2 cents.

It is estimated that the programme will bring between \$800,000,000 and \$900,000,000 more revenue to the railroads within the next year. It reprefreight rates will cover the class of day of July next following. commodities and will become effective June 25, and the passenger increase will go into effect June 1.

British Tank Plays Part In Recruiting In U.S.A.

BRITISH CANADIAN HUSTLE IN U.S.A.

During one recent week in March the British and Canadian Recruiting Mission dispatched to Canada 1,089 volunteers for the British and Canadian armies. During the absence of Brigadier-General W. A. White. C.M.G., Col. J. S. Dennis, of the Canadian Expeditionary Force, is in command of the recruiting programme in the United States. Brigadier-General White is making a tour through the south in an effort to stimulate interest in recruiting.

The pictures accompanying this article illustrate the campaign that is being carried on in New York by the Mission. Brigadier-General White and Colonel Dennis have started a whirlwind campaign for recruiting Britishers and Canadians in the United States covering the next two months (1) Mrs. Wheelock, "champion recruiter," asking for British and Canadian volunteers, from the deck of the tank "Britannia." Joe Taylor at the right. (2) Sgt.-Major Bramhall, in charge of recruits of the Jewish Battalion, leaving British and Canadian Recruiting Depot, 220 W. Forty-second St., New York, Feb. 28th, to board the Fail River Line steamer for Yarmouth, N.S. This event bears evidence of the desire of the Jews to join England's forces to maintain control of Palestine.

(3) Col. J. S. Dennis, C.E.F., in charge of the Canadian Contingent, British Canadian Recruiting Mission.

(4) The kind of picture that fascinates recruits.

(5) Lieut.-Col. F. C. Jamicson, in charge of the Eastern Division.

(6) Brig.-Gen. W. A. White, C.M.G., Officer Commanding the British and Canadian Recruiting Mission. Seated (left to right): Mrs. Gordon Auchinclose, Mrs. James Auchinclose, daughters of Mrs. E. M. House, and Captain Richard Haight, of the "Britannia."

(8) Capt. P. F. Sise, in charge of the Intelligence Section.

Their ambition is to secure 20,000 men from the United States, if possible, before the terms of the draft convention between the United States and Great Britain become effective. During the eight months the Mission has been at work in the United States it has secured 22,000 volunteers for the British and Canadian armies, and has examined about 16,000 more.

Brigadier-General White has made the point that if a Britisher or Canadian desires to aid the Allies he can do so by promptly volunteering, because the machinery of the British and Canadian armies for training men has been so well developed by three and a half years of experience that it can train a man and put him in the firing line in five months. This has actually been done in quite a number of cases. On the other hand, the United States Government, starting much later, has had its hands full in training the first contingent of the draft, numbering about 700,000 men and the second draft will follow close upon the heels of the first,
