R.R. No. 4. Gilbert Plains, Man.

"In the year 1910, I had *Nervous Prostration* in its worst form; was reduced in weight from 170 pounds to 115 pounds.

The doctors had no hope of my recovery, and every medicine I tried proved useless until *a friend induced me to take "Fruit-a-tives"*.

I began to mend almost at once; and after using this fruit medicine for 3 or 4 months, I was back to my normal state of health.

I never had such good health for twenty years as I have enjoyed the past six years. We are never without a box of 'Fruit-a-tives' in the house".

JAS. S. DELGATY.

SOCIALISTS CREATED A COMMOTION

(Canadian Press direct wire.)

Toronto, May 3. — Great commotion was created at the District Labor Council last night by two Socialist delegates who made a bitter attack on President Samuel Gompers of the American Federation of Labor, who was described by one of the speakers as "a faker." President Conn called for order and told the offending delegate that Gompers must be treated with respect, and demanded that the offensive epithet be withdrawn. The Socialist refused. Other delegates protested in vain, and the Socialist refused to retract. When order had been somewhat restored, delegate after delegate denounced the Socialists in scathing terms and termed them as enemies to the labor movement.

Finally a unanimous vote of confidence in Gompers was passed.

PROMOTION.

A Scotch sergeant back from the front tells a story about "cooties." He was in the trenches with his men when one of them reached down his own back to capture a couple of trench vermin which were bothering him. Ae the man with the "cooties" bent forward a shell whistled right over his head, which would have decapitated him had he been standing up. The soldier held up the "cooties" and looked at them. "'Cooties'," he said, "I canna gie ye the honor of the Victoria Cross, but I'll promote ye." And so saying he placed the tiny "biters" on his head.

COULDN'T BREATHE THROUGH HIS NOSE STUFFED WITH CATARRH

Catarrhozone Inhaler the One Means of Relief, and It Cured Quickly.

The extraordinary efficacy of Catarrhozone is without a parallel. A sneezing cold is cured in ten minutes, a harsh cough is eased in an hour, the most offensive catarrh is thoroughly drawn from the system. In case of asthma and bronchitis the relief and certain cure that comes from the healing balsamic extracts in Catarrhozone is simply wonderful.

"For more than twenty years I suffered with a cough, bronchitis, asthma and nasal catarrh," writes J. F. Fenwick, of Staunton P. O. "Every attack I had seemed to grow worse and I could hardly breathe on account of an accumulation of phelgm in the nose and throat. One day I tried Catarrhozone and in ten minutes was wonderfully relieved. I could breathe freely and naturally through the nose, and blood spitting was stopped—the phelgm was cleared away and my regular breathing restored. No remedy can do more than Catarrhozone."

There is no remedy so certain and safe as Catarrhozone, but being a good remedy it is imitated. Beware of the substitutor. Large Catarrhozone lasts two months, price $1.00. Smaller sizes 25c. and 50c. At all storekeepers and druggists, or The Catarrhozone Co., Buffalo, N. Y., and Kingston, Canada.
