

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Charles H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. OF INTEREST TO WOMEN

NINE DISH-WASHING HINTS.

Use two pans, one for washing, filled with hot soapy water, the other for rinsing, filled with clear hot water.

Use a clean dish cloth and plenty of clean dry towels. Always use fresh towels for glass or silver.

Wash cleanest dishes first; glass, cups and saucers, pitchers and all fine china, fruit plates, etc. Take fresh, hot, soapy water for silver.

Do not put many dishes at one time in the pan. A large amount of soap or soap powder is likely to destroy all gilt and coloring on finely ornamented china.

Very fine china and cut glass should not be washed in very hot water. Rinse in water of same temperature as that in which it was washed.

Large pieces of silver should be washed and rinsed in hot water and wiped inside, but not outside.

Knives with handles of bone, mother of pearl or ivory must never be left in water.

APPLE SAUCE.

When making apple sauce, don't peel

A hemp rope twisted in and out of the links of an iron chain will make the chain last 70 per cent. longer by reducing friction and save from one-fifth to one-third of the price of a new chain.

"The Fall of the Romanoffs"

G.T.R. DIFFICULTLY
STILL UNSETTLED

Stratford, Ont., Jan. 8. — "We have failed to come to any agreement with the company and have broken off negotiations. We have asked the government for a board of conciliation."

So declared John Semple, chairman of the G.T.R. board that has been negotiating with the Grand Trunk since last November, on his return from Montreal. The federal trades of Canada, including machinists, boiler makers, blacksmiths, electricians, pipe fitters in the G.T.R. from Sarnia to Montreal, are affected — about 1,300 men.

The men asked a minimum wage, a nine-hour day, recognition of their grievance committee and a definition of the different trades. The bone of contention seemed to be recognition of the union.

Good Bye,
Old Time Melodrama!

Sorry to see you go, but the new melodrama is here—"THE FIGHTING TRAIL." Greater Vitagraph's Duncan-Holloway Serial. The mortgage on the old home hasn't a chance in this, the only kind of melodrama that goes in that of brand new thrills and sensations. And there are dozens of 'em in every episode. William Duncan and Carol Holloway risk their necks two dozen times in THIS serial and THAT'S what we call melodrama! Stunts that amaze and mystify. Be sure to see it.
