

MOVEMENT TO HAVE RESERVE TRANSFERRED

DEVON WOULD LIKE INDIANS REMOVED

**Present Reserve Too Near the
Business Centre—Oromocto
Suggested as Suitable
Location.**

There is reported to be a movement on foot to have the Federal Government remove the St. Mary's Indian Reserve from the town of Devon. Oromocto is mentioned as the place considered suitable for the Indians now on the St. Mary's Reserve. A reserve is now located at Oromocto and it is thought that the population now on the St. Mary's Reserve can easily be accommodated at the other reserve.

In Centre of Town.

The St. Mary's Reserve is located almost in the centre of the town of Devon which was formed by the union of the villages of St. Mary's and Gibson, and within a few feet of what will be one of the chief business streets should Devon develop as it is expected. This fact is largely responsible for the movement to have the reserve transferred. It is argued that the removal would be beneficial to both the Indians and the town.

Proposed Before.

The proposal is not a new one as on previous occasions it has been suggested that the reserve should be amalgamated with either that at Oromocto or that at French Village.

New Uniforms for Messengers.

The Western Union Telegraph Company's messengers have been issued with new uniforms which are of a pattern different from those used before.

Will Not Play Tonight.

On account of the mild weather and water on the ice, the "Wee Neilly" will not be played at the curling rink tonight.

Still Alarm Last Night.

The firemen were called out at nine o'clock last night on a still alarm for a burning chimney at the residence of Mr. George S. Clarke, Brunswick street. There was little damage.

Leaving for Montreal.

Miss Phyllis Gerrard, daughter of Dr. Gerrard, is leaving this evening by C.P.R. for Montreal, where she will enter the General Hospital to train as a nurse.

Lecture Postponed.

On account of illness Mrs. E. A. Smith of St. John, who was to lecture here next Thursday, will be unable to come. The lecture has been postponed until next week.

Late Edward Boyle.

The funeral of the late Edward Boyle took place this morning from his late home at Waasis. High mass was conducted at the Church of St. Vincent de Paul by Rev. Father Carleton.

Returned Home Today.

On account of poor ice and mild weather at St. John today the St. Stephen curlers did not go from Fredericton to St. John this morning but returned home. The ice here for yesterday's match was not extra good.

Death at St. Stephen.

Mr. J. W. Richardson of St. Stephen, a leading barrister and registrar of probates for Charlotte county, died at his home yesterday after a lengthy illness. He was 45 years of age and is survived by a widow who formerly was Miss Bessie McVey, daughter of Mr. Joseph McVey, contractor.

Potato Prices.

The potato market in the New England States is reported to be uncertain. White stock on the siding at Houlton is quoted at \$1.82 per hundredweight and at Caribou \$1.67. Conditions generally favor the buyers, as offerings are liberal. The markets in New York, Philadelphia and Boston also are weak and irregular.

Has Pleuro Pneumonia.

Miss Mavis Brown, eldest daughter of Mr. and Mrs. N. W. Brown of Middle Southampton, is confined to her home suffering from a severe attack of pneumonia. Miss Burden a trained nurse of this city is in charge of the case. At last accounts the patient's condition was reported to be slightly improved.

In the Sunny South.

Mrs. W. T. Whitehead of this city, and daughter, Mrs. A. H. McKee of Ottawa, are now sojourning at San Diego, Cal. Writing to a friend here Mrs. Whitehead says: "This is certainly the land of sunshine and flowers. The weather was beautiful all the time we were in Los Angeles, the thermometer often going as high as 80. I wish all you people could share this lovely weather with us."

Thimble Party.

A very successful Mission Band thimble party was held in the mission hall of the Brunswick Street Baptist church last evening. The hostesses were Mesdames P. D. McKenzie, H. W. Estabrook, C. E. McLean, Seely, F. Patterson and G. L. Tracy, who had the assistance of a number of young ladies. The program included vocal solos by Mrs. Mersereau and Miss Eva Brewer, piano solos by Miss H. McLellan and Miss Velma Estabrook, readings by Miss Tracy, Miss Nan Mersereau and Miss Muriel Smith, and a duet by the Misses Brewer.

R. B. HANSON MAYORALTY CANDIDATE

THE GOOD GOVERNMENT ASSOC. ENDORSES HIM

**D. W. Burpee Aldermanic Candidate in Wellington, Also
Endorsed — Developments Expected.**

Developments in the arena of civic politics in Fredericton occurred last night when Mr. R. B. Hanson, barrister, of the firm of Slipp & Hanson, was endorsed by the Good Government Association as a mayoralty candidate. A requisition for the candidature of Mr. Hanson has been circulated and largely signed. He accepted nomination last night. Although endorsed by the Good Government Association he was not put in the field by that body.

Ald. McLellan Not in Field.

For some days past it has been rumored that Ald. R. W. McLellan for two years representing Kings ward at the City Council, would be a candidate for the mayoralty. Today Ald. McLellan informed The Mail that he would not be a candidate for any office. Saturday a delegation urged him to offer for mayor but his final answer was in the negative.

Candidate in Wellington Ward.

One aldermanic candidate also is in the field. He is Mr. D. W. Burpee, engineer in the Highway Division of the Provincial Department of Public Works and will be a candidate in Wellington ward. Mr. Burpee also is endorsed by the Good Government Association.

Will Meet Again Saturday.

The Good Government Association which has taken an active part in civic politics for some ten years past will meet again on Saturday night next. Before that time it is expected that other developments will have taken place which will make it possible to announce other aldermanic candidates.

In Other Wards.

There is little stir in other wards of the city. Mr. William McKay, as announced previously by The Mail, is likely to be a candidate in Kings ward unless he changes his mind during the present week. An agreement whereby a full ticket of five aldermanic candidates would be placed in the field in all wards is said to be still in force and it is expected that it will be nominated although the personnel is not yet definitely decided upon. Next Monday is nomination day.

Have Made Assignment.

Messrs. Glenn A. Libby and Albert E. Libby, who have conducted a grocery business in this city for several years under the name of Libby Brothers, have made an assignment for the benefit of their creditors. High Sheriff J. B. Hawthorne is the assignee. Book debts form the bulk of the firm's assets.
