ACIDS IN STOMACH SOUR THE FOOD AND CAUSE INDIGESTION

"Pape's Diapepsin" fixes sour, gassy, upset stomachs in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent boxes of Pape's Diapepsin. Then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

CONCERNING THE BOUNTY ON WILD CAT

To the Editor of the Mail.

Dear Sir,—As the Speech from the Throne forecasted amendments to the Game Act, it might be well to call the attention of hon. members of the Legislature to one of its most glaring injustices.

Some years ago the bounty on wild cat was \$1.50. This was reduced to \$1.00. Between this dollar and the trapper is erected a system of intricate red tape which renders the bounty unobtainable in most cases.

To use the words of one trapper, "After I kill a cat it is up to me to travel twenty miles to a game warden, very often he would be out on patrol and my trip is for nothing. Trappers do not have telephones to find out if the warden is at home. The skin of the cat has to be exhibited by me to the warden. It is not lawful to leave the skin with him or send him the tail. I have to be there at time of claim—myself in person. So, after wasting \$2.50 worth of time I go home without anything accomplished and make no special effort to destroy wild cats in future. It is more trouble to get the \$1.00 due than to catch the wild cat." In corroboration of the above, as a dealer last year I bought and sold about six hundred wild cats. Less than two hundred of these had been presented for bounty. What of the others? Either I was paying more than a dollar per skin higher than other local dealers—which is not likely—or obtaining the bounty was more trouble than it was worth.

If there is any object in the Department paying a bounty at present, why not make this paltry sum more easily obtained by the trapper who has earned it?

The solution is simple enough. Allow the trapper to assign his interest to the village storekeeper, the travelling buyer of raw furs, lumber scaler, boss of logging camp, or any other person. Make it transferable.

The only objection which can be made is this: uninformed persons may suggest that wildcats might for instance be introduced from outside the province and a fraud be perpetrated on the Department of Land and Mines. From where? Not from Maine, for the bounty over there is \$4.00, which will be very probably increased to \$8 at the next session of the State Legislature. Similarly in Nova Scotia and other provinces and states, it will be found New Brunswick pays very little and it is very hard to obtain even that small amount.

QUICK HELP FOR CHEST SORENESS! ALL CONGESTION MADE TO GO QUICKLY

Worst Cold or Sore Throat Cured in Quick Order. RUB ON NERVILINE

Rub Nerviline plentifully over the neck and chest—rub it in well—lots of rubbing can't hurt. The relief will be surprising.

Nerviline is effective because it is powerful—about five times stronger than an ordinary liniment. Nerviline is penetrating, sinks in through the tissues, gets right in where the soreness and congestion really are. Rubbed on at night, it draws out the inflammation, and before morning takes away that feeling of tightness, and stops the cough entirely.

Where can you find so powerfully searching a relief as Nerviline for a bad cold? Search the world over and you'll discover nothing half so good. For nearly forty years Nerviline has been quickly curing colds, coughs and throat troubles. Thousands use it for rheumatism, sciatica and neuralgia—they all speak well of this grand family liniment, because they have proved its almost magical power.

Whenever you have an ache or pain, be it neuralgia, sciatica, lumbago, joint or muscle stiffness, always remember that Nerviline is the quickest, safest cure. Every good dealer in medicine sells the large 25c. family size bottle of Nerviline, or direct from the Catarrhozone Co., Kingston, Canada.

MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED

If cross, feverish, sick, bilious,
clean little liver and
bowels.

A laxative today saves a sick child
tomorrow. Children simply will not
take the time from play to empty their
bowels, which become clogged up with
waste, liver gets sluggish, stomach
sour.

Look at the tongue, Mother! If
coated, or your child is listless, cross,
feverish, breath bad, restless, doesn't
eat heartily full if cold or has sore-
throat of any other children's ailment,
give a teaspoonful of "California Sy-
rup of Figs," then don't worry, be-
cause it is perfectly harmless, and in
a few hours all the constipated poi-
son, sour bile and fermenting waste
will gently move out of the bowels,
and you have a well, playful child
again. A thorough "inside cleansing"
is oftentimes all that is necessary. It
should be the first treatment given in
any sickness.

Beware of counterfeit fig syrups.
Ask your druggist for a small bottle of
of "California Syrup of Figs," which
has full directions for babies, children,
of all ages and for grown-ups plainly
printed on the bottle. Look carefully
and see that it is made by the "Cal-
ifornia Fig Syrup Company."
