## FILL OUT AND FILE INCOME TAX FORMS

Income War Tax Forms Must Be Filed Before the Thirty-First Day of the Present Month.

It was inevitable that an income war tax law should have been placed on the statute books. The growing demands made upon Canada, as one of the free nations of the world, engaged in the life and death battle with the forces of barbarism, and the necessity of distributing the burden

as equitably as possible, made the imposition of a tax, based on ability to pay, merely a matter of time.

All the great nations engaged in the conflict have found it necessary to make the income tax one of their principal sources of revenue. Among the more striking evidences of the will to win in these times of sacrifice, is the spirit with which the people of Great Britain—upon whose shoulders rests the major portion of the war's financial burden—are going about the work of supplying the sinews of war. The people of the other Allies are as cheerfully doing their part and it is a foregone conclusion that the people of Canada, already inured to sacrifice, will make of the income war tax an opportunity to serve the holiest cause which has ever engaged the attention of mankind.

Like the fathers of the American Revolution, the free peoples of the earth have dedicated their lives, their fortunes and the sacred honor, to the cause which they espouse. The call upon the fortunes of the people of Canada is to take the form of a graduated tax on all incomes of \$1,500 and over enjoyed by all unmarried persons or widows and widowers without de-

pendent children, and of \$3,000 and over, enjoyed by all other persons, as well as by all corporations and joint stock companies.

The Department of Finance is now calling for the filing of the necessary forms, filled out as required, before the 31st of March. While penalties for failure to carry out the requirements of the act are provided, it is confidently expected that the people of Canada, jealous of their right to play a major role in the conflict, will respond to this latest call in a spirit of quiet patriotism.

## AWFUL ATTACKS OF HEART TROUBLE

Eased by Second Dose of Milburn's Heart and Nerve Pills.

One of the first danger signals announcing something wrong with the heart is the irregular beat or violent throb. Often there is only a fluttering sensation, or an "all-gone" sinking feeling, or, again you may experience a smothering sensation, gasp for breath and feel as though about to die.

In such cases the action of Milburn's Heart and Nerve Pills in quieting the heart, restoring its normal beat and imparting tone to the nerve centres, is, beyond question, marvellous.

Mrs. Frank Areseneau, Newcastle, N. B., writes: "I had awful attacks of heart trouble for the past five or six years, and as I had tried many kinds of medicine without getting any better, I decided to give Milburn's Heart and Nerve Pills a trial, and to my surprise I found ease from the second dose. I continued taking them until I had used six boxes, and now I feel as well as can be."

"At present my sister is taking them for nervousness, and finds great comfort by their use."

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

The old reliable remedy for rheumatism, neuralgia, sore throat and sprains.

### Best Liniment Made

MR. A. E. LAUNDRY, EDMONTON, writes:—"I fell from a building and received what the doctor called a very bad sprained ankle, and told me I must not walk on it for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best Liniment made."

Minard's Liniment always gives satisfaction. For any ache or pain, it gives instant relief.

### TWO OF A KIND.

An elderly, gaunt lady approached a young man at a reception and said reproachfully to him:

"Why aren't you inkhaki?"

The young man blushed. Then he drew himself up and answered:

"For the same reason that you're not in the beauty chorus, ma'am—physically unfit."

### AS TO CONSERVATION.

First Man—My wife's a great little conservator. She's invented a hole-less doughnut.

Second Man—My wife beats that. She's feeding us doughnutless holes.
