ELECTION MAY
COME SOON
IN ENGLAND

London, Aug. 22—A general strike or a general election, but probably the latter, will be the result of the government's declaration against the nationalization of mines, according to a statement made today by Fred Bramley, parliamentary committee man of the trades union congress.

Mr. Bramley added that the government's decision was in direct opposition to the policy of the trades union congress, which supported the principle of nationalization of vital industries and of general resources where monopoly exists.

According to Mr. Bramley it was a virtual certainty that the issue would be brought to a head at a meeting of the trades union congress in Glasgow on September 8.

Any man can make his wife do anything she wants to.

WILL PENALIZE
PROFITEERING

Washington, Aug. 22—Without amendment and with practically no opposition the house late today voted to amend the Lever Food Control Act to extend its provisions to include clothing, containers of food, feed and fertilizers, fuel oil and implements used in production of necessities, and to penalize profiteering by a \$50,000 fine or two years' imprisonment.

Arthur F. Back, the president of the Arco Productions, Inc., announces the purchase of "The Capitol," by Augustus Thomat, for Miss Leah Baird.

Distance lends enchantment to the view. When you want to borrow from a man he may be so close you can't touch him.

MOVEMENTS
OF THE STARS
IN FILM LAND

Virginia Pearson has just completed "Impossible Catherine," her second production through Pathe.

Some of the most amusing scenes in "The Night of the Dub," the first two reel comedy starring Ernest Truex, under the management of Amadee J. Van Buren, were staged at the Century Theatre. The story, which was adopted by Mrs. Sidney Drew from Albert Payson Terhune's Saturday Evening Post story, required an elaborate theatre entrance, lobby and bar. When Mr. Truex told his old ing used in "The Winged Trail," a friend, Morris Gest, what scenes called for he was offered the use of the big playhouse.

Necessary changes in the studio leased by the newly formed motion Picture Producing Company of America at Dongan Hills, Staten Island, will be completed within two or three weeks, when the company plans beginning work on the first of the forthcoming King Cole Comedies in which Sammy Burns, the comedian, will be featured. Later the company plans erecting a new studio on property of East Thirty-seventh street and Clarkson avenue, Brooklyn, which it has purchased.

Elsie Ferguson has started work on "Counterfeit," a scenario by Ouida Bergere, at the Famous-Players-Lasky studio. In this picture Miss Ferguson will have an opportunity to do light comedy and dramatic acting.

At an expense of \$25,000, Universal has erected the first United States aerial post office with hangar accommodations for 100 airplanes. The set is being used in "The Winged Trail," a melodrama of the skies, starring Lieut. G. L. Locklear, the only aviator who changes from plane to plane in mid-air.

Allan Dwan has started filming the initial scenes of his second production as an independent producer at the head of the Allan Dwan Feature Productions. Harold McGrath's "The Luck of the Irish" has been selected as the story and will be acted by a cast of well known and popular players. James Kirkwood has been cast in the role of William Grogan, a young plumber of lower New York, who from his basement window dreams of life as he wished it were, until fate gives him the necessary money to start out in quest of those things which have been but dreams. In the part of Ruth Warren Anna Q. Nilsson will have exceptional opportunities for the kind of work in which she has won her greatest favor.

The workings of the discount rate on Canadian currency are not always to the disadvantage of the individual, as Mr. James Straith, a prominent Windsor, Ont., manufacturer, will testify. Recently Mr. Straith disposed of some realty holdings to a Detroitier for the sum of \$10,000, and was given a cheque for the amount. He deposited this cheque to his credit in a Windsor bank, and was surprised to find himself credited with \$10,300, the extra \$300 being allowed him for his United States money. The rate of discount in Detroit banks was quoted as high as \$5.20 per \$100.

LADIES — LISTEN !!

Many of the exhibitors of past years in the Womens' Department of the

FREDERICTON EXHIBITION

had the idea that it was necessary to bring the articles to be exhibited to our Queen Street office at the time of making the entry.

PLEASE DON'T DO IT!

All such exhibits are to be delivered to the persons in charge of the Departments on Friday or Saturday, September 12th or 13th, preferably the first named date, at the Main Building, Saunders Street. BUT, we would be very grateful if you would send or bring in to our Queen Street office, your entries NOW. For the next three weeks our staff will have their hands full and the quicker we get your entries recorded—and it means a lot of work—the better for all concerned, and, incidentally, the better service you will get and, also, more sleep for our staff—we will have to work nights—please help us to make them as short as possible. If you do not understand the form of entry call at our Queen Street office we will show you how to do it, or, do it for you—but come right away. NOW DON'T PUT IT OFF.

REMEMBER, all entries for the Womens' Department close

SATURDAY, SEPTEMBER 6th,

after that date and up to

THURSDAY, SEPTEMBER 11th,

we will receive additional entries but it will cost you 25 cents extra in addition to the regular entry charge as laid down in the Prize List, Rule 14, page 6. THIS IS POSITIVE. DO IT NOW. Save that extra quarter, and, incidentally, help us in our work.

Yours faithfully,

The Management.
