THE RIOTING AT EPSOM SAID TO HAVE STARTED IN A PUBLIC HOUSE

Major General Turner is Now Conducting an Enquiry—The Trouble Deeply Regretted by the Authorities, Who Say That it was Started by a Couple of Unruly Canadians—Inquest on the Death of Sergt. Green to be Resumed.

London, June 21.—General Turner spent most of the day at Epsom, interviewing amongst others several prominent townsmen, including H. B. Longley, chairman of the local governing body, to whom the General expressed the deepest regret at the recent occurrences.

The Epsom townsmen are not disposed to accept the suggestion put forward by Canadian Headquarters in the statement to the Canadian Associated Press, that the beginning of the dispute was between civilians and Canadian soldiers. The police insist that the trouble started through a couple of Canadians becoming unruly in a public house. It is admitted, however, that Canadians at Woodcote have been well behaved until quite recently when, it is asserted, a certain new element has been introduced. It is stated that this element has received very lenient treatment from the local police, although Canadians for their part have already asserted unofficially that they have been irritated unduly by the police.

HON. WINSTON CHURCHILL SAYS THE WHOLE MATTER WILL BE THOROUGHLY INVESTIGATED

Inspector Perley, who appeared at the inquest today over Sergt. Green with his head copiously bandaged, will be the principal witness when the inquiry is resumed on Wednesday. Today's proceedings were merely formal, except for a letter from Mr. Winston Churchill's private secretary, who wrote to Sir Rowland Blades, member of parliament for Epsom, as follows:

"With reference to your call here today, Mr. Churchill asked me to thank you for the information you submitted to him as to local conditions at Epsom. The whole matter will be subjected to a searching investigation. In the meantime prompt and adequate steps have been taken by the Canadian authorities to prevent any further disorder. Mr. Churchill desires to express his greatest sympathy with the relatives of Sergeant Green, who has died as a result of his injuries."

The Canadian Associated Press learns that 400 Canadian military police are now posted around Epsom.

WESTERN COLD STORAGE COMPANY GATHERED IN HEAVY PROFITS

Ottawa, June 21.—That Sir Robert Borden had \$9,500 of stock in the Manitoba Cold Storage Co., which last year had net earnings of 50 per cent., was stated by G. W. Shantz, who was called before the Cost of Living Committee yesterday through the instance of E. B. Devlin, member for Wright. About the time the strike began in Winnipeg, considerable publicity was given to the statement that there were two and a half million pounds of foodstuffs in cold storage in Winnipeg when the retailers were hungry for supplies. That this amount had been really in storage was admitted by Mr. Shantz, and had been held over since the armistice, but most of it was now held on order for export. The authorized capital of the company was \$300,000 and \$248,000 of this had been issued, but as \$60,000 of this had been issued at \$25 a share, the paid up capital was \$15,000 less than this amount. As the profits last year were \$113,000, the company earned more than 50 per cent. on its paid up capital. Fifty thousand dollars were placed in reserve.

There were also several names balloted on, and accepted, which will make a busy session for next week. The officers for the next term were also elected at last night's session. The meeting broke up at about midnight.

Harvard also won the freshmen eight race over the same course, nosing out Yale at the finish.

Montreal, June 21.—The shrivelled body of Armand Despins, 16 years old, was taken to the morgue yesterday afternoon from the shops of the Dominion Glass Co., Point St. Charles, where it was found after lying two days in a pit at the end of an air shaft used to carry off blast fumes from the furnaces. The youth had been missing since early Wednesday morning, and it is thought that he was trying to slip away from work and fell into the pit.

The Only Opposition Emanates from the Prussian States—Provincial Press Strongly Urging the Acceptance of the Allies' Terms—Majority Socialist Leader Called Upon to Form a New Cabinet—Erzberger to Head the New Peace Delegation.

Paris, June 21.—President Ebert has requested Hermann Mueller, majority socialist leader, to form a new German cabinet, according to advices received by peace delegates.

Mathias Erzberger will probably head the German Peace delegation, the advices indicate.

The opposition attitude of the democrats and German nationalists on the question of the treaty will probably exclude Count Von Brockdorff-Rantzau and Count Von Bernstorff from the government.

GERMAN PUBLIC SENTIMENT IS IN FAVOR OF ACCEPTING THE PEACE TERMS OF THE ALLIES

The German provincial press is strongly urging the speedy signing of the treaty.

Berlin advices summarizing the situation in Germany up to midnight show the sentiment throughout virtually all Germany to be in favor of accepting the peace terms.

Geographically analyzed, the advices indicate that the southern German states are all favorable to the acceptance of the treaty, while the Prussian regions are maintaining some opposition.

WANTS TO KNOW IF ALLIES AGREE TO THE ADMISSION OF HUNS TO LEAGUE OF NATIONS

Berlin, June 21.—Mathias Erzberger, mentioned as probable head of the new German peace delegation, is reported to have sent a note to Premier Clemenceau as President of the Peace Conference, asking whether the Allies will agree to the immediate admission of Germany to the League of Nations.

Herr Erzberger also desires to know if the powers will consent to the limitation of Germany's indemnity to 100,000,000,000 gold marks, and renounce their effort to have former Emperor William surrendered.

SENATOR ROBERTSON HOPEFUL OF EARLY SETTLEMENT AT WINNIPEG

Winnipeg, June 21.—Hon. G. D. Robertson, Minister of Labor, expressed himself last night as being hopeful of an early settlement of the strike. The negotiations so far as the metal trades are concerned, he said, are making satisfactory progress. A special effort will be made today to break the deadlock over the interpretation of the employers' definition of collective bargaining, and the Minister of Labor is hopeful of its being successful. The nature of the special effort to be made, Senator Robertson would not disclose. Six additional arrests of aliens charged with seditious conspiracy were made this evening. The authorities state that they are only minor characters and of small significance in the situation.

CLEMENCEAU'S ULTIMATUM SENT TO THE HUNGARIAN SOVIETS

**The Allies Determined to Put an End to Useless Bloodshed—
The Hungarian Army Ordered to Retire Immediately Behind the Frontiers—Bela Kun's Reply.**

Paris, June 21.—A Budapest despatch received here by way of Basle, gives the text of the ultimatum sent by President Clemenceau of the Peace Conference, in the name of the Allied and associated governments, to S. Bela Kun, the foreign minister of the Hungarian Soviet government.

It confirms the despatches of June 7th expressing the determination of the Allies to put an end to "useless bloodshed" and demanding that the Hungarian army fighting on Czechoslovakian territory, retire immediately behind the frontiers fixed for Hungary. The Hungarians were given four days, from June 14, to obey, the telegram to Bela Kun saying that the Allies "will consider themselves free to take any proper measures to assure just peace if the ultimatum is not complied with."

Hostilities Suspended.

Bela Kun, replying under date of June 15, says, according to the despatch, that the Hungarian government has suspended hostilities as requested, but that in view of the present situation on the Czechoslovakian frontier, it is impossible to recall detachments of Hungarian troops and evacuate territory in the time fixed by M. Clemenceau.

In order to satisfy the Entente, however, Bela Kun says he has asked the Roumanian and Czechoslovakian governments to send military delegates to Hungarian headquarters or elsewhere, to discuss regulations for the evacuation. The reply of the Soviet foreign minister concludes with a request that the Entente take steps with the Roumanians and Czechoslovaks to stop bloodshed and end the conflict on the frontier.

WILL MEAN A SHORTER ROUTE TO MONTREAL

Montreal, June 20.—A shorter route to the east over the Canadian government owned lines will be opened up this fall. A. P. Barnhill, K. C., a director of the Canadian National Railways, who was in the city yesterday, said that as soon as the Valley Railway was completed through New Brunswick from Gagetown to Westfield, improvements on the Canada Eastern between McGivney and Fredericton would also be completed and he had been advised that it would then be possible to run trains at once through from Montreal to St. John over this short line.

At least four ours would be clipped off the old I. C. R. running time from St. John to Montreal. The latest advices are to the effect that the Valley Railway should be completed in August, and if this is correct by September the new route for the Canadian National Railways should be in effect.

Back From a Trip

A party composed of Recorder and Mrs. Calter, Mrs. S. L. Morrison and Miss Clarke, returned yesterday from a motor trip to Woodstock and Houlton.

Motoring Parties Here

Several motoring parties arrived at the Queen Hotel last evening from various points. Mr. A. H. Clark and D. W. Mitchell of North Sydney, N. S., Andrew Flett and L. Medley Flett of Derby Junction, Mrs. George Flett and Miss Annie Flett of Derby Junction are among those who motored here.

THOUGHT TO BE BOLSHEVIK EMISSARIES

Vancouver, June 21.—Disguised as Canadian soldiers, eight Russian stowaways who succeeded in boarding the transport Montague at Vladivostok are believed to be Bolshevik emissaries sent out to this country with the object of spreading Bolshevik propaganda.

At the arrival of the Montague here the stowaways, who claimed to be Russian Jews, were kept under strict surveillance and will be deported by the liner on her next outward voyage. How they managed to secure the uniforms is a complete mystery.

Best in Province

A local motorist who visited Sunbury County recently is authority for the statement that that county has the best highway roads in the province. He said that improvements had been made everywhere and motoring in that county was a positive delight. "When it comes to road making," said he "you have got to hand it to Bob Smith and Dave Mersereau, the live wires who sit in the legislature for Sunbury."

Case Adjudged by Magistrate

The charge against a local man for stealing a package from a woman in this city was heard yesterday afternoon by Police Magistrate Limerick. Several witnesses were heard for the defence but as no witnesses had been called for the prosecution the case was adjourned until Friday next. Mr. R. B. Hanson K. C. appeared for the defence and Mr. G. T. Feeney for the prosecution.
