SIR G. E. FOSTER RETURNED
HOME ON THE ACQUITANIA

Minister of Trade and Commerce Has Been Abroad for Some
Months—Is Non-Committal in Regard to the Trend of Af-
fairs at Paris—Has No Guess to Make in Regard to the Huns
Signing the Peace Treaty.

Halifax, N. S., June 20.—Sir George Foster, Minister of Trade and Com-
merce, who gave up his work at the
peace conference, because of the ser-
ious illness of Lady Foster, was the
first man down the gang plank when
the Aquitania docked this morning,
leaving at 8 o'clock by a narrow mar-
gin. Sir George addressed the troops at
an entertainment held in behalf of the
seamen's fund, on Tuesday afternoon.
He said he had no guesses to make as
to whether the Germans would sign
the peace treaty and no comment to
make on the work of the peace con-
ference. He said that the people of
Canada knew quite as much concern-
ing the trend of affairs at Paris as
possible for direction on these affairs
peace makers had been overwhelmed
with a mass of details concerning the
specific work to which each had been
assigned it was exceedingly difficult
for them to obtain a proper perspec-
tive of the proceedings as a whole. Sir

SIR GEORGE FOSTER.

George told the men that their work
for the Empire and for Civilization gen-
erally had not been ended by any
means, and that Canada looked to them
for the solution of the many problems
which the reconstruction period had
forced to the front.

Donald MacMaster, K. C., M. P., of
Montreal, stated over the breakfast
table that he would discuss nothing,
public or private. Fellow passengers
of Mr. MacMaster stated he assumed a
marvelously detached attitude through-
out the voyage.

Khaki University.

Principal F. C. Harrison, of Mac-
donald College, St. Anne de Bellevue,
told of the work of the Khaki Univer-
sity, which closes its doors today and
to which he has been attached. He
stated that a large proportion of Can-
ada's overseas army had selected farm-
ing for their life's work. And an amaz-
ing number had settled on the Peace
River District as the scene of their
future operations. Most of the men
wanted to cash in as quickly as possi-
ble, and for this reason favored wheat
farming and the west. Principal Har-
rison felt the Khaki University had
been faced with a great opportunity
and had seized it to the full although
the keen desire of the men to return
home militated somewhat against its
usefulness. He stated that five
hundred men in all had been placed
in British universities while thousands
more had been placed in their courses
and studies. He also told of the work
of the education committee of the war

ROSY CHEEKS AND
GOOD HEALTH

Come Through Keeping the
Blood in a Rich, Red and
Pure Condition.

When a girl—or a woman—finds
her color fading, when her cheeks and
lips grow pale, and she gets short of
breath easily and her heart palpitates
after the slightest exertion, or under
the least excitement, it means that
she is suffering from anaemia—thin,
watery blood. Headache and backache
frequently accompany this condition,
and nervousness is often present.

The remedy for this condition is to
build up the blood, and for this pur-
pose there is no medicine that can
equal Dr. Williams' Pink Pills. They
build up and renew the blood, bring
brightness to the eyes, color to the
cheeks, and a general feeling of re-
newed health and energy. The only
other treatment needed is plenty of
sunlight, moderate exercise and good,
plain food. The girl or woman who
gives this treatment a fair trial will
soon find herself enjoying perfect
health. Mrs. Hiram Shook, R. R. No.
1, Lyndhurst, Says:—"I cannot speak
too highly of Dr. Williams' Pink Pills,
for I believed they saved my daugh-
ter's life. She was in a terribly run
down condition, pale, wan, and des-
pondent, and people who saw her con-
sidered her in a decline. The doctor
who treated her did not help her any,
and then I decided to give her Dr.
Williams' Pink Pills. This decision
proved a wise one, for before six boy-
ers were used she was much better. I
got six more boxes, and before they
were gone she was in the best of
health. When she began the use of
the pills she weighed only 90 pounds,
and under their use her weight in-
creased to 127 pounds. I strongly urge
all mothers of weak girls to give them
Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink
Pills from any dealer in medicine, or
by mail post paid at 50c a box or six
boxes for \$2.50 from The Dr. Will-
iams' Medicine Co., Brockville, Ont.

"Ah, brains; Great! Don't have to

A bachelor never figures on marry-
ing a widow, but when a widow's figur-
ing on marrying a bachelor it's a sure
sign of a wedding.

A "grand passion" sounds fine, but
after a few years most women would
rather have a husband who knows how
to put up window screens.
