## ARRANGEMENTS FOR THE GREAT LIBERAL CONVENTION

Important Statement Given Out by Mr. D. D. MacKenzie—Convention to be Held at Ottawa on August 5th, 6th and 7th—To Draft and Adopt a Platform for the Liberal Party—How the Delegates will be Chosen.

Ottawa, May 8—Mr. D. D. MacKenzie, Liberal leader this evening gave out the following statement covering in detail arrangements made to date in connection with the national liberal convention to be held in Ottawa during the first week of August.

"Pursuant to the announcement made by Sir Wilfrid Laurier in November 1918, and in conformity with a resolution adopted by the liberal members of the Senate and of the House of Commons of Canada a convention of the liberal party is hereby called to take place in the city of Ottawa on August 5th, 6th and 7th next. "The purpose of the convention will be:

First—To draft, discuss and adopt the platform of the liberal party of Canada; second,—to deal with the question of party organization; third, to select a leader in succession to Sir Wilfrid Laurier.

"Following as closely as possible the plan adopted for the national liberal convention of 1893, the representation at the forthcoming convention will be as follows:

1. All the members of the Senate and of the House of Commons who desire to co-operate with the liberal party and all the liberal candidates who were defeated at the last Dominion election.

2. The liberal premiers and the leaders of the liberal opposition in the several provinces.

3. The presidents of the nine provincial liberal associations.

4. Three delegates from each Dominion constituency who will be elected at a local convention to be called for that purpose. In the case of constituencies having two parliamentary representatives, six delegates will be elected. Women will be eligible for election as delegates in all constituencies.

### Choosing Delegates

5. The liberal members of each provincial assembly and the liberal candidates defeated at the last provincial election in the province acting jointly shall have the right to select from among themselves a number of delegates equal to one fourth of the total number of representatives in each provincial assembly. The liberal press throughout the land is especially and earnestly invited to attend. "Owing to changed conditions arising out of the war, and to the desirability for cooperation among all ranks of liberal democracy in dealing with grave national problems, invitations will be extended to the Canadian council of Agriculture, the Dominion Trades and Labor Congress, The Great War Veterans Association, and The Canadian Railroad Brotherhoods to send representatives to the convention for the purpose of presenting such views as these national bodies may desire to present prior to the drafting and adoption of a national liberal platform.

### Regulations

"To expedite and systematize the

work of preparing for the convention the following resolutions have been adopted:

"The call for the convention shall be sent to each provincial liberal government in conjunction with each Dominion member, or defeated candidate, as the case may be, shall arrange the date, place and hour of meeting of the local convention in each Dominion constituency at which three delegates for the national convention are to be elected.

"If the sitting member, or the defeated candidate refuses or fails to act, or in the event of the death of such member or candidate the parliamentary general committee may select a resident of the constituency affected by such failure, neglect or death to act in conjunction with the provincial liberal association in taking the necessary steps to have a local convention held and three delegates elected in accordance with these regulations.

"In each constituency in which there is an active liberal association, the sitting liberal member, the defeated candidate, or the president selected as in the next proceeding paragraph mentioned may request the president of such association to co-operate with him in all matters relating to the calling and holding of local convention for the election of the said three delegates.

"A local convention shall be called in each Dominion constituency not later than the thirtieth day of June 1919, for the election of the said three delegates by a majority of the votes of those present at the meeting. To ensure a representative attendance at each of such conventions, sufficient advance notice shall be given by advertisement or otherwise, and the date, hour and place of meeting shall be mentioned in such notice.

### Alternate Delegates

"In addition to the said three delegates there shall also be elected three alternate delegates at each of the said local conventions. Each person so elected shall be furnished with a certificate of his election as such delegate or alternate delegate, and each of the said certificates shall be signed by the chairman and the secretary of each local convention.

Similar certificates will be issued to the defeated liberal candidates who are entitled to attend the national convention as delegates.

Forms of certificates will be prepared under the direction of the parliamentary general committee at Ottawa and the persons to whom they are mailed will be held responsible for their proper distribution and return. Each of such certificates duly filled in and signed as aforesaid must be returned so as to reach Mr. Andrew Hayden the General Secretary of the convention, at 44 Elgin Street, Ottawa on or before the fourteenth day of July 1919.

(Signed) D. D. MacKENZIE.

## UNFORTUNATE CASE REPORTED TO THE POLICE

Police Magistrate Limerick today committed a girl aged fourteen years to the Children's Aid Home until her case can be looked into further. The girl is Angelina Priscilla Doucet and lived originally in Caraquet. Her father was killed serving with the 26th Battalion three years ago and two of her brothers now are serving overseas. Her mother is dead and a sister is in a convent. Some time ago the girl came to Fredericton to live with a married sister. Her story to the Police Magistrate was that her sister beat and ill treated her and kept her pension money. Yesterday the attention of the police was directed to the case by the fact that the girl informed them that her sister had turned her out of the house. Lodging was secured for her last night and the magistrate heard the case this morning.
