Is Your Nose Plugged? Have You Catarrh?

If Subject to Colds, Here is Real Good Advice.

Don't load your stomach with cough syrups. Send healing medication through the nostrils—send it into the passages that are subject to colds and catarrh. Easy to do this with Catarrhazone, which cures a cold in ten minutes. Even to the lungs goes the healing vapor of Catarrhazone—all through the bronchial tubes, nostrils and air passages—everywhere a trace of disease remains will Catarrhazone follow. You'll not have colds, nor will you suffer from sniffles, bronchitis, or throat trouble if Catarrhazone is used. Get it today but beware of dangerous substitutes meant to deceive you for genuine Catarrhazone. Large size, two month's treatment, costs \$1.00; small size, 50c; sample size, 25c; all dealers or The Catarrhazone Co., Kingston, Canada.

STAPLES' CONDITION POWDERS.

The best for horses, cattle and sheep. On horses it acts marvellously. It gives a good appetite, a glossy coat, a healthy appearance. Even during hard work they gain flesh and spirit. 25 cents a package.
