

## THE WINNIPEG STRIKE LEADERS ARE TO BE RELEASED ON BAIL TODAY

Six of Them will be Held Under Bonds in the Sum of \$2,000 Each—Statement by Counsel for the Department of Justice—Proceedings for Deportation will be Held Up Pending Trial.

Winnipeg, Man., June 20.—The six English-speaking strike leaders are to be released from Stony Mountain on bail of \$2,000 each and will probably be enjoying their freedom today. They are R. B. Russell, William Ivens, Aldermen John Queen and A. A. Heeps, George W. Armstrong and R. E. Bray. A statement issued over the signatures of A. J. Andrews, K. C., representative of the Department of Justice at Ottawa, says: "As representing the Department of Justice, in order that no citizen should have any cause to complain that the government was disposed to deny the following persons, R. B. Russell, W. Ivens, John Queen, A. A. Heeps, George Armstrong and R. E. Bray, a fair trial by jury if they so desire, I have decided to postpone any proceedings for their deportation until the charges against them have been heard."

### PRISONERS HAVE PROMISED TO REFRAIN FROM TAKING ANY PART IN THE STRIKE

Having so decided and as each of those persons has undertaken to refrain from taking any part, directly or indirectly, in the strike now in progress, and in view of the fact that there is strong possibility in view of the statement as to collective bargaining, issued by the metal trades employers, of the sympathetic strike being immediately called off, I see no reason why accused, until they are tried, should be detained in custody, and accordingly I am consenting to their being admitted to bail on securities of \$2,000 each. It is understood by these persons quite definitely that if they fail in their undertakings they will be immediately re-arrested and placed in custody."

The six men who are being let out on bail will be tried in the civil courts at Winnipeg. The date for the trial will probably be June 25th.

### STRIKE WILL BE CALLED OFF.

Winnipeg, June 20.—"The strike will be called off tomorrow, if not today." This was the definite declaration of a man who was closely in touch with the conferences which took place yesterday between government and civic officials, and the strike committee. No explanation was offered as to why he had come to this conclusion.

## FRIENDLINESS FOR ALLIES BROUGHT ABOUT DEFEAT OF ORLANDO GOVT.

Rome, June 19—"Remain faithful to our duties toward the allies," was a passage in the address of Premier Orlando today which turned the tide against the Premier and resulted in the adverse vote which had its sequel in the resignation of the Orlando cabinet.

The Premier's words aroused the anger and hostility of the deputies, several shouting across the chamber at the government bench from which the Premier was speaking. There was a great tumult and cries of "The allies have never been faithful to us. Why should we be faithful to them?"

Signor Orlando's fateful utterances so decided the deputies that the remainder of his speech received but little attention.

The Upper House Has Shown Its Contempt for the Will of the People in the Prohibition Question—A Strong Resolution Is Adopted.

Regina, Sask., June 19.—The National Council of Women, which opened its annual meeting here today, passed a resolution expressing its unqualified indignation at the action of the Senate in defeating the will of the people of Canada, as expressed by their elected representatives in the House of Commons, in the matter of prohibition.

The resolution reads: "Not for the first time is the Senate showing its contempt for the people of Canada. But now in its decision on prohibition it has done so in a way injurious to the highest interest of our country."

"This Council believes in government of the people, by the people, for the people, and calls upon the Premier of Canada to secure proper recognition of the will of the majority of the men and women, Citizens of Canada."

## German Cabinet Has Fallen And Pres. Ebert May Go

### WINNIPEG ARRESTS ARE DISCUSSED

Ottawa, June 20.—Mr. D. D. Mackenzie, Liberal leader, in the Commons this morning, called the attention of the government to reports relating to the trial of the strike leaders under arrest at Winnipeg. He said it had been stated that they are to be tried before a lay commission consisting largely of officials of the Department of Immigration. He considered that they should not be tried in this way, but by the best jurists of the land.

Sir Robert Borden, in reply, said that Mr. Mackenzie was laboring under a misapprehension. He explained that there were two different proceedings against the strike leaders. They had been arrested under the criminal law on a charge of seditious conspiracy, and the proceedings in this connection would be the usual proceedings. In addition they were being proceeded against under the provision of the Immigration Act in regard to deportation. This process had been provided for many years ago, and could be carried on consequently with the proceedings under the Criminal Law.

Difference of Opinion Over the Peace Treaty the Cause—Premier Scheidemann was Opposed to Accepting the Revised Terms—New Cabinet Now in Process of Formation Expected to Accept the Terms of the Allies.

Paris, June 20.—The Scheidemann Government in Germany has fallen, it was learned here today. News of the event, reported during the morning, was confirmed later by military advices through Coblenz from both Weimar and Berlin.

The downfall of the Scheidemann Government was made known to the peace conference. It is believed to assure the signing of the peace treaty by Germany, as Philip Scheidemann, the Premier was understood to be the chief opponent to acceptance of the revised peace terms. Count Von Brockdorff-Rantzau, the German Foreign Minister, is understood to have supported Scheidemann.

The early reports stated that Gustav Noske, the Minister of Defence, was forming a cabinet to succeed the outgoing government.

Previous advices had indicated that four members of the Scheidemann cabinet were insisting on the signing of the treaty, and it is presumed here that this caused the fall of the ministry.

### REPORTED THAT THE NEW CABINET WILL

#### SIGN THE PEACE TREATY ON CONDITIONS

Baron Von Richthofen is reported from Weimar as having said yesterday afternoon that the new cabinet will sign the treaty but "on conditions".

Although he did not state what conditions were meant, it is believed they will be in form of demands upon the entente, the granting or refusal of which would not hinder the signing of the treaty.

It is understood here that the fall of the Scheidemann Government entails the fall also of President Ebert.

The national assembly will probably take measures to select a successor to Herr Ebert.

### A MAJORITY OF MEMBERS OF DIFFERENTIAL FACTIONS READY TO SIGN THE TREATY.

Berlin June 19.—A despatch to the Berliner Tageblatt from Weimar says that Matheias Erzeberger, head of the Armistice Commission; Gustave Noske, Minister of Defence; Herr-Wissel Minister of Economics; Herr Schmidt; Foor Minister, and Herr Bauer, Minister of Labor, are all in favor of signing the peace treaty, while ninety per cent of the majority socialists, seventy-five per cent of the clericals, thirty per cent of the Democrats and the entire independent faction are ready to yield.

The correspondent predicts that the cabinet will resign and that Count Von Bernstorff, former Ambassador to the U. S. is likely to succeed Count Von Brockdorff-Rantzau as envoy to Versailles.

### HAS ACCEPTED TREATY.

London, June 20.—The German National Assembly at Weimar has accepted the peace treaty, according to an Exchange Telegraph despatch from Paris.

## STREET RAILWAY MEN TO STRIKE

Toronto, Ont. June 19.—Apparently nothing can prevent a strike of the Street Railwaymen here next Monday morning. Even if the government appointed a Board of Conciliation it couldn't avert the strike, so the men's leaders say. Nothing less than the granting of the mens demands for 65 cents an hour and an eight hour day will prevent a strike, according to Joseph Gibbons, business agent of the Street Railwaymen Union. A strike vote will be taken at the meeting called for midnight on Saturday.

General Manager Fleming of the Toronto Street Railway Company contends that the Company cannot meet the demands of the men, and apparently is not making any move towards averting the threatened tie-up of the cars. He says the Company's finances will not permit of any increases in pay or a shortening of the hours of work.

## THE NEW YORK STOCK MARKET

New York, June 20.—Price changes at the irregular opening of today's stock market were attributed to cables announcing the resignation of the German cabinet. Losses outnumbered gains in the initial dealings, but these were largely overcome before the end of the first half hour. Signs of short selling were observed in several of the popular issues, notably American International, but that stock rallied immediately. The stronger features of strength included Steel, equipments, oils, motors, tobaccas and food shares.
