

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. Miss June Elvidge to Contest Divorce
Suit—Using the Family Airplane
in Texas.

Miss June Elvidge, the screen star, will contest the divorce suit brought against her by Lieut. Frank Badgley of the Canadian army, and in New York, where suit has been filed, she has made a terse, yet comprehensive reply. In other words, she impugns the word of a soldier, and a hero soldier at that. The wedding last November was an event. Miss Elvidge capitulated to a furious drive by the decorated Canadian and went overseas to marry. In filmland she duplicated her stage successes and things were supposed to be going along fine and dandy. The lieutenant names a mysterious "Jack" in his bill of complaints. This man also wears medals for bravery and is a fellow officer of the divorce seeker, who now lives in New York.

Miss Doreen Steer left Liverpool, Eng., the other day for Kansas, but didn't travel the usual way. Listen! She's coming by express. And she's 17 years old too. She is coming to be adopted and grow up an American girl. Mr. and Mrs. T. W. Dare of Topeka, adopted her sister some years ago and the adopted daughter died recently. Doreen will take her sister's place and have everything she wants. The express charges on a girl, Liverpool to Topeka, figured up just \$212.

Mrs. Seymour Cox, jr., and her son are, with their air pilot, having the time of their lives. They live down in Houston, Tex., where Mr. Cox is an oil plut. He bought them a fine \$9,000 airship and they have been flying all over the map. The other day Mrs. Cox decided to see if they had any decent cup towels in New York, so she wired one of the hotels she was on her way. The hotel will give her the state suite, in honor of the arrival of the first guest by "airplane." Mrs. Cox drives the yacht herself and while in New York will leave the lad, now 19, at the Raymond military school.

Mrs. Isabelle Kissen has shown her husband, Morris, of the vaudeville team of Burns and Kissen, he can't come any "funnydoodles" on her, as they saw in "Gawgia." She is suing for a separation and got a court order for support for herself and little boy, for whose sake she withdrew divorce papers. Morris, when served with the court notice, flared up right off. "Everybody in this case can go plumb to (where plumbers ought to go) and I'm going to London, and she won't get a cent." "Is that so?" observed the lady, who forthwith had hubby arrested as an absconding debtor. He had to raise \$2,000 bail and has cancelled his reservation on the steamer for London. Also, says friend wife, "he'll pay that weekly sum or go to jail until the Reaper beckons."

CAN'T BE TRUE.

Oh, what a dreadful world 'twould be,
How dismal through and through,
If all the vicious tales we hear
Of other folks were true.

RHEUMATIC PEOPLE.

Can Only Find Relief by En-
riching the Blood.

Rheumatism is a disorder of the blood. It attacks people when the blood is overcharged with acid and impurities, thus setting up inflammation in the muscles and joints. Wet weather or cold weather of autumn may start the tortures of rheumatism, but is not the cause. The cause is in the blood and the blood only. Victims of this malady have every reason to fear the first dull ache in the limbs and joints, followed by sharp pains through the flesh and muscles; these are the symptoms of poison in the blood which may shortly leave the victim racked and helpless. There is only one way to cure rheumatism, and that is through the blood. Liniments, hot applications, and rubbing may give temporary ease, but cannot possibly root the trouble out of the system. That can only be done by the rich, red blood which Dr. Williams' Pink Pills actually make. This new blood drives out the poisonous acids and impurities, and the rheumatism disappears. If you are a sufferer from this painful malady begin curing yourself today by the use of Dr. Williams' Pink Pills, and see how soon the pains and stiffness of the joints fade away, leaving behind new energy and new health.

You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

SURE THING.

If Solomon were on the earth,
As prices go today.

He'd never dress 300 wives

Without a raise in pay.

If Samson were upon the earth,

And heard the people groan,

He'd swat the busy profiteers

With the biblical jawbone.

NO NEED TO.

"Why, is it," someone asked the oldest inhabitant, "that lightning never strikes twice in the same place?"

"Well, it don't need to," was the response.

We are perfectly willing that doctors should go on strike, but we hope ours won't be called out just after he has opened us up on the operating table.

GUARD THE CHILDREN
FROM AUTUMN COLDS

The Fall is the most severe season of the year for colds—one day is warm, the next is wet and cold and unless the mother is on her guard the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose will prevent colds or if it does come on suddenly the prompt use of the Tablets will quickly relieve it. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
