THE CAUSE OF UNREST.

The following statement by Mr. C. Gordon Sharp, of Pembroke, Carleton county, secretary of the United Farmers of New Brunswick, is given editorial prominence by the Tory Woodstock Press, which quotes him as saying:

"The farmers are getting high prices for everything, particularly for hay, but I know personally as a farmer that I am making less money than in the years before the war. The high cost of living and unrest in Canada, with strikes in Winnipeg and many more bound to follow, is the result of a high tariff which produces monopolies. The farmers are paying double what they should pay for farm machinery and fertilizers. The government gets no revenue out of the high tariff. It prohibits buying in the United States, and the farm machine companies, besides their usual profits, increase prices to the amount of the duty, and drops that also in their pockets. Give us cheaper fertilizer and farm machinery, and we will give you cheaper food and we will make more money."

In commenting on the above, the Press has this to say:

"Having been impressed so vividly by the high prices forced from publishers by the newsprint combines at present and during the war, we rather think that Mr. Sharpe is not very far astray in his conclusions."

Our esteemed contemporary might have gone a little further and cited the idle factories and smokeless tall chimneys of Woodstock as evidence that the much vaunted National Policy, so far as that town is concerned, has utterly failed to deliver the goods. The county of Carleton is essentially an agricultural community, and it is one of the best, if not the very best, in the Maritime Provinces. The farmers of Carleton county are hard workers and some of their potato fields are so large that a stranger could almost get lost in them. If the high prices which prevail at the present time are making the farmers rich, as it often alleged, there are hundreds of them in Carleton county who ought to be fairly rolling in wealth. Mr. Sharp, however, says they are not making money and we believe he knows exactly what he is talking about. He is also right when he says that cheaper fertilizer and farm machinery would mean cheaper food for the masses and more money for the farmers. One difficulty with Carleton county is that the people up there take their politics altogether too seriously. There has in the past been too much bitterness and party strife and the interests of the county have suffered.

If the farmer whose words are quoted above, correctly voices the sentiments of any great number of his co-laborers, the time will come soon in the noble county when the sanctimonious political boss who is always on the lookout for a chance to feather his own nest at the public expense, will be sent about his business and the people will vote for the real interests of the county.

AN INSPIRING MESSAGE.

Last Friday was Memorial Day in the United States, and President Wilson cabled the following inspiring message to his fellow-countrymen:

"Memorial Day wears this year an added significance and I wish it only by a message, to take part with you in its observance and in expressing the sentiments which it inevitably suggests. In observing the day, we commemorate not only the reunion of our own country, but also now the liberation of the world from one of the most

SLEEPLESS NIGHTS OVERCOME BY SAFE METHOD

SUGGESTIONS GIVEN WHEREBY INSOMNIA CAN BE SAFELY AND QUICKLY CURED.

Worry, overwork, overstudy and indigestion cause insomnia.

Healthy, natural sleep can't be produced by drugs.

First the blood circulation must be improved:

Congestion of blood in the head must be removed.

Irritation in the brain must be relieved.

It's because Ferrozone equalizes circulation, because it soothes the irritation, because it removes congestion that it does cure insomnia.

For building blood and nerve, for instilling force and life into over-worked organs, for establishing strength and vitality, where can you find anything so efficient as Ferrozone?

Remember, sleep is just as important as food.

You must sleep, or break down, but if you'll use Ferrozone and thereby remove the conditions which now keep you from sleep, you'll get well quickly.

Ferrozone is not a narcotic, not a dope; it is a health-giving tonic that any child or delicate woman can use. Absolutely safe is Ferrozone.

Take it for a month, take it for a year—no harm, but immeasurable good will result.

To sleep well, look well, feel well, to be free from depression, nervousness or blues—use Ferrozone. It's a food tonic, a healer to the weak and wretched, a boon to the sleepless—sold in 50c. boxes, six for \$2.50, at all dealers, or direct from The Catarrh-ozone Co., Kingston, Ont.

serious dangers to which free government and the free life of men were ever exposed. We have buried the gallant and now immortal men who died in this great war of liberation with a new sense of consecration. Our thoughts and purpose now are consecrated to the maintenance of the liberty of the world and of the union of its people in a single comradeship of liberty and of right. It was for this our men conscientiously offered their lives. They came to the field of battle with the high spirit and pure heart of crusaders. We must never forget the duty their sacrifice has laid upon us of fulfilling their hopes and their purpose to the utmost. This, it seems to me, is the impressive lesson and the inspiring mandate of the day."

Governor Pugsley in his excellent speech at the Union Club banquet at St. John on Tuesday, threw out the suggestion that the C. N. R. should establish hotels near the game and fishing resorts of this province. More first class hotels are certainly needed in this province if we are to pick up any great amount of tourist travel. The Algonquin, at St. Andrews, owned and conducted by the C. P. R., has no difficulty in securing all the business it can handle in the summer months. An hotel of that kind on the St. John river, another in the eastern part of the province, and another on the North Shore would equip this province to handle anything that might offer in the way of tourist travel.

THROUGH OUR SIEVE

A cold and haughty stare doesn't seem to help in hot weather.

Now that the furnace fire is out we can purchase ice with the coal money, if any.

There is some fear that the fellow who remains calm in these restless days may be looked upon as old-fashioned.

What has become of the pre-war telephone girl who used to give up the right telephone number the minute we asked for it?

When a gallant man is asked to guess a woman's age he first makes a silent guess and then knocks off one-third.

After all is said and done, one thing must be admitted, Columbus never had any engine troubles.

In spite of the vast mechanical improvements of the age, the best alarm clock is still the sweet perfume of frying ham and eggs.

Adam and Eve are now in the movies. It keeps them hustling for a vehicle that will let them introduce women's fashions.

Kissing may be unhealthful, as many of the unkillables say, but we haven't noticed any of the returned soldiers that look as if they are suffering from blight.

The lay delegates to conference are: J. J. Matthews, D. Moore, Alfred Burpee, M. E. A. Burpee, W. Munroe, E. Gilmore, W. J. Osborne, J. J. Weddall, J. M. Lemont, A. C. M. Lawson, C. A. Sampson, A. McDonald and W. T. Day. Alternates: Mrs. W. Munroe, Mrs. G. M. Young, George Bradley, Asa Currie.

District Work

A very careful survey of the district work was made and a summary of the work on missionary work was submitted to the district, a copy of which will be submitted to the missionary Board at Toronto.

It was strongly recommended that an assistant pastor be appointed to the Boiestown circuit. During the year two new churches were built at a cost of \$10,000; one at Taymouth and one at Kingsclear. The next annual meeting will be held at Fredericton. The meeting closed with the benediction by Dr. Harrison.

WEDDINGS.

Bright-Burns Nuptials

Yesterday afternoon at 276 King Street in this city Rev. Z. L. Fash united in marriage Mr. Albert Thomas Bright and Miss Annie Grace Burns, daughter of Mrs. Elizabeth Burns of this city. The groom is a returned soldier at the Vocational School of the N. B. Military Hospital. The bride was dressed in white silk trimmed with fur and carried a bouquet of white roses. About fifty invited guests attended the wedding. The happy couple left for Vancorbora last evening where they will spend their honeymoon. They will make their residence in this city.

Pye-Ward Nuptials

Upper Manguerville was the scene of a very pretty wedding Tuesday afternoon when Beatrice Altrude Ward, niece of Mr. and Mrs. John Ward of Upper Manguerville was united in marriage to Edward Morley Pye, son of Mr. and Mrs. C. M. Pye of Hopewell Cape. The ceremony was performed by Rev. G. C. Warren under an evergreen tree on the lawn of the Ward home. The couple were unattended and the bride was given in marriage by her uncle Mr. John Ward. The wedding march was played by Mrs. C. M. Pye mother of the groom. The bride was beautifully attired in white crepe de chine with a bouquet of white roses and carnations.

The presents received by the young couple were numerous and beautiful including silver and cut glass and several other remembrances from their numerous friends. The young couple left for St. John where they will make their future residence. The groom attended the Provincial Normal School last year and is well known in this city.

MONTREAL MAN IS CALLED.

St. John, June 5.—The Presbytery of St. John has approved a call extended by the Plaster Rock, N.B., Presbyterian church, to Rev. Wm. Swan, of Montreal.

It's about time we all discovered that the present unrest is due to too much free speech.
