TORONTO EDITOR HAD A LIVELY DISCUSSION WITH RETURNED MEN

Stewart Lyon, of the Toronto Globe, Met Several
Thousand of Them in Queen's Park and De-
fended His Editorials Opposing the Payment
of a Gratuity—Crowd was Noisy and Refused
to Give the Speaker a Hearing.

Toronto, Sept. 8.—Stewart Lyon, Chief Editor of the Globe, tonight in Queen's Park faced an adverse crowd of several thousand Returned Soldiers and their friends, and defended Globe editorials opposing the demanded gratuity of \$2,000 to each of the war Veterans. The challenge had been thrown out by the local leaders, asking the Globe Editor to appear before the men and explain. Threats of boycotting the Globe had been made. A committee of the agitators for the gratuity waited upon Mr. Lyon in his office this afternoon, but his statement of his side of the question did not satisfy the committee. Thereupon Mr. Lyon decided to address a gathering in the Park.

**SAYS THE COUNTRY IS UNABLE TO BEAR THE
ADDITIONAL BURDEN THAT WOULD BE IMPOSED**

It was an exceedingly noisy crowd. Possibly two thirds of the men present would have listened to the Editor, but the other third made this impossible by keeping up a continuous noise and shouting with tiresome repetition. "The Globe is on the bum."

The inability of the country to bear the additional burden that would be imposed if the wished for gratuity were granted was pointed out by Mr. Lyon, who stated figures to prove his contention that Canada is already staggering under the burdens caused by the war. Mr. Lyon tried to point this out, but he was interrupted so much and the noise became so great that even he could scarcely hear himself speak. After a vain attempt to make his position clear, except to a few people in his immediate vicinity he gave up the struggle.

**CROWD FOLLOWED MR. LYON TO THE GLOBE
OFFICE BUT DID NOT ATTEMPT VIOLENCE**

Having prevented the explanation which they had demanded, the crowd left the Park almost in the tracks of Mr. Lyons, although no violence to him had been attempted. They followed him to the Globe office, where they halted for a minute or so, and "booed" the Globe. A few policemen were at the front door of the Globe, but the crowd did not show any disposition to enter. They resumed their march up Yonge Street, continuing their shouts against the Globe, and finally dispersed without having engaged in any violence.

WALKOUT OF BOSTON POLICE TO TAKE PLACE THIS AFTERNOON

Boston, Sept. 9.—While conciliatory efforts were in progress, state and city officials and private interests completed plans for the protection of life and property in the event the policemen's strike, scheduled here for late this afternoon, could not be averted. There was indication that both the police and the authorities believed the walkout inevitable, and that when the day force completed its tour of duty there would be no union officers, at least, to succeed them.

A large number of special police permits have been issued for stores, banks, industrial plants and other properties.

THE NEW YORK STOCK MARKET

New York, Sept. 9.—(Wall Street)—Aside from nominal recessions in United States Steel and several of the popular oils, leading stocks moved to substantially higher levels at the opening of today's market. Before the end of the first half hour Crucible extended its lead to 17 points, Baldwin Locomotive meanwhile advancing 7, with a sharp rebound in United States Steel and affiliated shares.

**CHARGE OF TREASON AGAINST EX-PREMIER
CAILLAUX IS LIKELY TO BE QUASHED**

Various reports were in circulation today regarding the case of Joseph Caillaux, the former Premier, who is under arrest for more than a year on charges of having had treasonable that the commission of inquiry of the high court has decided to issue a decree sending the ex-Premier before the court, as was recommended not long ago in a report by the Attorney General.

Some of the journals add to this the report that the charge of treason against M. Caillaux is to be quashed, leaving only the political charges still against him, the allegation of a crime against the interior safety of the state. Certain of the newspapers go so far as to claim that this would be equivalent to a veiled discharge, as the accusation would be covered by the Amnesty Act, thus rendering pleading useless.

DOUGHBOYS WERE HONEST

Chicago, Sept. 8.—The American doughboy is honest and, judging from a check on how he borrowed and paid, has it on the average charge-account fiend in every way.

Commandant and Mrs. Hale of the Salvation Army have reached this conclusion after twenty-one months' work in France, during which time they loaned the boys of one artillery outfit 20,000 francs.

A statement prepared by the S. A. workers tells the story:
Number of borrowers, 203; amount borrowed, 20,000 francs; average loan, 99 francs; largest loan, 500 francs; amount repaid, 19,960 francs; bad accounts, two. Loss, 40 francs.

"Some of the boys were chronically broke," explained the commandant. "They were steady borrowers, but they always paid their debts."

"The lads would come and say to wife or men: 'I'm strapped; need a hundred francs.' Here's my I. O. U.' When the ghost walked they would come to us the first thing and take up their paper, as they called their I. O. U.'s."

Hon. E. A. Smith, Minister of Lands and Mines, is a guest at the Queen.
