Catarrhazone, Which Cures
Every Curable Case.

Catarrhazone proves especially good in those chronic cases where mucous drops down the throat, sickens the stomach, and pollutes the breath. When the nostrils are stuffed, only a few breaths through the inhaler are needed to clear the passages, and where there is coughing and sore bronchial tubes, the soothing, healing properties of Catarrhazone act almost at once. One week after using Ferrozone you'll feel like new, you'll appreciate what real robust health means. In a month you'll scarcely credit the push your vigor and spirits have received. Ferrozone is more than a tonic because its work lasts, its benefits remain and are not temporary. It restores health where other treatments fail, and should be used by every man, woman and child. Try it, 50c. per box or six boxes for \$2.50. Sold by all dealers or by mail from The Catarrhazone Co., Kingston, Ontario.

HARNESS RACING SEASON OF 1919 THE BEST EVER EXPERIENCED ON MARITIME PROVINCE TRACKS

Acadia Recorder's Review of Season Shows What a Wonderful Season It Was—Roy Volo, Owned by W. B. List, of Fredericton, Won Fastest Five Heat Race Ever Trotted or Paced in Maritime Provinces—The Exposer and Bill Sharon, Also Local Horses Hung Up New Maritime Records.

The 31st annual review by the Acadia Recorder of the turf season in the Maritime Provinces shows that it surpassed all previous years, notwithstanding that Halifax, which formerly had a seven days meeting, was unable to hold racing owing to the grounds still having buildings occupied by victims of the great explosion of 1917, and which were erected at that time to accommodate many who had suffered by that terrible disaster.

73 meetings with 252 races were held during the season, with 667 heats trotted or paced in 2.30 or better, against 412 in 1918. For the first time in the history of the Maritime Province turf 2.10 was not only beaten, but seven times heats were trotted or paced in 2.10 or better. Last year 29 heats were trotted or paced from 2.10 1/4 to 2.15; this year there were 80 heats from 2.08 1/4 to 2.15. 207 heats were won from 2.15 to 2.20 and 373 from 2.20 to 2.30.

Track Records

These facts well illustrate how the Maritime Provinces compare in speed with any section of the United States and Canada, with a similar population. 40 new performers entered the list and 19 already therein reduced their records. No less than 18 track records were reduced and the class of horses in the Maritime Provinces may be gauged by those which made these new marks. The new track records are as follows:

	Track Record	Record
Chatham, John A. Hal	2.03 1/4	2.08 3/4
Sussex, Peter Farren	2.07 1/4	2.09 1/2

Champion of Year

The champion of the year was John A. Hal, owned by W. G. Fenwick, Bathurst, N. B., trained and driven by Jimmy Boutillier of Halifax. He lowered the Maritime Province Record at Chatham to 2.08 1/4; he paced the fastest three heats ever made in harness in Eastern Canada in 2.09 1/4, 2.08 1/2, 2.09 1/4. Bob Mac, the bay gelding owned by Simpson Brothers, Amherst, and driven by Fred Cameron, regained his position as the fastest provincial pacer lowering his record to 2.11 1/4 at Chatham; he won the fastest four heat race ever known in the Provinces at Fredericton in 2.11 1/2, 2.11 1/2, 2.12 1/2 and 2.13 1/4. Roy Volo, 2.13 1/4, owned and driven by W. B. List, Fredericton won the fastest five heat race ever trotted or paced in the Maritime Provinces at Chatham in 2.13 1/4, 2.14, 2.13 1/4, 2.13 1/2 and 2.13 1/2. Lady Kip, 2.14, owned by J. C. Purdy, Amherst was not only the fastest performer of the year, but her record is the fastest ever made by a green horse on the Maritime Province Tracks. Fern Hal, 22.05 1/4 owned by Dr. D. H. McAllister Sussex, paced the fastest mile of the year by a mare at Chatham in 2.11 1/4. Peter Farren, owned by P. O'Keefe, St. John and driven by D. Steele, low-
