## CANADIAN SOLDIERS HAVE RETURNED FROM NORTHERN RUSSIA

**The 16th Brigade of Artillery Has Reached London After a Strenuous Campaign—Was Composed Largely of Casualties from the Western Front—Brought With Them Cartridge Case of the Last Shot Fired by Canadians.**

London, July 3.—Canada's very latest fighting soldiers have just arrived at Ripon, bearing triumphantly the shell case of the very last shot fired by Canadians. This interesting batch of fighters consists of the 16th Brigade Canadian Artillery which for the last six months has been assisting General Ironsides, Commanding the fighting against the Bolsheviks in Northern Russia. The Brigade sailed homeward at the end of the month.

Roughly speaking it was divided up in four sections. This Canadian Artillery has been assisting General Ironsides and his mixed command of British, American and French in operations over an area of some two hundred miles. The whole brigade at Ripon today looked very fit and was extremely good-humored and contented in spirit this week. It has as creditable a record as any force. It was mobilized from the Canadian Artillery Reserve at Willey in October.

### TWO NEW BRUNSWICK MEN, LIEUTS. GILLIS AND WINSLOW NUMBERED IN THE LIST OF OFFICERS

Practically the whole of the members are returned casualties from France, about ten per cent being members of the original Canadian division. It was a purely voluntary force but most carefully picked. The Officers include Colonel C. H. Sherman, Commandant, Ottawa; Captains J. A. Bruce, Truro; A. A. Gillis, New Brunswick; J. D. Winslow, New Brunswick.

The Brigade arrived at Archangel on October 1, within three days they were engaged. Officers and men attempted to give some connected account of their experience both of the Country and of the enemy, but admitted the whole business was about as mixed as Russian affairs generally are. Fighting, some maintained, was somewhat of guerilla fashion. Bolsheviks, they said, had guns of superior range to our men. Regarding this, it should be said that the British authorities, were solely responsible for arming the whole force, the Canadians only supplying personnel for their artillery. Their was a notable attack by 500 Bolsheviks against fifty odd Canadian Artillerymen who were holding a village. Fighting continued for nine hours and the Canadians were obliged to abandon their hold but eventually retook the place.

## S. S. BALTIC AT HALIFAX WITH TROOPS

Halifax, N. S., July 4.—Seven days out from Liverpool, the White Star liner Baltic arrived in port shortly after midnight and docked at 7 o'clock this morning.

On board were eighty officers, fourteen nursing sisters and 2,453 other ranks. The only unit on board is the 23rd reserve battalion, of Montreal. It returned under command of Major F. J. Delante, of Ottawa. The remainder of the troops were made up of details for the various dispersal areas.

The senior officer aboard, Brigadier General Hilliam, C. M. G., D. S. O., who went overseas with the Fifth Battalion, and established an especially fine record, commanding at one time the 25th Nova Scotia Battalion.

Lieut. Col. John Wise, D. S. O., M. C., who also returned, gave up his job as a motorman in Halifax at the outbreak of the war, enlisted as a private and proceeding overseas, rapidly rose to the command of the 25th Battalion.

**Motorists Here Yesterday**  
Several motoring parties were in the city yesterday registered at the Queen Hotel. Among them was a party from St. John including Mr. and Mrs. W. J. Wetmore and Mr. and Mrs. H. W. Wetmore, and a party from Minto consisting of the Misses Dorothy and May Henderson and Miss Marion Up-ton.

**On Canvass for Vacancies**  
Mr. William Richards, the D. S. C. R. representative of the Dominion Employment Service Bureau was at Minto on Monday on a canvass for vacant positions and states that conditions there for D. S. C. R. work are very dull at present. Employers have more than enough workers and there are no vacancies. Slides advertising the D. S. C. R. possibilities are being shown at the Minto picture house. The work of the Bureau in this city has been dull this week as very few applications are coming in. Some twenty nine positions have been filled up to date by the Bureau with both returned men and civilians.

## WINNIPEG STRIKERS ARE REMANDED

Winnipeg, July 4.—Thirteen men, including a number of strike leaders held on a charge of conspiring to execute seditious intention, were remanded in the police court yesterday until next Friday. The remand was of a peremptory nature, the hearing having to be started next Friday unless the Crown can show very strong reasons for another remand. Bail for those out on \$2,000 was raised to \$4,000 each.

The men remanded are B. B. Russell, William Ivens, W. A. Pritchard, Alderman John Queen, Alderman A. A. Heaps, George Armstrong, R. B. Bray, R. J. Johns, Sam Blumenberg, Oscar Schoppelrei, Moses Almazoff, Max Charitonoff and Mike Everensczuk.

## THE COURT OF COMMERCE BILL PASSES HOUSE

Ottawa, July 4.—After Mr. Meighen had delivered the closing speech on the court of commerce bill, he endeavored to put the opposition on record either for or against the bill by seeking a division. The bill was carried without division, however, as both government and opposition members united in a cry of "carried." The House then proceeded to discuss the clauses of the Bill. Sir H. B. Ames urged that only a judge should be eligible for the chairmanship of the court, but received nothing more than a somewhat indefinite promise that an effort would be made to secure a judge.

St. John, July 4.—Harry J. O'Neill, of this city, local manager of the James Robertson Company, Montreal, was drowned yesterday when he fell from the steamer Miles Standish on a trip from Pemberton to Boston.

It was excessively warm and it is thought that he was overcome by the heat. He had not been in robust health and was on a holiday trip for recuperation. He was 38 years old and succeeded the late John Keefe as Robertson manager here a year or two ago.

## WILL FIGHT THE WINNER

Tulsa, Okla., July 4.—John Reister, better known in sporting circles as "John the Barber," last night wired an offer of \$50,000 for the winner of the Willard-Dempsey fight to meet Bill Brennan, of Chicago, in Tulsa.

Reister said that on his recent trip to Toledo to force a settlement of a claim for breach of contract with Dempsey, that they would "consider any reasonable proposition" Reister might have to offer.

The railroad lines are marked in plain, and this city is advertised as a railroad and industrial centre as well as a starting point for tourists and sportsmen to the different parts of the province.

## HEAVYWEIGHT CHAMPIONSHIP BOUT AT TOLEDO THIS AFTERNOON

**Great Crowds of People on Hand to Witness the Contest—Every Precaution Taken for the Protection of Visitors—All Physicians Have Been Registered for Emergency.**

Toledo, Ohio, July 4.—At 3.30 o'clock this afternoon Willard and Dempsey will meet in a twelve round boxing match here to decide the heavyweight championship of the world. At their respective headquarters this morning it was stated that both had slept well and were ready for the contest. From managers and principals came renewed expressions of confidence.

The road to the park was alive and bustling with the dawn, nor was it entirely asleep during the night, for now and then a truck loaded with supplies for the vendors moved out in the darkness. With daylight traffic increased. Policemen and soldiers were early at their stations. Innumerable sales of sandwiches, ice cream, soft drinks, postal cards and noise-making instruments of every sort to make a holiday were made. In the arena carpenters were still busy putting on the final touches to the vast amphitheatre with its 80,000 seats. Thousands of these were still on sale this morning. Every road leading into the city saw automobiles bringing their loads of fight enthusiasts from nearby cities and some from a distance.

Detectives from all the principal cities of the land were mingled in the crowds, while 500 Toledo citizens were sworn in to aid the regular city police force in maintaining order. Willard remained the favorite in the betting. One man paraded the streets with a sign on his automobile reading "I will bet this machine against \$1,000 on Dempsey." Emergency ambulances and all police patrol wagons were at the police headquarters for instant use. Fire apparatus will be stationed outside the arena. All physicians in Toledo were registered with the police and were available for any emergency.

**At the Ringside.**  
Ringside, Toledo, July 4.—The crowd gathered slowly for the contest. The arena gates were not opened until 10.50 o'clock. At that time there was but a couple of thousand spectators ready to enter the gates. The sky was clear with cool breeze blowing. Airplanes and a giant gas bag to take pictures of the contest were being tested out.

## Former German Emperor Will Be Tried in London

### PUBLIC WILL BE PROTECTED

The protection of patrons and the maintenance of a code of morality and righteousness about a circus organization is a monumental task. A circus has an appealing and irresistible magnetism for every class of humanity. The honest man and woman visit a circus for amusement, the small boy for the purpose of giving locale and color to boyish dreams of fame and fortune, and the hardened crook for the purpose of plying his nefarious trade upon the innocent who in their zealous enthusiasm may inadvertently expose their "bank roll" or jewelry.

The John Robinson circus which will exhibit in Fredericton, July 8 is perhaps doing more to combat the evils of the circus game more than any of its competitors. A crew of plain clothesmen, a separate and distinct organization under the management of the show, are on the lot bright and early every day and they remain on the lot until the patrons leave, and they do nothing but hunt down the unprincipled one who would take an unfair advantage. These men are arresting offenders and when the circus moves into a different state they are deputized under the laws of the adopted state so that they may work with freedom and increased effectiveness. The circus can not be blamed for what outsiders do, but they must be given credit for making more than ordinary effort to protect their patrons, when that effort involves the expenditure of upwards of \$10,000 per season.

## DIRIGIBLE AT ST. JOHNS

St. Johns, Nfld., July 4.—British Dirigible R-30 reached our coast two hundred miles north of St. Johns, early this morning and then headed for here and is due over the city at 1.30 local time. She will drop a bag of mail and plans are being made now for a big reception.

**Held Picnic at Mill Brook**  
The annual Sunday School picnic of Christchurch Cathedral was held at Mill Brook, above Marysville yesterday and was a grand success. Mill Brook is an ideal place for a picnic and is a beautiful spot in which to spend the day. The usual games and races were indulged in for which suitable prizes were awarded. The picnicers went to Marysville on the 11.15 train and from there were taken to the grounds in motors returning to the city by the Whooper at 8.30 last night.

### Announcement Made by Lloyd George in House of Commons Yesterday Caused Surprise—Secret Had Been Well Kept—A Belief That Holland Will Refuse to Give Up the Deposed Monarch—Judges to be Chosen by the Allies to Constitute the Court.

London, July 4.—The only surprise of the report by Premier Lloyd George on the work of the Peace Conference to the House of Commons yesterday was the news that the former German Emperor would be tried in London. The Premier has a habit of launching news in speeches, a notable previous instance being his address in which he said that three submarines had been sunk in one day. That address came at a time when the submarines were the most menacing factor in the war situation.

The decision to bring the former Emperor to London, with other prominent accused persons has been a well kept secret, and it is understood that Mr. Lloyd George was responsible for the proposal. Holland, however, has yet to be reckoned with, it is reported. Dutch public opinion has seemed to strongly support the Kaisers right of asylum there, and there are many predictions that Holland may refuse to give up the deposed monarch and that the powers will not coerce her.

### THE EX-KAISER NOT LIKELY TO BE GIVEN THE HONOR OF A TRIAL IN WESTMINSTER HALL

Great state trials in England of which there have been none for many years, have been held in Westminster Hall, but it is not believed that William Hohenzollern will be given that honor. The procedure for his trial will be laid down by a commission which will be appointed by a committee which the allies will soon set up to execute the provisions of the peace treaty. Five Judges will be chosen by the British, American, French, Italian and Japanese Governments, and it is expected they will constitute the court. In that event, the Earl of Reading Lord Chief Justice, will sit for Great Britain; and Edward Douglas White, Chief Justice of the Supreme Court of the United States, is regarded as the logical choice of the American Government.

Parliamentary gossip holds that the former German Emperor certainly should not be given a privileged position in court, but should be put in the dock like any other man charged with a crime.

### STEPS FOR THE EX-KAISER'S EXTRADITION FROM HOLLAND LIKELY TO BE TAKEN BEFORE LONG

The trial is looked for this autumn, if it occurs, and steps for the Kaisers extradition are expected to be taken soon, if not already begun. Dutch newspapers have discussed Court Hohenzollern's extradition ever since he took refuge in Holland, and the general sentiment appears to be that it would be a humiliation for Holland to surrender the former monarch at the demand of the powers, which demand would be untenable under the law, since the Kaiser's case does not come under extradition treaties and the charge of "A supreme offence against International Morality and the sanctity of treaties", is not covered by existing laws.

Legal opinion here is that Hollands action in assigning residences to William Hohenzollern and his Son constituted permission for them to reside in Holland. The prospect of having the Kaiser in England as a State Prisoner has given the public a great topic of discussion.

## GUARDS ARE INCREASED

London, July 4.—The former German Emperor's guards at Amerongen have been increased, according to the Daily Mail correspondent, and his staff has been reduced. Lieut. General Von Esterhok has left for Berlin.

Well informed circles in the Hague, this correspondent says, do not believe that Holland will give the ex-Emperor up to the Allies. They are of the opinion that he will remain in Holland for the rest of his life.

### Baseball Game This Evening

This evening the Fredericton High School team will play the Industrials at the Fredericton Trotting Park. The game is expected to be an interesting one as both teams have had considerable practice and are eager for the fray.

### Repairing Normal School Fence

The Public Works Department of the Province is repairing the Normal School grounds. The preceding provincial administration greatly neglected that piece of public property the stone pillars and masonry base being allowed to sink in the ground out of position and the iron work to remain broken. The stonework is being put in proper position and the ironwork will be replaced.

**Bridge Contract Awarded**  
The Department of Public Works announced this morning that the contract for the Nerepis River Mouth Bridge Metal Superstructure, Kings County had been awarded to The Maritime Bridge Company Ltd. of New Glasgow, N. S. The contract price is in the vicinity of \$18,000.

## CHIEF OF STAFF FOR THE PRINCE

Ottawa, July 4.—His Excellency the Governor General has received a communication from the Secretary of State for the Colonies to the effect that Rear Admiral Sir Lionel Halsey, K. C. M. G., has been appointed Chief of Staff to His Royal Highness the Prince of Wales in place of the Marquis of Salisbury, for His Royal Highness' visit to Canada.

**Prosecuted for Setting Fire.**  
A boy named Gordon Shanks was before Magistrate Kimball at Oromocto yesterday charged with setting the fire which did considerable damage to wood lands at Shirley Settlement about a fortnight ago. Four witnesses were examined and judgment was reserved until the 15th inst. The Department of Lands and Mines acted in the case.
