CINCINNATI REDS CAPTURE SECOND GAME OF THE SERIES

Score was 4 to 2—Wildness of Claude Williams, the White Sox Pitcher, Gave Reds the Game—Winners' Four Hits Came When of Value—Chicago Batted for Ten Hits, But Failed to Score Sufficient Runs to Win.

Cincinnati, O., Oct. 2.—The wildness of Claude Williams, the White Sox pitcher, contributed largely to Cincinnati winning the second game of the World Series by the score of 4 to 2 today.

While Cincinnati only obtained four hits these came at opportune times, when they had been preceded by bases on balls off Williams. Cincinnati made two errors, one of which enabled the White Sox to score, but in every other part of the game the defensive held the White Sox on several occasions. Rousch was the particular fielding star of the contest.

Umpire Evans announced that the batteries would be Williams and Schalk for Chicago; Sallee and Rariden for Cincinnati.

The innings in which the scoring took place were as follows:

Fourth Inning

First half—Weaver up. Foul, strike one. Weaver singled to centre the ball going directly over second base. Jackson now batting. Jackson singled to left, and by fast fielding Duncan held Weaver at second. Felsch up. Felsch sacrificed, Sallee to Rath. Weaver on third and Jackson on second. Gandil up. Gandil drove to Daubert, who caught Weaver at the plate on a quick throw to Rariden. Jackson went to third and Gandil went to first on the play. Risberg up. Strike one, ball one. Gandil stole second, Rariden making no attempt to catch him. Ball two, ball three, foul, strike two. Risberg flied to Daubert. No runs, two hits, no errors. Sallee once more pitched himself out of a tight hole.

Second half—Rath up. Ball one, ball two, strike one, ball three, strike two, ball four. Rath walked and the crowd

began to cheer. Daubert up. Foul, strike one. Daubert attempted to sacrifice but the ball went four. Daubert sacrificed, Williams to Gandil, Rath taking second. Daubert laid down a perfect bunt. Groh up. Strike one, ball one, strike two, ball two, foul, ball three. Groh walked. Schalk and Gandil held a conference with Williams. Rousch up. Ball one, ball two, strike one. Rousch singled to centre and scored Rath and put Groh on third. Duncan up. Strike one, strike two, ball one, ball two, ball three. Rousch was out, stealing. Schalk to Risberg. Groh stayed on third, making no attempt to score. Duncan walked. Kopf followed Duncan. Kopf tripled to centrefield scoring Groh and Duncan. The ball went into the crowd in centre. Neale up. Strike one, two. Neale was thrown out. E. Collins to Gandil. Three runs two hits, no errors.

Sixth Inning

First half—E. Collins up, strike one, ball one, strike two, ball two. Collins line-flied to Kopf. Weaver up. He doubled to left field, the ball hitting a stake and bounding back. Jackson up. Strike one, two, Jackson fanned. Felsch up. Ball one, ball, Weaver was ordered to third by Umpire Evans. Felsch flied to Rath, the latter making a circus catch, having to go almost to the fence to get the ball. No runs, one hit, no errors.

Second half—Rousch up. Strike one, ball one, ball two, ball three, strike two. Rousch walked. Duncan up. He sacrificed, Williams to Gandil. Rousch taking second. Kopf up, ball one. Kopf fouled out to Weaver, Rousch holding second. Neale singled to left scoring Rousch. Rariden up, strike one, ball one, foul—strike two, ball two, ball three. Neale was out stealing. Schalk to Risberg. One run, one hit, one error.

Seventh Inning

First half—Gandil, strike one, Gandil out. Daubert to Sallee. Risberg up. He singled to left. Schalk up. He doubled to right scoring Risberg, and when Neale threw wild Schalk made the circuit and also scored. The official scorer gave Schalk a single to right. Williams fanned. J. Collins up, ball one, strike one, ball two, J. Collins flied to Rousch. Two runs, two hits, two errors.

Second half—Hariden up, strike one, ball one. Rariden fouled to Schalk. Sallee up. Foul, strike one. Sallee flied to J. Collins, who got the ball almost on the foul line. Rath up, strike one. Rath line-flied to Weaver. No runs, no hits, no errors.

JOHN H. MURCH OF QUEENSBURY PASSES AWAY

The death occurred yesterday at his home at Murch's, Parish of Queensbury, of Mr. John H. Murch, one of the oldest and best known men in the County of York. He had been suffering from the infirmities of age for some time, and news of his death did not come as a surprise.

The late Mr. Murch had reached the advanced age of eighty-one years and is survived by a widow, two daughters and three sons. The members of the family are Mrs. W. W. Howell, of West Roxbury, Mass., Miss Hazel Murch, of the nursing staff of the Victoria Public Hospital; Mr. Murray Murch, of Keswick Ridge; Mr. Ralph Murch, at home, and Mr. Frank Murch in the west. There is also a brother, Mr. Isaac Murch, and one sister, Mrs. Ferguson, both of Queensbury.

The deceased was a Liberal of the old school and always took a keen and active interest in public affairs. For many years he represented the Parish of Queensbury in the York County Council and rendered good service as a member of that body. For some time he was manager of the Fredericton & St. Marys Soap Company, which occupied a factory at North Devon. The closing years of his life were spent on the homestead at Queensbury, where he delighted to meet and dispense hospitality to his many friends. Mr. Murch was a fine type of man and will be greatly missed in the community in which he lived.

"How Nice and Comfortable"

That's the remark that greets everyone in whose home there is installed one of the famous
VAN BUSKIRK SUPER-HEATERS.

Fuel is high in price and scarce in quantity. Why not conserve it with this new and improved method? Don't cost you a cent to investigate the merits of it, but once you have it installed in your home it will save you dollars on your winter fuel bill. If you wish to have your floor free from those uncomfortable draughts, buy one of these heaters. Come in and we will show you many of the unsolicited testimonials from users of this new device. Can be attached to coal or wood stoves as well as furnaces. Sole agents.
