CHEAP SHOES
NOT IN DEMAND

Boston, Aug. 14.—Shoes retailing at \$6 and \$7 a pair are a drug on the market, according to witnesses who appeared today at the grand jury investigation of the high cost of living. They testified that customers demand a more expensive grade and that as a result profits have to be made on the finer grades of leather, while there is no call for parts of hides formerly used for manufacturing cheaper shoes. The needs of the foreign governments after the war began and the increased demand for shoes after the United States went into the conflict were among the causes of the increase in price according to other witnesses. Tanners and manufacturers, it was claimed, were all anxious to have prices drop.

There are lots of girls who longed to be Red Cross nurses and do good works, but when their dads and brothers had the "flu" last winter it was their mothers who had all the hot water bottles to fill and all the running up and down stairs to do.

MARITIME ODDFELLOWS
IN SESSION AT MONCTON

Sixty-Second Annual Session of the Grand Lodge of the Maritime Provinces—Address by the Grand Master, R. H. MacKay—Substantial Growth Experienced by the Order During the Past Year—Grand Sire in Attendance.

Moncton, Aug. 14.—The 62nd annual session of the Grand Lodge, I.O.O.F. of the Maritime Provinces and Newfoundland opened this morning at 10 o'clock in the school room of the First Baptist Church, with an attendance of about 600 delegates, Grand Master R. H. MacKay, of New Glasgow, N. S. presiding.

A civic reception was tendered this morning by Deputy Mayor Bourque officiating in the absence of Mayor Hanford Price.

Grand Sire Judge H. V. Borst, of Amsterdam, N.Y., paid the lodge an official visit this morning. Dr. G. M. Hermiston of Toronto, Grand Master of Ontario also visited the lodge.

This afternoon the visitors will be entertained at an excursion to Point du Chene, the popular seaside resort and this evening a public meeting will be held in the First Baptist Church to be addressed by Grand Sire Judge H. V. Borst, of Amsterdam, N. Y. Past Grand Master Lieut. Colonel S. L. Walker M. D. of Halifax, N. S.

Past Grand Master's Banquet

Last evening was given over to the annual banquet of the Past Grand Masters which was held in the Y. M. C. A. hall. Past Grand Master James R. MacDonald presided and an interesting programme of addresses, songs, etc., was carried out immediately following the banquet which was well prepared by the ladies of the Y. M. C. A.

Addresses were given by Grand Master MacKay, Lieut.-Col. S. L. Walker and others. Perry's orchestra attended and rendered a well selected programme during the course of the evening. Stirring vocal solos were rendered by Mr. Thomas Stenhouse.

Winsor Hall was packed when the Rebekahs gathered last evening. The exemplification of the Rebekah degree was ably carried out by a team from Pearl Lodge Number 9 of this city, winning the highest commendation by their excellent work. Refreshments were served and a reception for visiting Rebekahs held at the close of the exemplification of the degree.

Reports

Below are extracts from the annual reports of the Grand Master and Grand Secretary:

Report of Grand Master.

To the Grand Lodge of the Independent Order of Odd Fellows of the Maritime Provinces of Canada.

Brothers:—In the year 1892, and again in 1901, our Grand Lodge met in this city; both were memorable events, but our present gathering promises to be the most notable in the history of our order in this jurisdiction.

This year we celebrate our one hundredth anniversary. We also celebrate the restoration of peace, and in common with all loyal subjects of the British Empire and her Allies we give thanks to Almighty God for giving us the victory, and pray that He may guide and direct us in all our efforts in restoring order out of chaos.

Among other events which made this year a notable one was the successful efforts of the air men in crossing the Atlantic from Newfoundland to Ireland by aeroplane, also the crossing and re-crossing from England to America by dirigible airships.

Another event which we are looking forward to with a great deal of interest at this session is the visitation of our Grand Sire, Brother Borst. This is the first time that the Grand Lodge of this jurisdiction has been so honored, and we assure our Grand Sire that the honor is greatly appreciated and we trust that this visit will prove a very pleasant one indeed.

During the first half of the present year the Maritime Provinces and Newfoundland suffered greatly from the epidemic of influenza; practically all of the lodges were closed by order of the health authorities, and we are only now getting over the effects of so many of our lodges being unable to hold their regular meetings for such a length of time.

It is with the greatest possible regret that I have to report the death, on February 4th. of this year of our Deputy Grand Master, Brother Murray, of Moncton. Those of us who attended our last session of Grand Lodge will remember the kindly invitation that was extended to us by our late brother to meet in Moncton this year. He was looking forward with a great deal of pleasure to this event and to the pleasure and satisfaction it

would afford him in doing his part in the way of making our stay here a pleasant and profitable one. Unfortunately he was not permitted to have those desires gratified. Our heartfelt sympathy goes out to his widow and friends in their time of sorrow.

Visitations

During the last half of the year I have had the privilege of visiting a reasonably large number of lodges and in practically every case found the brothers enthusiastic and hopeful of being able to report good progress by the end of the year. In most of the lodges I also found that a great deal of interest was taken in degree work, and with a very few exceptions everywhere I went the brothers were endowed with the true spirit of Old Fellowship. I would like to make reference to practically all the lodges that I visited, but time will not permit. I may say, however, that I had the good fortune to be present on two or more occasions when the anniversaries of certain lodges were being celebrated; for instance, at Bridgetown and Middleton. They both celebrated their twenty-sixth anniversary and in both cases most enjoyable evenings were spent. I also had the good fortune of being present at St.

Stephen when the brothers there celebrated their twenty-eighth anniversary, and it was very pleasing indeed to find on that occasion a gathering of something like four hundred and fifty Odd Fellows who had assembled, not only from St. Stephen but from Grand Manan, Eastport Calais, McAdam and one or two other places; and to show what an enthusiastic lot of Odd Fellows they are it is only necessary to state that on that night fifty-two candidates were initiated into the order.

I also had the pleasure of accompanying our Past Grand Master Craig to Newfoundland, and visiting the lodges in St. John's, Bonaville and Grand Falls. In company with our worthy brother a most enjoyable time was spent and we returned feeling that we were exceptionally well repaid for having made the trip.

Odd Fellows' Home

By far the most important work undertaken in this jurisdiction for many years is that of raising the fund of \$50,000 for an Odd Fellows' Home, in accordance with a resolution passed at our last session of Grand Lodge when it was decided that this would be the most fitting and appropriate way by which we could celebrate our one hundredth anniversary.

Several appeals have been sent out to all lodges, and the scheme has also been presented by the President of the Rebekah Assembly, Grand Patriarch of our Grand Encampment, by officers of the Canton, by different members of our Grand Lodge, and by your Grand Master on every occasion that presented itself and it is very pleasing indeed to find that the response is so general and generous and as well as the members individually, for their splendid contributions from time to time for this most worthy scheme.

When I visited Caledonia Lodge in Hopewell, officially, and after speak-

TEN INJURED
IN AUTO SMASH

Montreal, Aug. 14.—Ten persons were injured in an automobile accident near Snowdon Junction yesterday afternoon, when a machine driven by Sam Bernsweig struck a street car station platform and a tramway pole, throwing into the road the ten occupants of the machine. The auto was destroyed in the fire that followed.

One of the victims, Mrs. Bernsweig, was reported to be in a critical condition last night, while the others were reported to be doing well.

In connection with the establishment of a home in our jurisdiction, one of the brothers solicited donations from those present and in a few minutes reported having received some \$250. It was certainly a splendid beginning.

At the banquet given Past Grand Master Craig and myself in St. John's we also spoke on the same question and a few brothers present arose and handed Brother Craig contributions amounting to \$375. I only quote those two instances to show the splendid way in which the proposition was received at these particular places, and on practically all other occasions the proposition was received in much the same spirit.

I wish to thank the District Deputy Grand Masters for the splendid work they have done in their respective districts, also the assistance rendered me by Past Grand officers and others during the year.

I also wish to thank the members of the order throughout the jurisdiction for the honor they have conferred upon me and which I assure them is greatly appreciated.

Yours fraternally,

R. H. MACKAY,
Grand Master
