PRINCE OF WALES HAVING GOOD TIME IN THE SUNNY SOUTH

Attended Divine Service Yesterday at White Sulphur Springs—The Bishop of West Virginia was the Preacher—Church Had a Capacity Congregation—Royal Visitor Spent the Afternoon on the Golf Links.

White Sulphur Springs, W. Va., Nov. 16.—The modest little wooden church which nestles among the pine trees on the mountain side here probably for the first time in its existence had a capacity congregation today, with the double attraction of a Bishop preaching and a royal prince as one of the worshippers.

When the Prince of Wales entered the edifice every seat, with the exception of those reserved for him and his suite, was occupied. Among the trees outside the church the old-fashioned buggies of the mountain folk were tied alongside the luxurious limousines of the resort's social colony.

**PREACHER OF THE DAY MET PRINCE OF WALES
IN LONDON WHEN HE WAS A BOY OF SEVEN**

Little groups of the mountaineers and their families gathered near the church to watch the Prince as he entered and left the building, but with the courtesy for which they are famous there was no attempt to crowd the royal visitor. From a considerable distance they watched silently the young man whose path in life is so very different to their own, and then drove off to their distant farm homes.

The sermon was preached by Bishop William L. Gravatt, of West Virginia, who took for his text "He set His face steadfastly to go to Jerusalem." The substance of the sermon was the necessity of every man, prince or peasant, to have a purpose in life.

At the close of the service the Prince waited at the door of the church to greet the Bishop, who surprised him by telling him that he had been introduced to him once before in London when the British heir was a boy of seven.

**THE ROYAL VISITOR SCHEDULED TO ARRIVE
IN NEW YORK AT TEN O'CLOCK TOMORROW**

The afternoon was devoted to golf. The Prince played his match with Sir Godfrey Thomas, his private secretary, but the main interest was centred on what was announced as the "boob championship" of the United States and Canada, played between General Burstell of the Canadian Army, who is attached to the Prince's staff, and J. M. Nye, chief special agent of the United States Department. Both claimed to be the worst players on the continent, and Nyeff won.

In the evening the Prince attended a sacred concert in the hotel. The Prince's vacation ends tomorrow, when he leaves for New York. He is scheduled to arrive at the Metropolis at ten o'clock Tuesday morning.

TO WIN THE GIRLHOOD OF THE WORLD

Hamilton, Ont., Nov. 16.—"The keynote of this conference is a challenge—a challenge to new things, a challenge to big things, a challenge to difficult things, and most of all a challenge to bring to the girlhood of the world a knowledge of Jesus Christ and to win the girlhood of the world to the needs of His service," said Miss Rose Beatty, of Toronto, addressing Saturday afternoon's meeting of the Y. W. C. A. triennial gathering, in session here, with the President, Lady Falconer, Toronto, in the chair.

NEW YORK STOCK MARKET TODAY

New York, Nov. 17.—The strength of investment rails, notably Union Pacific, was the only important off set to an otherwise heavy tone at the opening of today's stock market. Prominent features of last week's severe liquidation movement relected further pressure due probably to renewed selling for both accounts.

The motor divisions reacted 2 to 4 points, oils dropped 1 to 3, steels 1 to 2 and equipments 1 to 3.
Active specialties, including tobaccos, also sagged. Trading was dull in contrast to recent excited sessions.

Passed Its Objective

DEPARTMENT STORES MAKE HUGE PROFITS

Toronto, Nov. 16.—Lieut. Col. W. B. Price who has been acting for the Board of Commerce in connection with the probe into the prices of boots and shoes in this city, laid his case before the board here on Saturday and showed that excessive profits were being made.

After explaining how the manufacturers fix their prices (on estimates made several months before the shoes are sold), Colonel Price told the Board that prices of various materials have been going up at an alarming rate. Profits of department stores were too large, in the Colonel's opinion, and he thought they should reduce their prices in view of their enormous turnover. In one store the net gain in 1913 was over \$90,000 on boots and shoes alone, and in 1918 the turnover was over \$3,000,000 and the net profits \$222,000.

QUARTER OF BEEF STOLEN BY FARMER

A. B. McNeil, Grocer, Victim-ized Saturday by Man Attending Market—Failed to Deliver Beef.

Mr. A. B. McNeil proprietor of a grocery store in Charlotte Street at the eastern end of the city is looking for a man who was to have delivered a quarter of beef and a half pig at his store on Saturday morning and who did not make his appearance.

As is customary with Mr. McNeil he went to the country market on Saturday morning to purchase meat for his store. He bought a quarter of beef from a farmer and paid him for it on the spot. The farmer whose team was along side the first one had a half pig for sale and Mr. McNeil after bargaining with him for it told him to leave it at his store on Charlotte Street and he would pay him for it on arrival. The farmer from whom the beef was bought stated that the other farmer might as well deliver it to the store as well as the pork so he agreeing it was loaded on his team. Mr. McNeil went to his store and waited patiently for the meat to arrive, and as the farmer did not show up it is concluded that he skipped out with the beef.

Mr. McNeil is out of pocket just \$12.50 which he had paid for the meat and the police are at present engaged in investigations which it is hoped will lead to the discovery and conviction of the farmer for theft.

CLAIMS THAT FARMERS WILL CUT WIDE SWATH FOR PEOPLE'S RIGHTS

U. F. O. Member-Elect Predicts That Hon. T. A. Crerar Will be the Next Premier—Will Find Out Who Owns the Big Newspapers.

Lindsay, Ont., Nov. 16.—Rev. W. Watson, U. F. O. member-elect of the Ontario Legislature for North Victoria, at a meeting of the U. F. O. of Victoria county here Saturday afternoon, predicted that Hon. T. A. Crerar, President of the Grain Growers' Association of the west, and former Minister of Agriculture in the Unionist government at Ottawa, would be the next Premier of the Dominion.

This was greeted with hearty applause by the gathering of farmers. Mr. Watson stated that he knew the government was going to find out who really owns the big newspapers, the Globe, Star, Telegraph, Mail and Empire and other papers, to see if, when they announce a certain drop in pork and other products, Sir Joseph Flavelle is not behind it all and getting the price of the salt.

Farmer Will Take Proper Place.

He also stated that there was not a single commodity the farmer used or ate that was not controlled by some corporation, but the farmers were organizing and would take their proper place. It would not be necessary for them to take a trip to Ottawa with their hair properly combed in order to get a hearing, but just as soon as the telephone rang and Ottawa found out that the farmers were on the other end of the line, Ottawa would jump four feet to give attention.

He predicted that the farmers would cut a wide swath for the rights of the people.

Bert Bland, believed by the authorities here to be the man who shot and killed Warren Grimm, commander of the local American Legion post, on Armistice Day and a man named Hansen, also suspected of complicity in the shooting, are reported to be among those hiding in the valley.
