## ALSATIANS WARMLY GREET CLEMENCEAU

Strasbourg, Nov. 4.—This city, the capital of reclaimed Alsace, extended a warm greeting this morning to Premier Clemenceau, who came here to deliver a speech intended, it is understood, to set forth the program of the government party in the parliamentary election campaign.

The Premier, who reached the city at nine o'clock, was met by Alexandre Miller, the Governor of Alsace, and other notables and was cheered by thousands of the populace as he passed before the guard drawn up in his honor. A picturesque feature was furnished by Alsatian girls in national costumes throwing flowers as the Premier went by.

"This is one of the greatest days of my life," said the Premier. "It was worth living for; now I know I have not lived in vain."

Jim—No. What happened?  
Jack—Two clothes-pins held up a skirt.

### GOOD, BETTER, BEST.

"We have the tallest policemen in London that the world can produce," said an Englishman.

The policemen in Edinburgh are so tall that they can light their pipes from the street lamps," said the Scot.  
"Shure now, the peelers in Dublin are that tall they have to stand in a coal pit to have their hair cut," said the Irishman.

### WHERE COST IS NOTHING.

(New York World.)

"Record receipts" at New York theatres only match the record receipts for all kinds of amusement and luxuries. Is anybody really bothered by the high cost of luxurious living where pleasure is concerned?

British illustrated newspapers are now publishing the portrait of the Prince of Wales wearing the costume and honors bestowed upon him by the Indians of British Columbia.

This will be apt to strengthen the belief which now exists in the minds of many English people that the Indians compose a large percentage of the population of this part of the North American continent.

## Had to Go to Bed Headaches So Bad

Milburn's Laxa-Liver Pills Made Her Well.

When your liver gets sluggish and inactive, your whole health suffers. Your bowels become constipated, your head aches, your tongue is coated, breath bad, specks float before the eyes, you are bilious, have heartburn, water-brash, pain under the right shoulder, muddy and brown spotted complexion, etc.

Help the liver to resume its proper function by removing the bile that is circulating in the blood and poisoning the system.

Mrs. E. Bainbridge, 30 Maple Ave., Amherst, N. S., writes: "I take pleasure in writing you of the good I received by using Milburn's Laxa-Liver Pills for headaches. I was so bad I had to go to bed, and could not sit up. A friend told me about your wonderful medicine, and two vials have made me as well as I can be."

Milburn's Laxa-Liver Pills are small and easy to take, do not gripe, weaken or sicken, do not leave any bad after-effects. Price 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

# The Young Man's Opportunity

"If you want to know if you are a success, ask yourself this question—'Can you save money?' If you can, you are a success. If you can't, drop out."

That's plain talk, but it's true.

That's something for the young man of Canada to think over. If you are not saving money—you are not getting anywhere.

You are lifting your feet and putting them down on the same spot day after day, marking time.

No man ever succeeded that way.

Take a grip on yourself and cut out those careless, useless expenditures you make day after day.

Victory Bonds are your opportunity.

Buy a "big block" of Victory Bonds.

Buy them on easy terms—under the instalment plan.

Grit your teeth—and pay for them! You can do it.

And think what this money saved may mean to you later in life. It may mean an interest in some business; it may mean the making of a home. It will mean that you can avail yourself of some investment opportunity that will ensure your financial or business success. The possession of some "ready money" has often been the foundation of a fortune.

Begin saving to-day.
