**SICK HEADACHE
and CONSTIPATION
CURED BY****Milburn's Laxa-Liver Pills**When your liver becomes sluggish
and inactive the bowels become con-
stipated, the tongue becomes coated,
the breath bad, and the stomach all
out of order.Then come those terrible sick head-
aches. They take out every bit of
life and ambition, bring on depression
and often end in complete mental and
physical prostration.To keep the liver active, and your
bowels moving regularly is the only
way to get rid of the constipation and
the distressing sick headaches. Mil-
burn's Laxa-Liver Pills will do this
for you by stimulating the sluggish
liver into manufacturing sufficient
bile to act properly on the bowels,
thus making them active and regular.Mrs. Winslow McKay, Jordan
Branch, N.S., writes: "I have been
sick for a number of years with sick
headache and constipation. I tried all
kinds of doctors' medicines, but none
did me any good. I tried Milburn's
Laxa-Liver Pills, and after using four
vials I am completely cured. I would
heartily recommend them to all suf-
ferers."Milburn's Laxa-Liver Pills are small
and easy to take, and do not gripe,
weaken or sicken as so many pills do.

281 KING STREET**ONE OF THE LOVE LETTERS OF
A ROOKIE TO DERE MABEL**

By LIEUT. EDWARD STREETER.)

Dere Mabelle;

I would have wrote sooner but I had
such a cold I couldn't say nothin for
most a week.Well, Mable, we et all the food like
the cook said but we ain't in France
yet. I guess he ain't got as many brains
as he said he had. Everyone is sore
at him cause we didnt kick at none of
his food for more than a weak thinkin
that wed et it all wed go away. He
thinks its funny an says "Do youse
guys think this war is a Cooks tour?"
I hate fellos what tries to get out of
things by being smart.Everythings covered with mud in-
cludin me. I seem to attract mud like
I was a maggot, Mable. Yesterday I
spent all the afternoon shining up
for guard sos to be the Colonels or-
derly. Then I step out of the tent and
flui. The sargent says. "Smith don't
you know enuff not to go on guard
lookin like that?"I even got mud in my hair. Max
Glucos says when he combs his its
like rakin out a garden. From what I
seen of him though I dont see how he
found out.Its pourin rain an awful cold, its
so cold that the tooth past rolls right
offen your brush in the morning. The
Captain has a cold in his nose. He
says he wont take the men out in such
bad wether as today. Taint nothin
against him Mable but I hope he has
a cold all winter.Theres a hole in the tent over my
cot where the water comes through
on me. I put a slicker over me last nite.
The water made puddles in it. Then
when I turned over they split out into
my shoes. This had me guessin Mable
till finally I put Max Glucoses shoes
there instead of mine Angus McKenzie
had so many holes over his cot that
it looked like one of those safety fire
sprinklers. He got up last nite and rig-
ged his shelter half sos the water hit
it an run down onto the next cot. Hes
a brite fello, Angus even if he is a
forener.The other day he had some medic-
ine for a cold. It says on the bottle that
it was 17 per cent alcohol. He drank
the whole thing right down sos no-
body couldnt get hold of it. It madehim awful sick but he says thats be-
cause he isnt used to it for such a
long time. Me and hims goin down
next week to put in a stock of tonics.Its awful hard to rite letters, Mable.
Somebodys always fallin over your
feet or daggin something wet over the
paper if youve got a cot near the door
like mine is. And when you get goin
finally at about the fourth try some
sargent always comes in with a list
and makes you check up something.Sometimes I go over to the Y. M.
C. A., Mable. But as soon as you get
ritin a bald headed fello jumps up an
says "Now fellos weel all sing." All
the fellos whats ritin looks up an says
"Aw one thing and another." I dont
know who the bald headed fello is.
They got one in every Y. M. C. A. They
all look about alike. I guess there a
regular issue. Theys always a bunch
of fellos what dont seem to know why
they came. They all start singin. Then
I cant rite no more or do nothin. So
I come home an go to bed. Ind the deat
Thats me all over. Mable.Most of the taxis is swallod up
in the mud. Theys only two or three
runnin now. Only the big strong fellos
can get to town. The cook says its
the old theory of the arrival of the
fittest. But I guess you dont know
nothin about cience, Mable. When I
go to town I wrap my blouze in a news-
paper. If they know your goin they
give you a list of things to get that
looks like a Chinese Message to Con-
gress. By the time you go to come
home you got so many bundles you
look like one of those fellos in the
Funny Papers. Everyone stands in
the square looking like a hat rack
waitin for the three taxis to come a
long. When they see one they rush it
like they do in the movies when the
millunares cars runs over the poor fel-
los kid.And then when you get home with-
out a bath or a hair cut or the movies
or nothin, and you forgot to get that
shavin soap for yourself an spent all
your money they say "Thanks Bill.
Put it over there. Can you change a
ten dollar bill?" There ought to be a
law against makin money in such big
numbers.**STRENGTH
AND PURITY**—the unusual combination that is
the basis of Zam-Buk's world-wide
reputation.Strength, which enables Zam-Buk
to overcome skin troubles that have
defied all other treatments, and
Purity to such a degree that
Zam-Buk is suitable for even the
most delicate skin. Mrs. Fothergill
of Bousman River, Man., says:
"When only two days old my baby
developed a bad heat rash. Know-
ing the purity of Zam-Buk, we rub-
bed the child all over with it, and
it entirely cured the rash."The reason for Zam-Buk's un-
usual strength is because Zam-Buk
is all medicine—being composed ex-
clusively of herbal extracts and
vegetable oils. The medicinal prop-
erties it contains are con-
centrated, blended and refined to
such an extent that they represent
the maximum healing, soothing
and antiseptic power.Zam-Buk's purity is due to the
fact that it contains absolutely no
animal fat. Because of this it can-
not become rancid, but retains its
strength and purity to the very
last. Zam-Buk is kept on the medi-
cine shelf of all discriminating
people, because they know there is
nothing to equal it for all skin
troubles and injuries.50c. box, all dealers, or Zam-Buk

sons again. You ought to take a lot a
