CATARRHOZONE

CURES WITHOUT DRUGS

One of the finest discoveries in medicine was given to the public when "Catarrhozone" was placed on the market about fifteen years ago. Since then thousands have been cured of asthma and catarrh. An interesting case is reported from Calgary in a letter from Creighton E. Thompson, who says:

"Nothing too strong can be said for Catarrhozone. I suffered four years from asthma in a way that would beggar description. I went through everything that man could suffer. I was told of Catarrhozone by a clerk in Findlay's drug store and purchased a dollar package. It was worth hundreds to me in a week, and I place a priceless value on the benefit I have since derived. I strongly urge every sufferer to use Catarrhozone for Asthma, Bronchitis and Catarrh."

The one-dollar package last two months; small size, 50c; sample size, 25c; all storekeepers and druggists, or the Catarrhozone Co., Kingston, Canada.

CLOCK WORKS.

"It's a poor rule that won't work both ways," quoted the Wise Guy.

"Yes," agreed the Simple Mug, "even a clock will stand up for itself and still run itself down."

MEMORY LINGERS.

"You don't call me 'cutie' any more."
"No, girlie; that word is too reminiscent of life in the trenches."

Clean the nickel on your stove with newspaper and it will shine like new.
