

Every Dollar Goes for Service

The people of this province demand of the New Brunswick Telephone Company the best possible telephone service. The one endeavor of the company—its only reason for existing—is to give the best possible service.

Every dollar the New Brunswick Telephone Company receives goes to provide telephone service.

Its entire receipts are expended on operation, up-keep and development. More than half goes directly to labor. The remainder is expended for material, for the maintenance of plant and equipment, for the interest on money borrowed, for dividends on the investments of hundreds of shareholders and for the payment of taxes

assessed by public authorities. In its last analysis the telephone money goes for wages—wages for labor and wages for the necessary capital which investors have put to work in the telephone system.

The telephone management is the agent of the public. It is entrusted with the task of providing the quality of service the intelligent public demands.

The wages of loyal, well-trained employees, and the wages of the capital that provides the finest mechanical equipment and most efficient operation must be paid. As the public servant one duty of the telephone management is to obtain rates sufficient to pay these necessities of service.

FAITHLESS BAIT.

Two miners were fishing, but they were now at the game.
"How are ye gettin' on, Jock?" asked one.

"Och, simply rotten," was the reply.
"I don't believe my bloomin' worm is half tryin'."

Christmas Closing in the Public Schools To-day

Combined Exercises in Several Schools of the City—Festive Season Featured in All—Honor Rolls Contain Numerous Names and Blackboard Work was Striking—Many Rooms Specially Decorated—Record of Perfect Attendance.

The public school closing took place this morning in the city schools with the usual Christmas closing exercises. These consisted of songs, recitations, and playlets by the pupils of the various classes and as may be supposed, the presentation of certificates to those with the highest averages and highest general standing played an important part in the eyes of the pupils. The various class rooms of the schools were suitably decorated for the occasion with drawings on the board and with festive trimmings. In the York Street School the two class rooms had separate programs although in the majority of the schools the classes gathered in the Assembly Hall for the exercises. All the schools have excellent records for perfect attendance and only a very small percentage of the number of pupils in attendance at the schools have been listed tardy.

THE PLAGUE OF PIMPLES

Body Covered With Them

The primary cause of pimples arises from the blood not being in a good condition. When the blood becomes impure you will find that pimples will break out all over the body, but more particularly on the forehead, nose and chin, and although they are not a dangerous trouble they are very unsightly. What you need when pimples or boils break out is a real good blood purifying medicine such as Burdock Blood Bitters.

This preparation has been on the market for over 40 years and is the most reliable remedy for all troubles arising from a bad condition of the blood. It removes all the impurities from the system, and will leave a clear healthy skin.

Mr. Emerson C. Goodwin, Cambridge, N. B., writes: "For nearly two years I suffered from boils and pimples on my face and neck, and nearly all of my body was covered with pimples. I tried most everything but got no relief. One day a friend advised me to try Burdock Blood Bitters and after using three bottles the pimples and boils had all left me and there is no sign of them returning. I can strongly recommend B.B.B. to anyone who is troubled with skin disease."
