

GUARD THE BABY AGAINST COLDS

To guard the baby against colds nothing can equal Baby's Own Tablets. The Tablets are a mild laxative that will keep the little one's stomach and bowels working regularly. It is a recognized fact that where the stomach and bowels are in good order that colds will not exist; that the health of the little ones will be good and that he will thrive and be happy and good natured. The Tablets are sold by medicine dealers or by mail a 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

A BIG U-BOAT HANDED OVER

Paris, Jan. 16—German submarine U-139 has arrived at Brest a fortnight later than other U-boats turned over to France owing to her damaged condition. She is the world's largest submarine, being 154 feet long and having a displacement of 2,900 tons. She made only one cruise before the armistice was signed.

UNGALLANT EDITOR

A lady who is some pumpkins in Baptist circles, asks us if we will address the Sunday-school scholars on the subject, "The Effect of Smoking on Boys." We refused the honor for lack of proper qualifications, never having smoked on a boy during all our fumigating career. We have smoked on a cracker box, a beer keg, a pickle barrel and a plain, hump-backed chair but never on a boy. The fact is a boy is too restless to insure a quiet smoke.

It's a ten-to-one shot that Rev. L. D. Bass, who prayed "Lord deliver us from the kissing evil," is one of those shriveled up, weakened little shrimps who do not need deliverance. 'Twas ever thus!

There ought to be a department in the casualty lists showing the names of the noble heroes who are about to bring French wives home to a critical array of female relatives.

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

Look at tongue! Move poisons from liver and bowels at once.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a small bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Co."

AWFUL BLUNDER BY MR. WILSON

The New York World has the following special cable:

When photographers' cameras discovered the fact that President Wilson on the morning of his departure from London, had his left trouser leg turned up while the other remained in conventional repose on his shoe, it was regarded as the only Wilsonian slip during his strenuous visit. His picture, taken with the king, will permanently show this "pantorial" discrepancy in the photographic records of the historical occasion.

Other incidents cropped up which caused the president himself some amusement, such as when he addressed the lord mayor at the Mansion house luncheon as "Mister Lord Mayor" instead of "My Lord Mayor." But it remained for Mrs. Wilson's negro maid Susie, to carry off the honors for creating the most humorous diversion of the trip. The Manchester Guardian relates the story as follows:

"When the famous gold plate was brought out at the state banquet the royal servants thought Miss Susie would be properly impressed. Quite the contrary. Someone asked her what she thought about it and she said it was very fine, indeed, but they had quite as good at the White House.

"There is no gold plate at Washington, and Mrs. Wilson, when she heard of Susie's reply, recalled the fact to her, Susie replied:

"I know that, ma'am, but I wasn't going to let them know it."

"The queen, like a true hostess, said to Susie that she hoped she was comfortable. Susie afterward reported to Mrs. Wilson what the queen had said, and told her:

"You must always ask your guests at the White House if they are comfortable."

"Susie was given the place of honor at the upper servants' table. It must have been like a page from 'The Virginians.'"

WHY BELGIANS STILL NEED HELP

"In travelling through Belgium with the Belgian armies, I have been able to see the country recently tenanted by the Bochs in the condition in which they left it, and never was there such desolation anywhere. One cannot get away from signs of destruction, no matter where one goes, along the country roads or in the city streets.

Not only has property been destroyed and every means of livelihood taken away from the people, but the peasants, especially in the country districts, have been left destitute both of home and food. We travelled twelve miles yesterday through open country and as but one small instance of the vast plundering of the Germans, let me state that in all twelve miles not one solitary live animal did we see, and practically every tree had been felled, so you can imagine the dreary aspect of the scenery.

All the peasant women and children we met on our way, said a news correspondent, while they greeted us with cheers and received us into their homes with open arms, those that had homes, showed the greatest suffering from insufficient food and nourishment. They did not complain, but merely stated as a fact that they had not tasted meat for two months and had lived largely on soup and coffee.

The cry of the Belgians today is for food and clothing and those who would help, no matter how little, should send their contributions to their committee, or direct to the Central Committee, Belgian Relief Fund 59 St. Peter street, Montreal.

Keep Them Smiling

Soldiers Home Coming Campaign

The "Welcome" sign still hangs high on the doors of the Salvation Army Hostels. Help them to keep it there! While our soldiers have need of the comforts—spiritual as well as bodily—DON'T shut the doors in the boys' faces—Keep them smiling!

The Salvation Army appeals for a Million Dollars for the boys who won the Victory. This is the first time the Salvation Army has made a general appeal for its work. We urge you now, for the sake of the soldiers, and as a VITAL factor in the solution of Canada's Reconstruction problems, with the Homecoming of her boys, to give and to give liberally!

Our men in Khaki may not all be home for another year. While there is a company of Canadians in uniform over there or over HERE, there is work for the Salvation Army Lassie.

The weary waiting and the relaxed discipline spell dangers that MUST be guarded against. A happy smile and a comfortable body help to keep trouble at a distance. Do not let the Hostels shut for lack of funds!

"FIRST TO SERVE—LAST TO APPEAL"

A WORD ABOUT THE HOSTELS! Have you ever been inside a Salvation Army Hostel? If not, ask a returned man about the Hostels in Paris, London, Toronto, Hamilton, or any others that he has stayed in over HERE.

Let HIM tell you about the REAL beds, the home cooking, the fried eggs, and hot coffee—and hot baths. If he knows you very well, he may give you a hint about the spiritual comfort the Salvation Army Lassies give these men far from home and all it means!

Keep them smiling! We will not turn the men adrift after they have won so glorious a Victory! We will redeem our PLEDGE—"We will keep the home fires burning, till the boys come home!"

Next week the Campaign will be on! Help twice! First, by your liberal contribution—"To whom much is given, of him much is required." Second, urge upon your friends and neighbors the pressing needs of the soldiers, right up to the time they are safely settled once more into civilian life.
