LOCAL PEACE CELEBRATION
TO BE HELD ON SATURDAY

Public Meeting Last Night at City Hall—A Strong Managing Committee Selected—Ladies Present Wanted City to Bear Entire Expense—Mayor and Aldermen Objected—Citizens will be Canvassed for Funds—Thousand Dollar Grant from the City for Celebration.

Fredericton will celebrate the declaration of peace as the official closing of the Great War, on Saturday next, the 19th inst., the day set for celebration by proclamation of His Excellency the Governor General. The suggestion had been made that a longer period be taken for preparation and the celebration as far as Fredericton is concerned take place in August but the sense of a public meeting held last night in the City Council chamber was that the celebration should take place on the 19th.

A strong committee was appointed to take charge of arrangements with power to add to its number and to co-operate with the committee appointed by the City Council. This Committee was instructed to meet this morning to begin work and another committee of ten was appointed to canvass the citizens for subscriptions for the fund which is to supplement the assistance which will be given by the City Council. The ladies who were present last night were decidedly of the opinion that the City as a corporation should finance the undertaking in its entirety but Mayor Hanson took decided grounds against that and other members of the City Council did the same with the result that the meeting by a two to one vote decided to appeal for popular financial assistance.

The outlines of the celebration have been drawn faintly so far but music by all bands available, polymorphian and motor parades, field sports, ball games, aquatic sports, dancing and fireworks are all to be worked in.

Committee Appointed

The committee selected last night to have charge of the arrangements is as follows:

Mayor Hanson, H. S. Campbell, F. H. Everett, H. B. Colwell, J. B. Dickson, H. T. Brewer, Hugh O'Neill, A. E. Ashford, W. S. Hooper, R. S. Barker, J. D. Palmer, A. Murray, W. E. Farrell, C. H. Burt, F. S. Lister, R. B. Wallace, Major R. M. Luton, M. C. Hedley Forbes, H. C. Rutter, Countess of Ashburnham, Mrs. W. C. Crockett, Mrs. Daniel Richards, Mrs. J. W. Hart, Miss K. Stewart, Mrs. D. J. Shea, Mrs. John Black.

The committee has power to add to its members and will act in conjunction with that of the City Council composed of Ald. Wilkinson, Ald. Cooper and Ald. Camp.

Mayor in the Chair

The meeting opened at eight o'clock with His Worship Mayor Hanson in the chair. His Worship outlined the purpose of the meeting and stated that a committee of the City Council had considered the matter but none of its members was present. Processions, fireworks, sports and other amusements were suggested. He also would suggest that an oration by some well known man be delivered. Major Fred S. Porter recently returned from overseas, where he had been a member of the chaplain service, would be believed to be an admirable choice as the speaker of the occasion. It also must be decided whether or not the celebration would take place on the 19th or at a later date.

Decided on 19th

On the motion of H. S. Campbell seconded by C. H. Weddall, it was decided that Saturday the 19th inst. be the day on which to observe the Proclamation of Peace.

Nominating Committee

His Worship suggested the appointment of a nominating committee to select a larger managing committee and also urged enthusiasm on the part of all. On the motion of R. B. Wallace seconded by Ald. Barker it was decided to have a nominating

committee of five, and Mayor Hanson selected the following: R. B. Wallace, Ald. Barker, Mrs. W. J. Osborne, A. D. Thomas, Ald. Baxter.

Suggestions Offered

While the committee was deliberating suggestions were requested by the Mayor. It was announced that the Returned Soldiers Aid at a meeting in the afternoon had decided to urge that any celebration include treats and entertainments for returned soldiers and their families. Chief Rutter of the Fire Department stated that the firemen would be prepared to decorate their apparatus and march in the procession. Sufficient time should be taken to secure fireworks. Mayor Hanson said that fireworks could be obtained on short notice from Truro.

Ald. Camp said that the committee of the City Council had met and Mrs. W. C. Crockett had been present at the meeting. A program had been outlined to some extent and Ald. Wilkinson had that program but was not present at the meeting. A program had been outlined to some extent and Ald. Wilkinson had that program but was not present. Band music, field sports, polymorphian and motor processions, etc., had been suggested with suitable prizes for the best competitors.

It was pointed that already arrangements had been made for a ball game the New Brunswick Military Hospital and the St. John G. W. V. A.

A. H. Booth suggested aquatic sports during the afternoon and Rev. J. S. Sutherland suggested combining fireworks with a band concert at Parliament Square at night.

Ald. Cooper made a brief report concerning the work performed by the committee of the City Council.

Entertainment of Soldiers

Representatives of the Returned Soldiers Aid emphasized the necessity of making the entertainment of the soldiers and their dependents a feature of the celebration. The buying up of the picture houses for the afternoon or evening performances for the families of the soldiers was suggested. Mrs. D. J. Shea pointed out that the Earl and Countess of Ashburnham were to entertain the patients and staff of the N. B. Military Hospital from six o'clock until ten.

Wanted City to Bear All Expense

Mrs. W. C. Crockett stated that the six hundred dollars granted by the City Council would be entirely inadequate to meet the expenses. At least \$1,500 or perhaps \$2,000 would be required. She felt that the city should bear the expense. Mrs. W. J. Osborne was of the same opinion.

Mayor Hanson said he must differ. It was not a question of the city corporation footing all the bills for such a celebration. The citizens themselves must contribute. He was willing to do so generously. It would be unfair to ask the city to pay all the bills, burdened as it is with heavy debt. As a matter of fact any single citizen could prevent any financial assistance to the project as there had been no appropriation for it. However it had been customary to vote grants by general consent of the citizens, on such occasions. The amount \$600 was tentative and could be increased.

Ald. Cooper said that the Council he felt would be willing to grant \$1,000.

More Suggestions

P. W. Cass wanted a celebration with noise and lots of it. The small boys must be encouraged to liven things up and must be supplied with the means of accomplishing that end. Tin horns and circular saws would help.

Ex Ald. J. J. Weddall suggested the ringing of the church bells at a set hour in the morning.

Mr. Wallace reported on the choice of the managing committee and it was decided to meet at ten o'clock this morning.

His Worship said the City Council would be ready to meet its share of legitimate expenses but would not expend prodigally.

To Canvass for Funds

Mr. A. Murray moved that a committee be appointed to solicit funds from the citizens in general to supplement the grant from the City Council.

Ald. McKay said the motion was a good one. It would give an opportunity to many citizens who had been shout-

FORGOT TO
BOW TO KING

Charleston, W. Va., July 12.—Down at the foot of the Flat Top Mountain in Summers county they know the art of making moonshine liquor, according to prohibition officers, but Finley Dunlap, attorney of that part of the county, admits that Summers county is deficient in its knowledge of court manners.

It happened that last December, when President Wilson set sail across the sea, Dunlap and Dr. O. Cooper, armed with credentials from Charleston newspapers, preceded the President in a newspaper boat. They didn't rock it either, and got away with the deception in fine style, with the result that they were carted all over Europe by the government with journalistic celebrities. They were even taken to meet King George, and it was here that they fell down.

"We followed S. S. McClure in the line," said Finley, "because we thought he knew, after repeated visits. But he didn't. We forgot to crook the knee and make the bow. However, King George shook us by the hand, and we

ing loyalty, to go into their pockets and help.

Ald. Cooper suggested that the committee be composed of ten members

The motion was carried by a vote of 31 to 16 the ladies present voting as a unit against the motion.

BAD BREATH
IS CAUSED BY
CATARRH

Canadians suffer more from Catarrh than from any other disease. On this account Catarrh is dangerous and should be checked at the outset.

It isn't necessary to take internal medicine to cure Catarrh. There is a far better method.

Doctors now treat Catarrh by sending a purifying, healing vapor through the breathing organs. In this way the germs of Catarrh are destroyed.

The only successful vapor treatment is CATARRHOZONE, which the patient breathes through a special inhaler to the real seat of the trouble. The rich, piney essences of Catarrh-zone heal and soothe all inflamed surfaces. They effectively treat the nose, throat and lungs with a powerful antiseptic that destroys irritation at once.

Catarrh-zone brings into the system the balmy air of the pine forest. It cures completely colds, coughs, catarrh, weak throat, and bronchitis.

Once tried, Catarrh-zone is always used. Nothing so pleasant, so simple, so quick to relieve, so absolutely sure to permanently cure. Accept no substitute. Large size lasts two months, and costs \$1.00; small size 50c; sample trial size 25c; at all dealers.

"And what did you say?" Finley was asked.

"Howdy, King," he replied.
