HOUSEHOLD CARES.

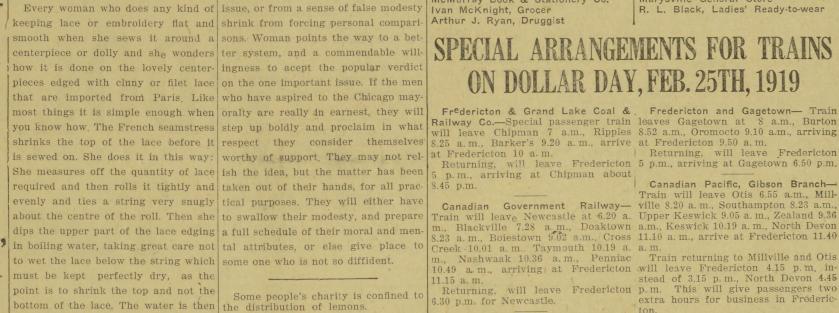

Many Troubles of the Household Can be Fairly Easily Remedied.

Does it annoy your husband or other members of the family to be asked to hold the skeins of worsted you are using for making sweaters or socks while you wind it into balls? There is an easy way to do this without help. Simply place two flatirons on the top of the kitchen tubs or table as far apart as the length of your skein and slip the wool over this and you will find that it will wind without

When you are doing any cleaning are often bothered by a rusty screw that it seems impossible to extract. Just heat a stove lifter or any small piece of iron red hot in the fire and apply to the top of the screw, and then before the screw has time to cool you can remove it with a screw driver without trouble.
