

Children Cry for Fletcher's

CASTORIA

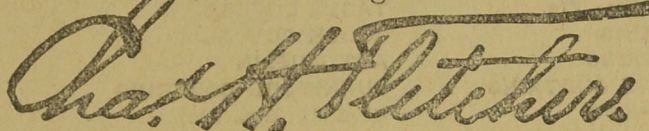

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

Each day we meet with conclusive evidence that our advertising pages are as faithfully scanned by our readers as the news columns. Necessity has compelled the people to seek all the information possible before buying.

OF INTEREST TO WOMEN

SEASONABLE RECIPES.

Scalloped Cabbage.

One can evaporated milk, 2 table-spoons each of corn flour and butter, 1 small cabbage, salt and pepper. Wash and cut up a cabbage in small pieces. Parboil for 15 minutes, drain and put a layer in a buttered baking dish. Turn over a sauce made by thickening the milk with the butter and flour and sprinkle with pepper and salt. Repeat till dish is full and all the sauce used. Cover with buttered crumbs and bake in moderate oven for thirty minutes.

Fried Sweetbreads.

Sweetbreads should be laid in warm water, with a pinch of salt in it, for an hour, to make them white. Put them into cold water and let them remain over the fire until they have boiled ten minutes. Cut them into slices, brush them with eggs and then sprinkle with bread crumbs.

Fry them in butter; each sweetbread will require one and a half ounces of butter. Serve with some good gravy such as you would prepare for a fowl.

Date Cream.

Stone half a pound of dates, cover them with boiling water until cool. This soaking plumps and moistens the dates but it is always worth while to pay a few cents more in order to obtain juicy dates in the package.

Drain the dates when they are cool, dry them and chop them fine. Whip a cupful of cream or half a cupful of cream and two egg whites, fold the two together, sweeten to taste and flavor with vanilla, and either to the cream or the cream and egg add the dates. Pile in dessert glasses and serve immediately.

Lemon Cakes.

Mix ten ounces of flour, five ounces of butter and five ounces of sugar. Beat in the yolk of an egg; flavor with one small teaspoonful of essence of lemon or a little sherry. Divide into cakes and bake them.

Cornmeal Waffles.

Sift together half cupful of cornmeal, half cupful of flour and half a teaspoonful of soda. Add 1 teaspoonful of salt. Stir into the batter one cupful of boiled rice beaten with two eggs and one cupful of sour milk.

Beat thoroughly and bake on well-greased waffle irons.

RANDOM REMINDERS.

When cooking apples add a pinch of salt. It will make them more tender.

When the cream seems on the turn add a pinch of soda and it will not curdle, even in hot cocoa or coffee.

Scatter salt on a carpet when sweeping. It has a cleansing effect and keeps away moths.

The under part of the cake will not burn in the gas oven if you stand the cake tin on an asbestos mat.

A quickly made glue is obtained by rubbing a little piece of cold boiled potato on a sheet of paper with the fingers.

Milk should be kept in covered bottle. A good plan is to wrap the milk bottle in a cloth, wet in cold water, and let stand in a draft. Keep the cloth wet.

Was Troubled With BOILS FOR SIX MONTHS.

All the poulticing and lancing you may do won't cure them and stop more coming.

Very few people escape from having them at some time.

Boils are caused by bad blood bursting out, and the bad blood must be made pure before the boils will disappear.

Burdock Blood Bitters is the greatest blood purifier known. It cleanses the system, and purifies the blood by removing every particle of foul material from the system, and when this is done, never another boil comes and health and strength are permanently restored.

Mr. C. H. Bridges, 470 Barton St. E., Hamilton, Ont., writes: "I was troubled with boils for about six months and tried several remedies without any relief until I tried Burdock Blood Bitters, and the effect has been wonderful. After using two bottles, I was rid of them all. I feel like a new man; my appetite is better, and I sleep better than I have for years. I can highly recommend B. B. B. to all who are troubled as I was."

Burdock Blood Bitters has been on the market for the past 40 years, and manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

BRIEF BUT USEFUL RECIPES.

Drive Away Ants.—A little quicklime placed in the infested places.

Kill Insect Life.—Burn sulphur in a tightly closed room. It will kill almost all insect life and their eggs and larvae.

Make Leather Waterproof.—Saturate it with castor oil; to stop shoes squeaking, drive a peg into the middle of the sole.

Remove Tar from Cloth.—Rub it well with turpentine till every trace is removed.

Egg Stains on Spoons.—Rub with common salt.

Fruit Stains on Hands.—Wash the hands in clear water, dry slightly and while still moist strike a sulphur match and hold your hands around the flame.

Restore Gilt Frames.—Rub with a sponge moistened with turpentine.

Clean Gloves.—Pour a little benzine into a basin and wash the gloves in it, rubbing and squeezing them until clean. If much soiled, they must be washed again through clean benzine and rinsed in a fresh supply. Hang in the air to dry.

Clean Hair Brushes.—Dissolve a little soda in warm water and pour in a small amount of ammonia. Hold the brushes with the bristles downward and avoid wetting the back as far as possible; shake until the grease is removed; then rinse in cold water and put in the air to dry.

Remove Stains from Linen.—Wet the part stained and lay on it some salt of wormwood; then rub without diluting it with more water.

Clean the Hair.—Wash well with a mixture of soft water, 1 pint; sal soda 1 ounce; cream tartar ¼ ounce.

Remove Mildew from Cloth.—Put a teaspoonful of chloride of lime into a quart of water, strain it twice, then dip the mildewed places in this weak solution and lay in the sun. If not effective the first time repeat.

Cure Mosquito Bites.—Put ten drops of refined carbolic acid into an ounce of rose water; shake well and apply. (If you hold your breath while a mosquito has its bill in you it cannot withdraw it until you breathe again).

How to Remove a Rusty Screw.—Apply a red hot iron to the head for a short time, the screw-driver being applied immediately while the screw is hot.

WOMEN TO LEARN TO FLY.

London, March 2.—English women who wish to learn to fly will soon have a chance to go to a flying school where only women pupils will be accepted.

The school is to be opened soon near a popular Thames holiday resort. The fee for the full course in flying will be \$625, airplane included. Pupils buying airplanes will receive instruction free.

There is a good deal of circumspection before the weather takes its final plunge into spring.

Airship rides will never become popular with girls unless the machine can be managed with one hand.

When pressing ribbon you will avoid the shiny appearance if you press it first on the wrong side, then on the right with tissue paper over it.

THE SOLDIER SETTLEMENT BOARD

CANADA

Returned Soldiers

who desire to SETTLE ON THE LAND and receive assistance under THE SOLDIER SETTLEMENT ACT must first satisfy their

District Agricultural Qualification Committee

that they are qualified as "Settlers" within the meaning of the Act, and receive a

Certificate of Qualification

before they may enjoy the full provisions of the Act. Every returned soldier who expects the Soldier Settlement board to assist him in settling on the land should ascertain at once whether or not he is qualified. This applies also to all men who have already received an "Attestation" from the Board.

Agricultural Training Courses

will be available for men who, while otherwise qualified, lack sufficient agricultural experience.

Full information may be secured by applying to

LIEUT. J. G. ROBERTSON, or WILLIAM KERR,

Post Office Building, St. John, N. B.
