THURSDAY, SEPTEMBER 18, 1919

SEASONAL OCCUPATIONS.

Mr. J. Fraser Gregory, of St. John, president of the St. John River Log Driving Company, was a speaker yesterday at the industrial conference now going on at Ottawa. Speaking for seasonal occupations, he said he was against fixing hours of labor because work must be done in a certain period. Logs could not be cut and driven to the mills in the height of the summer. He compared the lumbermen to an army going to fight the forces of nature and said the eight-hour day was impossible under the conditions in which they must work. The export of lumber was of great importance to Canada's export trade and there should not be any legislation which would increase lumbermen's costs and place them in an unfavorable position with manufacturers in other countries. Lumbering work is healthful and there is little manual labor in handling the manufacture of lumber.

Mr. Gregory is pretty nearly right when he says that an eight-hour day is impossible in connection with the lumbering industry. Saw mills are only operated during the spring and summer months, and the logs must be put through or held over until the next season. In the case of agriculturists, who are compelled to perform the bulk of their work in warm weather, an eight-hour day is of course out of the question.

At yesterday's session of the Commerce Board at Winnipeg, it became evident that it is the intention of the board to go thoroughly into every detail of operating expense of private firms producing utilities. The great part of the forenoon was taken up in a technical examination of A. W. Rollins, department manager of Gordon, Ironsides & Pares, packers, into the cost of every process of the business in turning live hogs into ham and bacon.

Hon. F. B. Carvell, recently appointed to the chairmanship of the Railway Commission, presided for the first time yesterday at a meeting of the board at Ottawa. After the session, he declared himself as entirely satisfied with the proceedings and stated that if the work continued to be as interesting as it was yesterday, he would like it very much.

The Maritime Board of Trade, now in session at Moncton, yesterday adopted a strongly worded resolution asking for the adoption of the unit system in the management of the Canadian National Railways. Vigorous speeches were delivered in support of the resolution by Capt. J. E. Masters, of Moncton, Mr. H. J. Logan, ex-M. P., of Amherst, and Mr. M. E. Agar, of St. John. Mr. Logan went so far as to declare that the government, by removing the headquarters of the people's railway to Toronto, had violated the spirit of Confederation.

New York Sun: Law making in the past has been predominantly the work of lawyers. A generation ago the presence of any member of a state or national legislature who was not a professional lawyer was so exceptional as to be an anomaly. Times have changed and men of all callings and every variety of training are now among the "honorable gentlemen" clamoring for

INCREASES YOUR WEIGHT, RESTORES LOST STRENGTH PREVENTS ILLNESS

Every day come new converts to that great army of men and women who rejoice in new-found health that came to them through the use of that wonderful blood-renewing preparation called "FERROZONE." Very simple how it acts. All you have to do is take two small chocolate-coated tablets with a sip of water at the close of each meal. Ferrozone is a marvel. It contains just what thin blood lacks—lots of iron, but mark you, the kind of iron your blood is able to absorb. Ferrozone puts life and vim into the blood. Makes it rich, red and nourishing. Naturally the body is better fed and grows stronger day by day.

Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetite and digestive powers far beyond the ordinary.

That tired feeling is replaced by the buoyant, joyous sensation of health and vigor. Day by day as your strength increases, you feel new energy surging through your veins, and know that a great tonic of great merit is at work.

No remedy more nourishing or uplifting, no treatment so sure to bring lasting health, good spirits and contentment. Ferrozone contains just what run-down folks need; it cures because it supplies more nutriment than you can get in any other way. 50c. per box or six for \$2.50 at all dealers, or by mail from The Ferrozone Co., Kingston, Ont.

the ear of Mr. Speaker. But the law-years still are in a majority in most assemblies.

Cardinal Mercier, Archbishop of Malines and Primate of Belgium, today became an honorary citizen of New York city. From the time Belgium's heroic Prince of the Church left the train which had brought him from Baltimore until he had retired at the residence of Archbishop Hayes, the hours were crowded with events which showed the veneration in which he is held not only by those of his own faith, but by Americans of all creeds.

Announcement is made by W. F. O'Connor, Vice-Chairman of the Board of Commerce, that steps will be taken by the board to prevent an increase in the price of milk. This protection, he intimated, would extend from the producer to the consumer, and in this way higher prices starting at the source of production will be frustrated.

THROUGH OUR SIEVE

Lots of men would be good husbands if they had better wives.

It is easier to cultivate a girl's imagination than her voice.

You can learn a little each day—unless you are one of those persons who know it all now.

Almost every man has the mistaken idea that he is essential to the workings of the universe.

As a strengthening tonic for love that has become weak, there is nothing better than a little indifference.

It's an easy matter to furnish entertainment for your neighbors; all you have to do is to make a fool of yourself.

The man who borrows may not be able to wear better clothes than the man who lends—but he usually does, just the same.

One reason why a man doesn't look into a mirror as often as a woman does is because he has more confidence in the durability of his beauty.

Don't hold back a quarrelsome man when he wants to fight. Let him wade in and get his medicine while the other fellow is willing to give it to him.

Fortune favors the brave, which is only another way of saying that a man gets about what he deserves if he has nerve enough to go after it.

A Good Automobile Exhibit
 Just at the western entrance of the Transportation Building, the first auto display is the Ford Motor Company exhibit of Ford, Ont. represented by Messrs Phillips and Pringle, sole agents for York, Sunbury, Carleton and part of Queens Counties for the Ford Motor Co. The exhibit, which is in charge of Major James Pringle is attracting a great deal of attention. The space is surrounded by several attractive banners showing the public what this well known firm are offering for sale. They are the Maritime agents for the Hossin shock absorbers, they also handle Schrader goods. They have a large line of accessories on exhibition. The Presit-O-lite storage batteries will be explained to all those interested. This firm is also advertising the Electric Self Starter, all visitors to the Fair especially those interested in autos will do well to visit the Ford exhibit where Major Pringle will gladly give all information in reference to autos. Notice the big truck and touring car, they are much admired by the visitors to the exhibition. When you see and hear about the excellent qualities of the Ford you will long for one.

Major J. J. Bull of Woodstock is among the visitors to the exhibition.

MARYSVILLE HAPPENINGS

Marysville, Sept. 18.—Mr. Joseph Dolphin has returned from a business trip to Montreal.

Mr. Frank White, of Cambridge, Mass., is visiting his father, Mr. Elias White. He is accompanied by his wife.

Mr. Daniel Manzer of Harvey was a visitor here this week.

Mr. Fenton McCormick, of Blackville, is visiting relatives here.

Mr. Phillip Tallon of Nappan is visiting relatives here.

Mr. and Mrs. Joseph Wheeler and Mr. and Mrs. Herbert Wheeler, of Calais, and Mrs. Geo. Holmes of Los Angeles, arrived here this week by auto and are visiting relatives and friends.

Miss Bertha Savage was called to Campbellton by the serious illness of her sister, Miss Vesta who has been ill for some weeks following an operation at Victoria Hospital.

MANY BODIES WASHED ASHORE

Dallas, Texas, Sept. 16.—A staff correspondent of the Dallas News sends the following from Sinton, Texas: "Seventy-seven bodies, black with oil and some unrecognizable, were washed ashore on the north side of Nueces Bay today."

A Veteran Exhibitor

Ex-Warden John Scott of this city now in his 89th year is probably the oldest exhibitor at the Fredericton exhibition. He had some garden corn on exhibition and was awarded a second prize.

Changes at Hospital

Miss E. Groom who has been in charge of the operating room at Victoria Public Hospital for some time is shortly to relinquish her position and may take a post-graduate course. Miss Harshaw who has had extended experience in large hospitals has been appointed to succeed her.

Pretty Quick Work.

Mr. Morgan, of the Dominion Poultry Department, gives daily demonstrations in the killing and dressing of poultry at the Exhibition. He holds forth in the poultry house and always has a crowd of interested spectators. Yesterday he killed and plucked a year old hen in less than three minutes.

Addressed Students

The Forestry Car which has been exciting a great deal of interest here is leaving on Saturday to take part in the Chatham Exhibition. Mr. Robson Black of Ottawa addressed the Provincial Normal Students yesterday at the Gaiety Theatre. Four reels of pictures of fire protection and forest conservation were shown to the students free. The pupils of the Fredericton High School were also given an address on Tuesday. Mr. H. C. Coates left for Montreal last evening and Mr. Robson Black left for Ottawa.

Changes in Queens County

The Royal Gazette of this week contains notice to the effect that His Honor the Lieut. Governor has been pleased to remove John R. Dunn of Gagetown for the office of Clerk of the Peace, Clerk of Circuit Court, Clerk of County Court, Registrar of Probate and Master of Supreme Court for the County of Queens. Francis M. O'Neill of Gagetown has been appointed to succeed Mr. Dunn in all offices except that of Master of the Supreme Court. Mr. O'Neill is the eldest son of Mr. Hugh O'Neill of Fredericton and recently located at Gagetown to practice law. He served overseas with the Canadian Expeditionary Force for several years.

Have you forgotten anything in the line of toilet articles, sundries, and household needs? We carry a full line of your wants.
