AMERICAN AND FRENCH SAILORS CLASH WITH GERMAN SEAMEN

Copenhagen, Aug. 21.—Collisions occurred between German and American sailors on Tuesday at Neufahrwasser and resulted in the wounding of several civilians and one German seaman, according to Danzig despatches received here today. Neufahrwasser is a seaport four miles north of Danzig.

The disorders grew out of a quarrel that arose in a dance hall Monday night, according to the despatches. Americans involved in the disturbance, which was continued in the streets after the sailors left the dance hall, returned to their ship, the American destroyer Hale. On Tuesday seamen on leave from the German cruiser Frankfort came to blows with American sailors, and it was said civilians also attacked them. The Americans, supported by French seamen from the destroyer Claymore, charged the crowds. Shots were said to have been fired from the Claymore, wounding four Germans slightly. Frontier guards who were called out dispersed the crowds and the Americans and French returned to their ships.
