

## NO MORE KIDNEY TROUBLE

Since He Commenced to Take "Fruit-a-tives"

78 LEES AVENUE, OTTAWA, ONT.  
"Three years ago, I began to feel run-down and tired, and suffered very much from *Liver and Kidney Trouble*. Having read of 'Fruit-a-tives', I thought I would try them. The result was surprising.

*I have not had an hour's sickness since I commenced using 'Fruit-a-tives', and I know now what I have not known for a good many years—that is, the blessing of a healthy body and clear thinking brain."*

WALTER J. MARRIOTT.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

## MAYORALTY CONTEST IS POSSIBILITY

Nominations Being Made at Marysville—Train Service the Cause of Much Complaint.

Marysville, April 1st.—Considerable interest is being taken in the civic election which will take place on Monday next. That there will be a contest for the mayoralty seems a certainty. The present incumbent will offer for re-election and will be opposed by Coun. Harry Stephenson. Another gentleman has been mentioned in connection with the nomination for Mayor but as to whether or not a three-cornered contest will develop is quite uncertain. It is rumored that there will also be a three-cornered contest in ward No. 1 for Councillors. Tomorrow is nomination day and just who the other candidates will be is quite problematical.

Mrs. A. D. MacPherson and son Robert left this morning on a visit to relatives at St. John.

Mayor Stafford has received word from St. John to the effect that his son Mr. G. W. Stafford is ill with influenza there. His sister Miss Nellie Stafford of the nursing staff of Victoria Hospital left for St. John last evening to be with her brother. Mr. Stafford has lately returned from overseas.

The Canadian Northern Railway provided an extra train for the accommodation of the cotton mill help this morning, from Fredericton and Devon. The change in the time caused by the adoption of the Daylight Saving by the railways has resulted in considerable confusion. It has also been pro-

## OPPOSITION MEMBERS HEARD ON THE BUDGET

(Continued from Page Two)

\$13,282.92. In his opinion a change in regard to Statute labor on the highways was much needed. In his part of the country Statute Labor was performed in a very slipshod manner.

HON. MR. VENIOT—You are right there.

MR. HUNTER, Continuing, severely criticized the operation of road plows in his section of the country, and advocated the use of gravel instead. He also urged that there should be a change in the methods of road tax collection. Up to last year, supervisors had collected the money but last year the tax collectors collected the road taxes. The result was that the supervisors did not hand in the lists until autumn and the money was not expended. He objected to the road tax being forwarded to the Provincial Treasury and urged that the supervisors be permitted to handle it. In York County \$9,147 had been collected in road taxes and not expended. He hoped the Hon. Minister of Public Works would see fit to go over the York County roads in the spring and do his best to have them improved.

He directed some criticism towards the Agricultural Department. In 1917 that Department supplied seed grain to farmers taking notes in payment. He did not know if all those notes were paid or not. In 1918 with the great scarcity of seed grain the Department should have foreseen the situation and bought on a low market. Instead the Department bought when the market was at its highest point and the seed cost the farmer \$1.40 to \$1.45 per bushel.

Even with that the Department put the burden on the shoulders of the municipalities for the selling and distributing of the seed and now attempted to take credit for what had been done. The transaction also was open to criticism because it was entirely in cash. No credit was allowed and the poor man suffered. The man with money could have bought from the dealer, anyway. The poor man borrowed the money, or went without the seed. Speaking of the stumpage, the speaker criticized that on railway ties. Under the former arrange-

ment ties had been divided into two classes on which the stumpage was five cents and two cents per tie, respectively. Now there were three grades, No. 1, No. 2, and undersize. It was not fair to pay the same stumpage on undersized tie as on No. 1 for one was worth just half of what the other was. There should be a sliding scale. On a basis of superficial feet stumpage on ties amounted to \$5 per thousand while on sawn lumber it was only \$2. In other words the man who hewed paid almost three times as much as the man who sawed. The speaker characterized the amended Game Act as the rawest deal ever handed out to the people. Under it a citizen was required to pay \$2 to get a license to inform on his neighbor. The prohibition of the sale of meat had been very irksome and it had not resulted in the preservation of the game. To the Hon. Minister of Health he would say that the Public Health Act imposed too great a burden on the province and provided too many officials who were more interested in drawing a salary than in protecting health. For the Hon. Premier as a business man with whom he had had dealings for twenty years, he had every respect. But as a politician and a leader he had been disappointed in him.

At the time of the formation of Union Govt. he had not declared himself and another instance of his weakness was his conduct in relation to the vacancy in Carleton County. It was not sufficient to say that the previous administration had permitted vacancies. No party should permit seats to remain vacant. With regard to returned soldiers he believed the gov't. should do more for them. Whenever a good fat position was vacant a soldier was turned down. Any gov't. measure for the benefit of soldiers which he would think proper would receive his support.

ductive of much inconvenience to scholars attending school at Fredericton, as the afternoon train leaves at 3.30 and the next train at 5.30 which necessitates there waiting for an hour and a half in the afternoon, and they also have a wait of the same duration in the morning, owing to the early departure of the suburban from Marysville.

"Hypocrites in the Church and out" was the subject of an eloquent sermon by Evangelist Bell at the Methodist Church last evening. A large number were present and much interest is being taken in the mission.

Corp. Earle Smith of the U. S. Artillery now stationed at Boston has returned there after visiting his parents Mr. and Mrs. Alfred Smith.

## TO PROTECT THE GANNETT

Ottawa, April 2.—Measures have been taken by order in council to prevent the destruction of the gannett and other birds on Bonaventure island and Perce Rock, the great bird rocks group in the Gulf of St. Lawrence. These islands are the last remaining breeding places of the gannett on the North American continent.

Next time you cook corned beef try a piece from the navel, flank or brisket. These cuts are cheaper than the rump, and you will find them more juicy.

Try vinegar and salt for cleaning brass or copper. Apply this hot and then thoroughly wash it off to prevent speedy tarnishing. A little oil rubbed on the metal after washing it will more effectually prevent tarnish.

## NO CONSTIPATION NO PILES

We think without a doubt, that constipation is the most prevalent and at the same time one of the greatest troubles human nature is afflicted with, and causes more sickness than anything else.

Unless a free action of the bowels occurs at least once a day, constipation is sure to ensue, then comes the sore and uncomfortable piles, sick and bilious headaches, coated tongue, obnoxious breath, sour stomach, heartburn, water breath, and many other ailments.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus removing the constipation and its allied troubles.

Mr. Dan Doucette, Eel River Crossing, N. B., writes: "Having been troubled for years with constipation and trying everything I knew of, a friend advised me to use Milburn's Laxa-Liver Pills. I used four vials and am completely cured. I can gladly recommend them to anyone who suffers from constipation."

Milburn's Laxa-Liver Pills have been used with the best results by thousands of people in that time, and we have yet to hear of a complaint as to their curative powers.

Price 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto Ont.

## THE BISHOP OF FREDERICTON ON WAR SAVINGS

Bishop Richardson Says Movement Will Commend Itself to All Right Thinking People.

In a recent statement endorsing the War Savings movement Bishop Richardson says:

"The decision of the Government to establish in the Dominion the War Savings Stamps system is one that will be most heartily commended by every thoughtful person, and ought to meet with a very large measure of support. Its primary purpose, I suppose, is to make it possible for the rank and file of Canadian people to take an effective part in the national task of meeting the tremendous financial burdens that have come upon us with the war. By the conditions under which the ordinary war loans have been floated, a large part of the population was almost necessarily excluded from taking a share in this patriotic duty. The War Savings Stamps system renders it easy for every wage-earner to make at least some direct contribution to that important end.

But apart altogether from the immediate value of the system in this regard, the enterprise is to be commended in that it can hardly fail to promote and foster amongst Canadians generally those habits of thrift and saving, for which in the past they have not been very conspicuous. The really wealthy nation is not the nation which has at its command the largest material resources, but the nation whose people as a whole have acquired the habit of always spending a little less than they earn, and of wisely investing the sums so conserved. It is not too much to hope that the War Savings Stamps movement will to no small extent help in that sense to make Canada a wealthy nation."

## BELGIANS ARE REPATRIATED

London, April 1.—More than 79,000 Belgian men, women and children have been repatriated and its expected that this number will have increased to 100,000 by the end of April. Two large ships leave London every week crowded with returning refugees.

It is estimated that at least 100,000 Belgians at present in the British Isles have expressed an intention not to go back to Belgium, and they will probably remain at work here.

## WETS WON IN CHICAGO

Chicago, April 2.—The pronounced wet vote in the election here yesterday was said by "Personal liberty" leaders to mark the actual beginning of a campaign to repudiate national prohibition. The wet vote was 391,260; the dry 144,032. Four out of every five men voted wet, and three out of every five women did the same.

The wash wringer usually wears out first at the ends where pressure is used. If you take several yards of twine and wind this evenly along the roller, being careful to wind it very close, even when the rubber is thin, you will save the expense of a new roller.

The Germans dug in; then they dug out; now they must dig up.

## C. P. R. AND DAYLIGHT SAVING

Commencing Wednesday, April 2nd, the St. John city retail and wholesale merchants have decided to adopt the daylight saving plan. For several days the early morning express leaving Fredericton has been running one hour later than her usual schedule, but will now revert to original schedule and arrive in St. John at 8.55 a.m. Atlantic Daylight Time. The afternoon St. John-Fredericton express will also revert to original schedule and will leave St. John at 5.10 p.m. Atlantic Daylight time.

The St. John Times, after quoting extracts from speeches delivered by Mr. B. F. Smith during the Carleton by-election, in which he claimed to

## Canadian National Railways

OPERATING ONE HOUR EARLIER

Important Daylight Saving Change of Time at Two a.m. Sunday, March 30th, 1919.

All clocks and watches used in operation of Canadian National Railways will at 2 a.m. Sunday, March 30th, be advanced one hour. To prevent serious confusion and inconvenience to the public the attention of all concerned is directed to the following conditions resulting from the important change of time.

If cities, towns, villages and other municipal bodies do not change their local time to correspond with the new railway time, all concerned should keep in mind that while trains continue to leave railway stations on present schedule, such schedule will be operated one hour ahead of present local time.

Therefore, any municipality where local time is not changed to correspond with the new railway time, passengers must reach railway stations one hour earlier than shown in current folders and public time posters.

Where municipal time is changed to correspond with the new railway time, passengers will not experience difficulty growing out of the change.

## SALE OF SURPLUS MILITARY AND NAVAL STORES

DRY GOODS, CAMP SUPPLIES, FOOD, HARDWARE, SCRAP METAL, JUNK

Cloth; new and second-hand Clothing, Equipment, Hardware, Tents, Blankets, Camp Supplies, etc.; Flour, Jam, Canned Evaporated Milk, Tea, Coffee, etc.; Condensed Clothing, Junk, Old Brass, Metals, Leather, Rubber, etc.

## SALES WILL BE MADE BY SEALED TENDER

Persons desiring to tender are requested to communicate with The Secretary of the War Purchasing Commission, Booth Building, Ottawa, stating the items in which they are interested, whether new or second-hand or both.

Arrangements will be made to have samples on exhibition at places throughout Canada; specifications, full details and tender forms will be mailed when ready to those who have registered as suggested above.

IF INTERESTED PLEASE APPLY NOW.

### Institutions May Make Direct Purchase Without Tender

Dominion, Provincial and Municipal departments, hospitals, charitable, philanthropic and similar institutions which are conducted for the benefit of the public and not for profit may purchase goods without tender at prices established by the War Purchasing Commission.

All communications should be addressed to the Secretary, War Purchasing Commission, Booth Building, Ottawa, who will be glad to supply lists and further details to those interested.
