INCREASES YOUR WEIGHT,
RESTORES LOST STRENGTH

PREVENTS ILLNESS

Every day come new converts to that
great army of men and women who re-
joice in new-found health that came to
them through the use of that wonder-
ful blood-renewing preparation called
"FERROZONE." Very simple now
it acts. All you have to do is take two
small chocolate-coated tablets with a
sip of water at the close of each meal.

Ferrozone is a marvel. It contains
just what thin blood lacks—lots of
iron, but mark you, the kind of iron
your blood is able to absorb. Ferro-
zone puts life and vim into the blood.
Makes it rich, red and nourishing. Na-
turally the body is better fed and grows
stronger day by day.

Of course digestion must be im-
proved, and probably the stomach will
require aid as well. Ferrozone serves
the purpose admirably. Those who
use it, enjoy appetite and digestive
powers far beyond the ordinary.

That tired feeling is replaced by the
buoyant, joyous sensation of health
and vigor. Day by day as your strength
increases, you feel new energy surging
through your veins, and know that
a great tonic of great merit is at work.

No remedy more nourishing or up-
lifting, no treatment so sure to bring
lasting health, good spirits and con-
tentment. Ferrozone contains just
what run-down folks need; it cures
because it supplies more nutriment
than you can get in any other way.

DROWNED WHEN
HIS MOTOR BOAT
WAS BURNED

St. John, Sept. 11.—A motor boat in
which Roy Shaw, aged 18, was cruising
along off Pocologan, 30 miles from
here, on the Bay of Fundy coast, last
evening caught fire. He leaped over-
board to swim ashore but became ex-
hausted and sank. The body was re-
covered.
