

## FREQUENT HEADACHES.

## A Sure Sign That the Blood is Watery and Impure.

People with thin blood are much more subject to headaches than full-blooded persons and the form of anaemia that afflicts growing girls is almost always accompanied by headaches, together with disturbance of the digestive organs.

Whenever you have constant or recurring headaches and pallor of the face, they show that the blood is thin and your efforts should be directed toward building up your blood. A fair treatment with Dr. Williams' Pink Pills will do this effectively, and the rich, red blood made by these pills will remove the headache.

More disturbances to the health are caused by their blood than most people have any idea of. When your blood is impoverished the nerves suffer from lack of nourishment, and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders, try building up the blood with Dr. Williams' Pink Pills, and as the blood is restored to its normal condition every symptom of the trouble will disappear. There are more people who owe their present state of good health to Dr. Williams' Pink Pills than to any other medicine, and most of them do not hesitate to say so.

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HAD A VERY BAD ATTACK  
OF

## BOWEL COMPLAINT

IT WAS CURED BY  
**DR. FOWLER'S**  
EXTRACT OF WILD STRAWBERRY

Any one suffering from bowel complaints such as diarrhoea, dysentery, colic, cramps and pains in the stomach summer complaint, etc., will find that Dr. Fowler's Extract of Wild Strawberry will give quicker and more permanent relief than any other remedy on the market today.

This old tried and proven medicine has been on the market for the past 74 years. You don't experiment when you buy it. Surely the test of time proves this.

Mrs. Daniel Hartwick, Mountain Grove, Ont., writes: "I used Dr. Fowler's Extract of Wild Strawberry and have found that it is a good remedy. When my little girl was 2 and one-half years old she had a very bad attack of bowel complaint. Nothing prescribed by the doctor seemed to do her any good. She got worse, until we thought we would lose her. I got a bottle of Dr. Fowler's and she soon found relief. Every one who has children should not be without it in their home."

Price 35 cents a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

BARBER SHOP  
FOR WOMEN

New York, Sept. 11.—New York's first barber shop for women has been opened at the Hotel Majestic. It is under the management of Mme. Blanch Tredeaux. The bobbed hair of the residents of Greenwich village caused jealous pangs among the inhabitants of the less Bohemian sections of the city. Hence the shop.

KEEP CHILDREN WELL  
DURING HOT WEATHER

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel troubles, or if trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Woodstock Sentinel: Miss Margaret Hall, of Fredericton is visiting Mrs. A. D. Holyoke. On Tuesday evening, Mrs. Holyoke entertained a few young people at a dance for the pleasure of her guest.
