United Conference

The united deaneries of Woodstock and Frederiction propose holding a forward movement conference, similar to the one held in Chatham last month The bishop will probably preside and give the address.

To find a precedent for many of the foolish things men do, we must go back to Thompson's colt, which swam across the river to get a drink.

"Goat" is the label many a man has had to wear because the public doesn't want to give him the deserved and and dignified designation of "martyr.

It has always seemed to me, however, that if anything takes the sense of humor out of a woman, it is marriage.

Sometimes I think this is the reason that women have been labelled as non-humorous and honestly I really can't understand it myself, but I wonder if wives ever notice how much easier it is to laugh at the stories of the man who is not your husband than the series of supposedly humorous anecdotes which your husband perpetrates periodically.

I suppose I would have thought it very funny if Richard had heen talking with someone else besides Theo and referred to their former peccadillos. While I am very glad indeed to have Theo forget the terribly tragic events which we have been passing through yet I cannot help at times feeling rather queer proposed Contract for four years, 6 ly over his ability to go joking over the very same things which per week on the Maugerville led up to these tragic happenings.
