## LLOYD-GEORGE WILL INSIST THAT HOLLAND HAND OVER EX-KAISER

**Is Determined That the Matter be Settled at Once by the Peace Conference — The Ex-Kaiser is Charged by the Peace Conference With a Supreme Offence Against International Morality and the Sanctity of Treaties.**

Paris, Sept. 16.—Premier Lloyd George is determined to have it settled that the Peace Conference demand from Holland the handing over of former Emperor William, according to Le Journal today. The newspaper asserts that the Premier, who is planning to leave Paris today, will insist before his departure upon having such action decided upon.

The Peace Treaty with Germany arraigns William Hohenzollern, the former German Emperor, for a supreme offence against international morality and the sanctity of treaties, and provides for a special tribunal to try him. The clause of the treaty dealing with this question closes with this sentence:

"The Allied and Associated powers will address a request to the government of the Netherlands for the surrender to them of the ex-Emperor, in order that he may be put on trial."

### THE SUPREME COUNCIL WILL ASK GERMANY TO

#### WITHDRAW TROOPS FROM THE BALTIC STATES

The Supreme Council has agreed to send a note to Germany saying the Peace Conference disregards the German representations that General Von der Goltz and the German troops in the Baltic States are not under German control, and holding Germany responsible for the speedy withdrawal of those forces.

Marshal Foch attended the council today as advisor on the Baltic situation.

German representatives have withdrawn from the International Commission because the principles fixed by the commission for the drafting of regulations regarding the distribution of fuel are "irreconcilable with the agreements concluded at Versailles," according to a statement issued here.

#### RUSSIANS HAVING SUCCESS.

Russian troops on the Archangel front are carrying out a successful offensive against the Bolsheviks in the railway sector, says an Archangel message received here. Russian volunteer troops, it is announced, have occupied the town of Onega, which was taken by the Bolsheviks in one of their recent drives northward.

## CALGARY EXTENDS VERY HEARTY WELCOME TO PRINCE OF WALES

Calgary, Sept. 16.—For the first time His Royal Highness the Prince of Wales today spoke straight to Canadians of their national duties and national problems. At the civic luncheon he spoke of his enjoyment of the atmosphere of the prairies and his appreciation of the magnificent spirit of the western Canadian people from the earliest pioneers to the present. He urged the assimilation of alien human material and asserted that nothing could set Canada back except the failure of different classes and communities to look to the wider interests of the Dominion as well as their own immediate needs.

Calgary's welcome to the Prince of Wales at the official opening of his visit to this city this morning was only the warmer for the fact that His Royal Highness had been in town 24 hours before the mayor formally read the city's address of welcome in the presence of nearly 35,000 citizens in Victoria park. His Royal Highness and a few members of his staff left Calgary after the civic luncheon for George Lane's ranch near High River, where he will spend thirty-six hours on a quiet private visit, during which he will see a round-up of cattle.

Steamship people here say that 100,000 Chinese are to be repatriated through Canada.

#### Capt. Porter Appointed.

Friends of the Rev. F. S. Porter, formerly pastor of the German Street Baptist Church, St. John, will learn with satisfaction of his appointment as field secretary for District No. 1 of the Canadian Bible Society. This district, including the Maritime Provinces and Newfoundland, was formerly under Rev. H. R. Boyer, who resigned to accept a Halifax call. Capt. Porter's choice is satisfactory alike because of his many qualifications and because it comes as an appreciation of one who rendered splendid services overseas. He is entering on his new duties at once.

## Gulf Hurricane Brought Death to Scores of People

### G. W. V. A. MAN RUN OUT OF QUEEN'S PARK

London, Ont., Sept. 16.—William E. Turley, secretary of the Ontario Branch of the G. W. V. A., who has tendered his resignation because of much adverse criticism of his attitude in opposition to the proposed \$2,000 gratuity, was practically run out of Queen's Park tonight by a crowd of veterans. Mr. Turley had braved the known opinion of members of the league and had gone to the meeting to explain his stand, but he was not given an opportunity.

By hooting and booing the veterans made it amply manifest that they did not wish to hear Mr. Turley. Comrade Turley, nevertheless, twice attempted to speak. Things began to look serious for him when the crowd assumed something of the appearance of an angry mob. He finally made his escape on a street car.

## BOSTON FIREMEN WILL NOT JOIN IN A SYMPATHETIC STRIKE

**Second Week of Boston Police Strike Finds Little Change in the General Situation—Authorities Engaged in Reconstructing Police Organization.**

Boston, Sept. 16.—Officers of the fire department will not join in a sympathetic strike to aid the policemen. This was announced today after a meeting of the directors of the Officers' Club, which represents 15 per cent. of the fire fighting forces of the city. The vote was unanimous.

At the same time Fire Commissioner John E. Murphy announced that he had "reason to believe" that the firemen as a whole would remain loyal to the city. A special meeting of the directors of the City Firemen's Union called for last night did not adjourn until early today, and at its close nothing was given out with regard to the deliberations.

#### No Change in the Situation.

On the whole the second week of the strike opened with no material change in the situation. The policemen's union and the trade unions which have already endorsed the strike appeared to be marking time until the full strength of the sympathetic vote, which is being taken among various affiliated locals, could be determined.

Commissioner Curtis of the Police Department, whose acts have been endorsed by Governor Coolidge, indicated that the authorities were busily engaged in the reconstruction of the police organization, but at the same time diligently preparing to meet any emergencies.

An announcement that Mayor Peters and Commissioner Curtis had agreed on a minimum addition of \$300 to the pay of the police, it was believed, would result in a marked increase of the number of applicants for positions. The increases would bring the minimum pay of policemen up to \$1,400.

**A Tidal Wave Ten Feet High Sweeps Over the Business Portion of the City of Corpus Christi —Property Damage is Estimated at Upwards of 4,000,000 — Fishing Launch With Fifteen Persons on Board is Missing.**

New York, Sept. 16.—Amounting death list and extensive property damage was shown in reports early this morning from the Texas coastal region swept by a tropical hurricane from the Gulf of Mexico last Sunday.

Varying reports placed the death list at from 25 in Corpus Christi alone, to more than 130. The latter figure included reports of bodies recovered in Mueces Bay, on which Corpus Christi is situated.

Property damage in Corpus Christi alone was estimated at more than \$4,000,000, while many cities and towns along the coast in the vicinity of that place also suffered heavily.

#### RELIEF TRAINS ARE HEADING TOWARD THE

##### STRICKEN CITY FROM MANY PARTS OF THE STATE

Corpus Christi, Texas, Sept., 16.—With troops patrolling the main streets and relief trains headed this way from many parts of the State, Corpus Christi today began slowly emerging from the wreckage caused by the Gulf hurricane which struck the city early Sunday bringing death to an unknown number of people and doing property damage of millions.

It was impossible this morning to get anything like a correct estimate of the fatalities. In the city proper the death list was placed by some officials at between 15 and 26 but that was regarded by many as far too conservative. In some quarters it was said the number of injured would exceed 200. One report in circulation today, but as yet unconfirmed, was that 120 bodies, most of them recognized as residents of Corpus Christi, had been taken from a reef near Portland-on-Nusces Bay upon which Corpus Christi is situated.

#### PROBLEM OF TAKING CARE OF 3000 HOMELESS

##### PEOPLE A SERIOUS ONE FOR THE AUTHORITIES

More than three thousand persons were made homeless by the storm and the problem of taking care of them was one of officials faced when they began the day. However, with the coming of relief trains, it was expected that by night most of those made destitute by the storm would be taken care of.

Considerable anxiety was expressed regarding the fate of the launch Waldo with 15 persons aboard, which left Corpus Christi Saturday afternoon on a fishing excursion. Since the storm no word has been received from the party, which includes four women.

Fears are entertained that a heavy casualty will be reported from surrounding towns, several of which were directly in the path of the storm.

#### EVERY STORE IN BUSINESS SECTION OF CITY

##### WAS UNDER WATER FROM EIGHT TO TEN FEET

The storm sent a tidal wave ten feet high over the business and north beach districts of the city. The water was about four feet deep in the lobby of the Nusces Hotel, and every business house between the Bluff and the Bay was under water from eight to ten feet.

That the loss of life was not appalling was due to the prompt warning sent out to the lower portions of the city early Sunday morning, urging all persons at exposed places to seek safety in the higher districts of the city. All day Sunday hundreds of persons carrying their most valuable personal belongings poured out of the Bay front district into the higher sections. Hundreds of others who remain-

ed in their homes until the water had reached a dangerous depth were brought to safety by volunteer rescue parties which kept a sharp lookout in the flooded districts during the height of the storm.

Military rule was invoked yesterday and no one was allowed to enter the wrecked portions of the city. All food-stuffs that had escaped damage by water were sold under direction of the city officials, one day's rations being allowed to a customer.

The city was in darkness last night and a large portion was without water and sewage facilities.

Railroads are reported to have been badly damaged, and only a few lines will be able to operate for days to come.

## THREE WOUNDED IN STREET FIGHT

Montreal, Sept. 16.—Two children and a man were slightly injured and three men were placed under arrest as the result of a shooting affray that occurred at the corner of Burnside and Victoria streets this evening. The injured are Katie Hopkins, 18, bullet wound in the leg; George Alman, 14, bullet scratch on knee, and Thomas Kiely, cut on jaw and a blow on the head.

The shooting occurred around seven o'clock. Kiely stated that he had gone out to do some shopping when he saw four men standing near the house.

One was bleeding from a cut on the head. His little girl said the man had been fighting. The men then attacked him, pulling a revolver and saying they would kill him. Kiely seized a baseball bat from a passing boy and struck one man. He fired and the bullet, glancing from a wall, struck the girl and a boy who were standing near. The men ran away, but were pursued and caught and handed over to the police.

Dr. S. H. McKee, C. M. G., of Montreal is here attending the exhibition and is the guest of his mother Mrs. S. H. McKee, King Street.
