### OF INTEREST TO WOMEN

#### WOMEN IN THE NEWS.

Francis X. Bushman Claims That  
Wife No. 1 Has Ruined Him.

Mrs. Josephine Bushman, first wife of the actor and movie star, Francis X., has won. She has compelled him to pay all the back alimony and other items and left him with his new wife as he claims, very short of ready money, hard up and nothing coming in. Bushman is depressed and says his former wife has just about ruined him. The publicity given her suit for divorce, in the first place put him in a bad light, he avows, inasmuch as she made generalization charges of cruelty when there were no acts of such a nature. Then when it was learned that there was another woman, his wife played that up too and in every way showed F. X. that the old axiom concerning a woman scorned was true. Now he can't get an engagement, and his last picture was made a year ago. He has lost cast with the movie fans too, an altogether the wife of his youth, cast aside for a younger one in prosperity's time, has made him pay dearly. It was 17 years ago that she married him, while he was getting \$12 a week. She was working too, and kept at it in order to help out and give him a start. She says she made him and now that he is face to face with trouble of his own making, wife No. 2, who was Beverly Bayne, can have him. Surely it is now up to the film companies to feature Mrs. Josephine Bushman now.

Mrs. Annette Sperry Moore, with her two sons and daughter, have arrived at Greenwich. She denies she is or will be reconciled to her husband, Major Charles A., of Manning, Maxwell and Moore. The major would like to make up, it is said, and the \$1,000 a month alimony has no bearing on his desire. He is coming down weekly to see the children and friends wouldn't be surprised if the former intimate of Col. Roosevelt and of Admiral Peary, with whom he made an Arctic voyage, make up.

Mrs. Constance Simon-Bergauer, the girl bride of the rich New York lace manufacturer, is at home with her papa, Joseph M. Simon, theosiery magnate, and she will stay there, according to him. Meanwhile the husband, who successfully fought annulment proceedings, has sued his father-in-law for alienation. For some time Simon's cooed chauffeur acted as letter carrier, but Pa Simon found it out and fired the amateur Burleson.

Mrs. Herbert Wadsworth, the famous woman horse breeder of the Genesee valley, New York, has been honored by the Federal government in appointment as a specialist in the work of animal husbandry. The government, mindful of war losses of horseflesh, plans big aid in re-establishing the horse industry, and Mrs. Wadsworth, who has achieved great success in producing half and three-quarter breed stock, was chosen because Washington recognizes her ability as far above any of the men considered for the post.

### Is Your Nose Plugged? Have You Catarrh?

If Subject to Colds, Here is Real  
Good Advice.

Don't load your stomach with cough syrups. Send healing medication through the nostrils—send it into the passages that are subject to colds and catarrh. Easy to do this with Catarrhazone, which cures a cold in ten minutes. Even to the lungs goes the healing vapor of Catarrhazone—all through the bronchial tubes, nostrils and air passages—everywhere a trace of disease remains will Catarrhazone follow. You'll not have colds, nor will you suffer from sniffles, bronchitis, or throat trouble if Catarrhazone is used. Get it today but beware of dangerous substitutes meant to deceive you for genuine Catarrhazone. Large size, two month's treatment, costs \$1.00; small size, 50c; sample size, 25c; all dealers or The Catarrhazone Co., Kingston, Canada.

The more elaborate capes show figured chiffon linings.

White collars are used on brightly colored sweaters and the ecrú is kept for such tones as dark blue, black, deep cigar brown.
