THE CAKE SEASON.

Fruit Layer Cake.

Beat two eggs until light, add gradually 1 cup of powdered sugar and beat two minutes. Stir in one-third cup of hot water, then add 1 cup of flour mixed and sifted with one and three-quarter teaspoons of baking powder and one-eighth teaspoon of salt. Bake for 15 minutes in two greased and floured layer cake pans.

Steam one-quarter cup of seeded raisins and one-quarter cup of chopped figs until tender. Add half a cup of chopped dates and two-thirds cup of maple syrup. Cook until thick enough to spread and place between the layers. Cover the top with plain icing and sprinkle with chopped nut meats.

Caramel Cake.

One cupful of sugar, one cupful of milk, two cupfuls of flour, butter size of an egg, two teaspoonfuls of baking powder, half cake of Baker's chocolate grated. Bake in layers.

Filling or Icing—Half cupful of granulated sugar, half cupful of milk, piece of butter the size of a hickory nut, boil ten minutes. Flavor with vanilla.

Molasses Fruit Pudding.

To 1 cup of sweet milk add 1 cup of molasses, 1 cup of finely chopped suet and 1 teaspoon each of salt, cinnamon and allspice. Stir in three cups flour, mixed with 1 level teaspoon of soda, 1 cup of raisins, 1 cup of currants and 1 cup of mixed citron and candied orange peel. Beat well, turn into greased molds, cover well and boil steadily for three hours. Serve with foamy sauce.

Cheese Cake.

One cup milk, pinch of salt, three-quarters cup of sugar, 1 tablespoon cornstarch, eggs, half cup of grated cheese. Scald the milk, add the sugar, salt and cornstarch dissolved in a little cold milk. Stir over hot water until the mixture thickens then add the beaten eggs and last the cheese, mixed with a little extra milk. Line one pie plate or a number of small patty-pans with paste; fill with the mixture and bake until the cheese custard is firm.

FASHION BRIEFS.

Black velvet is strikingly embroidered with jet sequins in some of the new gowns. One especially good looking combination is shown in an evening gown embroidered on the skirt with jet to a knee depth.

Knights in armor from the motif in a printed silk from which a good slip-on blouse is made. The sleeves are in gray georgette, which harmonizes well with the neutral background tone of the silk.

Fur stoles with outside patch pockets are among the comfortable as well as smart, fur pieces of the autumn. One lovely one, made of squirrel in natural gray is lined with flame colored crepe.

Ivory is coming in for a good deal of attention this season. There are some excellent bracelets of deep colored ivory, carved and etched. Then there are ivory clasps on some of the new fur pieces. Yellowed bone is also used for fur clasps with good effect. Sometimes, too, ivory or bone clasps and buckles are used on frocks of velvet, tricolette and serge.
