

## MOST EVERYONE USES THEM FOR THE STOMACH

They Act Quickly, and Make  
You Feel Lively as a Kid.

A crowning curative triumph in medicine is now given to the world, and all who have been sufferers from stomach ailments, indigestion and headache can be cured by a purely vegetable remedy.

Calomel, salts and such like are no longer necessary. They are harsh and disagreeable. Science has devised something far superior, and you can go today with 25c to any druggist and buy a box of Dr. Hamilton's Pills, which are considered the very quickest and safest cure for the stomach, bowels, liver and kidneys.

Half sick men and women who scarcely know what ails them, will be given a new lease of life, with Dr. Hamilton's Pills. Depressed spirits, disappear, headaches are forgotten, appetite increases, blood is purified and enriched, pains at the base of the spine are cured, the nerves are toned up, ambition to work is increased, and day by day the old-time health and vigor return.

A trial only is necessary to prove how beneficial Dr. Hamilton's Pills are to all who are weak, nervous, thin, depressed or in falling health.

You never can tell—even the light sleeper may prefer to sleep in the dark.

## ENCOURAGING THE SHEEP INDUSTRY

INDUCEMENT TO USE A PURE BRED RAM AT THE  
HEAD OF YOUR FLOCK OF SHEEP.

THE NEW BRUNSWICK DEPARTMENT OF AGRICULTURE are co-operating with the Dominion Live Stock Branch in encouraging the use of Pure Bred Rams.

### Persons Eligible.

Any sheep raiser who purchases a pure bred registered ram and who has not before at any time used a pure bred ram in his own flock, shall be entitled to a premium of ten dollars the first year, five of which will be paid by the New Brunswick Department of Agriculture and five by the Dominion Live Stock Branch, and an additional premium of five dollars the second year, payable by the Live Stock Branch. Applications for premiums to be sent in to Live Stock Division, Department of Agriculture, Fredericton, not later than December 1st.

### Co-operative Purchasing of Pure-Bred Stock.

The Dominion Live Stock Branch will pay the travelling expenses to any point east of Fort William, Ontario, of any accredited man appointed by a Society, group of Societies or group of farmers who have orders to purchase at least twenty-five pure bred rams for farmers never having used a pure bred before. This same person has the privilege of making purchases of other live stock or rams for any farmer while on the trip, so long as the minimum of twenty-five rams are purchased as outlined above.

### Grading of Pure Bred Rams in New Brunswick.

The services of Professor Sackville, of Ontario Agricultural College, have been secured to visit each pure bred breeder in the province and classify the rams offered for sale into three grades, superior, average and common. By purchasing your rams in the province, farmers can write any breeder of pure bred sheep and be sure of getting the class of ram he applies for. New Brunswick is the first province to adopt this classification system. Breeders and purchasers stand to gain by it. The number of rams for sale, together with the price and grade, will be listed with the local Live Stock Division.

### Boys' and Girls' Sheep Clubs.

In order to create a deeper interest among our farm boys and girls in the business of sheep raising, arrangements have been completed to organize Sheep Clubs in the province. Members must be between the ages of ten to eighteen years. Ten members will constitute a Club. Two grade Shearling ewes will be the number allotted to each. Members can get credit from any bank for purchase price of sheep for one year at 6 per cent. interest. The Department will loan a pure-bred ram to any Club with twenty ewes.

For information on any of the above policies, write
