## MINARD'S "KING OF PAIN" LINIMENT

The old reliable remedy for rheumatism, neuralgia, sore throat and sprains.

## Best Liniment Made

Mr. A. E. LAUNDY, EDMONTON, writes: "I fell from a building and received a very bad sprained ankle, and told me I was not to walk on it for two weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best liniment made."

Minard's Liniment always gives satisfaction. For any ache or pain, it gives instant relief.

## COXEY MAY ORGANIZE A NEW ARMY

New York, March 28.—"General" Jacob Coxey, commander of the Coxey's army of unemployed which in 1894 marched to Washington, told the Central Federated Union at its meeting here tonight that if need be he would call a second "army," this time of ten per cent of the citizens of the United States, to march to the capital in protest against national prohibition.

"Within two weeks and 35 days after the time the next special session of Congress is called," the "General" declared, "national prohibition will have been defeated in fact if not in theory." He said that the two weeks would be taken up by him in button-holing every senator and representative in Washington and that the additional thirty five days would allow his militant army of ten per cent, to gather at his call if his personal efforts were unsuccessful.

## TOOK A WISE PRECAUTION

(From the Manchester Guardian)  
An eminent K. C., briefed in a great case, was appointed Judge on the eve of trial. Thereupon his clerk returned the brief with some regret, but not the cheque for several hundred guineas which had accompanied the papers. The instructing solicitor stepped across to the K. C.'s chambers to offer his congratulations and incidentally to draw attention to this little oversight. "Yes," said the K. C., "I quite appreciate your point, but I am really sorry I cannot return the cheque. I would really be very glad to do so, but it would be against all precedent." Said the solicitor: "I quite appreciate your difficulty, and thought there might be something of that kind, so on my way to your chambers I called at my banker's and stopped the cheque."

## TRADE WITH THE YANKEES

(New York Sun)  
What is this marvellous Canada, our next door neighbor and good friend, that it can come into our markets, war times or peace times, and buy from us as no other nation, population unit for population unit, begins to do? Where is there another to be pried by us as we should prize this staunch ally, opulent customer and near-kin? While the war waged we were astonished at the magnitude of Canada's part in it, with only some 10,000,000 inhabitants; at the men, at the money, the supplies Canada sent over; at the materials Canada took from us to help keep the war machinery, the industrial machinery, the business machinery, of the Dominion driving at top speed. But here is the war ended—ended four months ago; and what is Canada still doing in our markets? Only more and better than ever! that is all.

## DEMPSEY IS IN GOOD FORM

Detroit, March 28.—Jack Dempsey boxed six exhibition rounds with Torrey Kellar at Dayton, here tonight. The aspirant to the heavyweight title extended himself at no time but succeeded in keeping Kellar at a safe distance throughout. Dempsey now weighs 197, slightly more than he plans to carry in his forthcoming titular match.

## PRECAUTIONS AGAINST FIRE.

Ottawa, March 28.—In the Senate today a government bill to amend the Insurance act was given a second reading. The amendment is designed to compel householders to take greater precautions against fires. The Senate adjourned until Monday, when a number of important measures are due for consideration.

## Pimples Broke Out All Over Face, Arms and Neck

Pimples are a sure sign that the blood is not in its proper shape. While the skin is the seat of the irritating, unsightly pimples, the real disease is in the blood.

Medicated lotions and powders may allay the itching and irritation, but never cure, no matter how long and faithfully continued, and the condition is often aggravated and the skin permanently injured by their use. The disease is more than skin deep; the entire circulation is poisoned.

Burdock Blood Bitters quickly and effectively cures blood and skin troubles, because it goes direct to the root of the disease and stimulates and restores normal, healthy action to the different organs, cleanses and enriches the blood, and thus relieves the system of all poisonous secretions.

B. B. B. cures permanently because it leaves none of the original poison to ferment in the blood and cause a fresh attack.

They mean an extremely weakened state. writes:—"Last summer I was greatly troubled with pimples breaking out all over my face, arms and neck. I was advised to try Burdock Blood Bitters, and after taking two bottles, the pimples had almost all disappeared. I shall always recommend this remedy to anyone afflicted with skin troubles."

B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto

## BOY GUILTY OF MANSLAUGHTER

Montreal, March 28.—"Guilty of manslaughter with a strong recommendation to mercy, to your Lordship, and that is unanimous" was the verdict of the jury in the Kings bench yesterday to Mr. Justice Desy, in the case of Douglas Edward Stott, the seventeen year old boy who on the evening of January the 17th last shot and killed eleven year old Milton Sheehan.

## TO ADOPT DAYLIGHT SAVING TIME

It has been decided by all railways in Canada, in order to protect their international connections to advance all railway clocks and watches in Canada one hour at 2 a.m. on Sunday, March 30th, to be in accord with the United States action in regard to Daylight Saving Time.

The change is also made necessary, in order to protect commuters' traffic into the larger Canadian cities that have signified their intention of adopting Daylight Saving Time and avoid conflicts between through trains and commuters' trains.

Effective on and after Monday, March 30, all Canadian Pacific trains in New Brunswick will be moved on Eastern Standard Daylight Saving Time, which will mean that their arrivals and departures will be in each case one hour earlier than at present.

To demonstrate: The McAdam local train, No. 101, which now leaves St. John at 7.40 local time, will after Sunday next leave at 6.40 a.m. local time. Corresponding earlier arrival and departure will be made by all other trains with the exception of the early morning train from Fredericton, which for the convenience of commuters coming into St. John will run one hour late pending adoption of daylight saving time in St. John. This train will therefore reach St. John at 8.55 a.m. local time, the same as at present.

The commuters who will be unable to leave on the evening St. John-Fredericton train, one hour earlier than at present, will be accommodated on the St. John-Boston train, which will make local stops at South Bay, Ketepec, Grand Bay, Ononette, Hillandale, Westfield Beach and Sagwa.
