The Treaty With Germans To Be Signed on Saturday

WORKERS FOR THE BLIND IN SESSION

Toronto, June 26.—About 175 representatives from blind institutions and associations in California, Tennessee, Florida, Maryland, Vancouver, Halifax and other cities were in attendance here today at the convention of the American Association of Workers for the Blind. Hon. H. J. Cody, Minister of Education for the Province of Ontario, gave the address of welcome.

H. R. Lattimer, Ph. B., of the Maryland School for the Blind, spoke of the work in Canada, having made a forward stride since the war.

"We are playing up the blind soldier in the United States, not that we have so many of them, but through that plea we will get sympathy and support for the blind civilians of which we have over 100,000," said Charles F. Campbell, of the Red Cross Institute for the Blind, Baltimore.

TO GET AFTER BOMB THROWERS

Washington, June 27.—Provision for vigorous steps by the Federal government against bomb throwers and other anarchists and radicals, declared by government officials to be plotting the overthrow of the government, and spending \$8,000,000 monthly to that end were made in the sundry civil appropriation bill as reported today to the Senate.

This is the Understanding at Paris, Although No Official Announcement Has Yet Been Made—Disappointment in Peace Conference Circles Over the Action of the Huns—Delegates from Germany en Route to Versailles.

Paris, June 27.—While no official announcement has been made up to shortly before noon today regarding the time for the ceremony of signing the peace treaty with Germany, arrangements for the event are proceeding on the understanding that it will occur at three p. m. Saturday.

The Council of Four was in session this morning perfecting the plans for it.

On the advice of the Council of Four the Chinese Delegates have agreed to sign the treaty unreservedly, with the understanding that a protocol later will be added to the treaty stating that they signed with the understanding that Japan would return the Shantung Concession to China within a stipulated time.

DISAPPOINTMENT IN THE PEACE CONFERENCE

CIRCLES OVER SHILLY SHALLYING OF HUNS

Disappointment over what is termed the apparent weakness of the present German Government is not concealed in Peace Conference circles and the feeling has been expressed that the signing of this peace treaty may mean little more than the signing by the Bolsheviks at Brest-Litovsk did.

The defiant tone of the German note which grudgingly agreed to sign the treaty without reservations created an unfavorable impression on Members of the various delegations, according to statements made today, and this seemingly has been intensified by the delay of the Germans in arranging for the carrying out of their promise.

The insistence of the German Government in its replies to the Peace Conference that it cannot check outbreaks due to dissatisfaction with the terms of the treaty has made a bad impression upon delegates here, who generally regard it as an attempt to shield possible military movements.

HUN DELEGATES EN ROUTE

Coblentz, June 27.—Foreign Secretary Hueller and Colonial Minister Bell, the two German Peace Delegates on their way to Versailles, passed through Cologne at 9:45 o'clock this morning, a telephone message from Cologne reported.

A Berlin despatch to the Coblentz newspapers says that the German Delegates understand that they are to sign the treaty at three o'clock Saturday afternoon.

NEW MOVEMENT WILL TRY TO FIND SOLUTION OF IRISH PROBLEM

London, June 27.—The new movement in Irish politics organized by Sir Horace Plunkett and other Irish leaders under the title of "The Irish Dominion League," is receiving great encouragement, according to the Daily Mail. Sir Horace, who was chairman of the Dublin convention, and who has the support of many prominent Irish workers, will issue a manifesto at an early date. The chief object of the League is to secure a settlement of the Irish question along the lines of Dominion Home Rule, and create a representative body of Irishmen, both Ulstermen and Nationalists, who are genuinely anxious to solve the problem and whom the government may consult.

REFEREE FOR THE BIG FIGHT IS NAMED

Toledo, O., June 27.—Ollie Record, official referee of the Toledo Boxing Commission, will be the third man in the ring when Jess Willard and Jack Dempsey meet in their heavyweight championship contest here July 4th. Pets Beat Devon

The Pets defeated Devon last evening in a very close and interesting baseball game by a score of 4 to 3. The match was well played on both sides with scattered hits and good fielding. The batteries were Pets, Wheeler and Larsen; Devon, Staples and Harvey.

PARLIAMENT WILL MEET IN THE AUTUMN

Montreal, June 27.—A special despatch to the Gazette from Ottawa says that at yesterday's caucus of the Unionist party Sir Robert Borden announced an autumn session to ratify the peace treaties, and indicated that it would commence early in October and continue for about six weeks.

This will aid an early prorogation of parliament, as considerable legislation can be left to the full session.

A Poor Service.

Whoever has charge of the street letter boxes should take steps to arrange for a service more satisfactory to the public. On one of the boxes up town is a notice stating that it will be served at 2:30 p. m. and 10:30 p. m. This is all right so far as it goes, but the man who serves the box usually gets around an hour or so ahead of the schedule time. This means that letters dropped in the box at 10 o'clock have to remain there until the following afternoon. Several citizens have complained to the Mail about the matter, and it is about time a change was made. The printed notices on the boxes should either be changed or the person who serves the boxes should conform to the scheduled time.

Mr. J. Urquhart of Halifax is in the city.
