CITY COUNCIL'S REGULAR DECEMBER MEETING WAS NOT LENGTHY; PRIVATE COMMITTEE MEETING RE APPEALS

P. J. Hughes Heard Relative to Assessment of Edward Moore Estate and of Mrs. Edward Moore—Chief of Police Asked to Stop Motor-speeding on Charlotte Street—Negotiations With John Palmer Co. Continued.

The Fredericton City Council held its regular December meeting last night and completed business in short order. The business transacted was chiefly routine. The report on collection of arrear taxes showed that considerably more had been collected during the month just past than in November of 1918.

Before the meeting began the council in committee heard Mr. P. J. Hughes relative to the assessment appeals of the Edward Moore Estate and of Mrs. Edward Moore. The total amount claimed by the city is in the vicinity of \$1,400. Chief Assessor A. A. Sterling was also heard and after the meeting the council again went into committee in private session to consider the matter.

In connection with the vote to the School Board the sum of six hundred dollars was voted for this term's vocational education.

Negotiations between The John Palmer Company and the city concerning concessions and the water and sewerage rates will be continued.

Auditor's Report

The report of the City Auditor on expenditures for the month was passed as follows:

Roads and Streets	\$1,175.31
Capital Acct., Roads & Streets	1,274.74
Lights	1,287.90
Municipal Home	1.08
Water	1,249.48
House Connections	85.33
Sewerage	8.05
Fire	79.29
Justice	715.82
Scales	449.70
City Hall	726.36
Oromocto Relief	28.75
Contingencies	348.67
Total	\$7,430.48

Municipal Home

For the Commissioner of the Municipal Home, Ald. Barker reported on expenditures for November as follows: Municipal Home, \$121.11; Outside Re-

lief, \$183.60; total \$304.71, balance on hand \$9.77. On his motion a cheque for \$300 was ordered to issue in favor of the Commissioner.

Tax Collections

Ald. Wilkinson for the Finance Committee reported on Tax Collections as follows: November, 1918, \$1,620.28; November 1919, \$2,352.29.

John Palmer Co.

Mayor Hanson reporting for the Finance Committee said that the Committee had conferred with Mr. C. K. Palmer re the application of the John Palmer Co. for concessions. The subject was well thrashed out but no decision was reached concerning water and sewerage. City Engineer McDowell on the request of the Committee made an estimate of the quantity of water consumed by this company. The quantity was much larger than had been thought. He would ask that the committee be continued in order that some decision might be reached.

The resignation of A. A. Sterling as City Auditor was formally received and accepted.

Claim for Injuries

On motion five hundred dollars was offered to Mrs. James Burden in full for any claims for injuries sustained in May last by falling through a plank crossing.

Pumping Station Site

On the motion of Ald. Wilkinson, His Worship Mayor Hanson was appointed to continue negotiations relative to the Pumping Station site and a lease from the province.

The salaries of the pumping station engineers and of Foreman George Edney were increased.

Motor Speeding

Ald. Wilkinson drew attention to the fact that motorists made a speedway of Charlotte Street. It would be well to have a stop put to this in view of the fact that the lives of children were endangered. The City Clerk will notify the Chief of Police concerning this matter.

Cops Watched the Game

Moncton Transcript: A little game of cards was in progress in a room bordering on Main Street last evening. The police in their night vigils observed a ray of light emanating from this room where in were the merry makers and nocturnal actors. On the table in front of the trio was a little pile of "shakels" and money passed freely. The police at the time did not disturb the three as they were acting peacefully. Shortly afterwards the police moved and although the three were allowed to go to their homes unmolested it is thought developments are coming.

It's an ill wind that blows no one good and that's the kind of a draught the public sits in continually.
