WILLARD TALKS OF COME-BACK

Topeka, Kas., Jan. 21.—If Carpenter takes the championship away from Jack Dempsey I am going over to France and bring it back. I know I can carry the load, so said Jess Willard, ex-champion, now farmer, after reading some of the latest boxing dope about the proposed Carpenter-Dempsey fight.

Speaking about his fight with Dempsey, Willard said:

"I haven't offered any alibi. I was licked, but you know those lucky blows happen to come. I am sure I can whip Dempsey. It's no time for post-mortems on 1919 events, but I am just saying that my seconds got in one big hurry when they threw that towel into the ring at Toledo."

"I haven't been thinking much about another fight with Dempsey, but I might take him on if I got a chance."

BOWLING ALLEY IN CONNE LION

U. N. B. HAD NO TROUBLE WINNING FROM ST. STEPHEN 7 TO 1; COLLEGE TEAM CAN BE GREATLY IMPROVED

Visiting Team was Weak—Scored Early and Then Stopped—

McKenzie in Goal and Williams at Point Unexpectedly Good

for College—Referee Sterling was Slack with Penalties—

U. N. B. Got the Heavy End of What was Given—Lounsbury and Burgess the Strong Scorers.

The University of New Brunswick defeated St. Stephen 7 to 1 last night. The game was primarily a test of the college material preparatory to the inter-collegiate games. There will have to be further tests however, as St. Stephen was weak and not in condition. As expected Burgess and Lounsbury did the heavy end of the college scoring. Flett was on at centre but did not seem to be in the form the once was. Archie Williams appeared to be the man for the point position playing aggressively and checking hard. He scored his goal on a rush which was practically single handed. In the net McKenzie made a good showing. Four subs were used by the college for the purpose of working out. They were Hagerman, Lindsay and Somers in the forward line and Shea at point. All were new and will stand improvement.

St. Stephen Not Strong

St. Stephen is not strong. The team played one game before coming here but has a poor rink. The players stick-handed in good style but were out-skated. In the net Nicholson played a great game and had most of the breaks of luck. Otherwise the score would have been double what it was. In front of him was Lowe whose last appearance here was some seven years ago. These two players did the

bulk of St. Stephen's playing. The forwards could get the puck to the U. N. B. end but could do no damage with it when there. The solitary St. Stephen tally was scored just after play began the visitors making a spurt. After that there was not much to it but U. N. B. McKenzie was called upon to save many times but always was equal to the occasion.

Subs Given Chance

When the college had a safe lead the substitutes were sent in. This made a much weaker team but St. Stephen failed to make a showing against it. All through the match Lounsbury showed a tendency to be selfish. This lost numerous scoring chances. Burgess in the third period went in on his opposite wing and seemed to be all right in the position.

U. N. B. got the heavy end of the penalizing but Referee Sterling was not strict enough. Offside loafing was a noticeable sin on the part of the college forwards while Jewett came in for the most attention for tripping and cross checking.

The Teams

The teams were as follows:

U. N. B.	St. Stephen

Around the Net

There is talk of a modern rink being built in St. Stephen. There is said to be a population of some fifteen thousand within easy reach and skating and hockey would be well supported. If this becomes a fact the Border Town will take the place it formerly possessed when the St. Stephen Thistles held the New Brunswick hockey title.

George Walker formerly of this city was expected to come with St. Stephen but some time ago he cracked a rib and has been laid up.

Of the original U. N. B. team which started the game last night all but the goal keeper were Fredericton men. McKenzie is from Campbellton.

The majority of the players on both teams were C. E. F. men. Anderson of St. Stephen bore on his face the marks of a severe wound.

The Red and Black striped jerseys of the St. Stephen team looked like old time U. N. B. uniforms.

Interest in hockey keeps up. The attendance last night was as large as at the Fredericton-Marysville game.

TWELVE HEATS AT THURSDAY'S MATINEE MEET

Lively Contests in 3 Classes—Special Brush Followed—Track was in Good Condition.

The Fredericton Driving Club Thursday afternoon ran off another matinee meet with quarter mile heats. It had been the intention to run half-mile heats but the track had not been fully ploughed out and was lumpy on the turns. Taken all around however, the track was fast and in good condition. The snow ploughs were working on part of the track yesterday.

A number of spectators was present and the weather was fine. The three races which took place furnished eleven interesting heats and one extra followed them.

An innovation was made in the matter of having two ladies as timers. Those who acted were Mrs. W. B. Lint and Mrs. Arthur V. Rowan. W. B. Lint was starter and the judges were N. Kestead, C. A. O'Brien and G. E. Howie.

The Summary

Class A—
Gary A. (Hatt) 2 1 1 1
Ozone D. (Yexa) 1 2 2 2
Time, .39, .38, .38, .39.
Class B—
Star Todd (Smith) 1 1 1 1
Shadeland Fausetta (Watson) .. 2 2 2
Time, .40, 41½, .40.
Class C—
Linda Bingen (Its) 1 2 1 1
Zem Q. Jr., (Young) 3 1 3 3
Bearcat (Owens) 2 3 2 2

After the classes there was a good brush among Star Todd, Grry A. and Ozone D which finished in the order named. There appears to be greater interest taken in matinee racing here.

Woodstock Declines

Woodstock Driving Club has declined to take part in inter-city matinee racing. Other places are still to be heard from.

ONE THOUSAND NEW CASES OF INFLUENZA A DAY IN CHICAGO

Chicago, Jan. 22.—Influenza is spreading at the rate of one thousand new cases a day. Health Commissioner Robertson estimates there will be 1,500 new cases today. Up to 5 o'clock last night 2,279 new cases, with 26 deaths were reported since Sunday. This is more than half as many as were reported for last week. New cases of pneumonia numbered 382, with sixty-six deaths. This is the largest total for both cases and deaths since the epidemic was first realized last Tuesday.

The total number of influenza cases reported during the period is 4,095. Pneumonia cases during the week 391, with 159 deaths. The high water mark during the epidemic last winter was 2,400 cases in one day. This was on October 17, 1918, when there were 250 deaths.

Chicago's health department was swamped with appeals for nurses. One hundred and nineteen who pledged themselves to go into homes were assigned by the health commissioner and fifty Detroit nurses are speeding toward Chicago to help fight the disease.
