STAD PARIS BUSINESS MEN SAID TO HAVE BEEN SWINDLED BY BEAUTIFUL AMERICAN WOMAN

WAS ARRESTED AT A
FASHIONABLE HOTEL

Had Attracted Much Attention
by Her Stylish Mode of Living—Husband Also in the
Toils—Had Luxurious Suite
and Drove in a Handsome
Limousine.

Paris, Oct. 6.—Mystery surrounding the arrest at a fashionable hotel here of Mrs. Katherine Tanitor, nee Gray, a thirty-five-year-old American woman of striking beauty, has been cleared up by a police statement.

She has been wanted for some time for alleged swindling and similar offences.

With her husband, who was arrested last week, Mrs. Tanitor has been visiting Aix-les-Bains, Deauville and similar resorts, where she attracted widespread attention by her stylish mode of living.

Nothing but the best suite dher. Invariably, so the story runs, she stayed at the foremost hotels, always insisting on having the most luxurious suite and always going about in a handsome limousine.

For all this, it is alleged, she tendered worthless cheques in payment. A long series of complaints has been pouring in to the police.

It is said that so great was her charm that her list of victims numbers many otherwise staid business men. Paris, however, has apparently been her undoing. After committing alleged frauds here to the value of \$4,500 the police finally arrested her.

The amount of her alleged operations is stated to total a very large sum.

PREDICTS A GOVT. VICTORY

The Newcastle Advocate, a Conservative paper, lambastes Commodore Stewart for not calling a Conservative Convention in Northumberland and predicts victory for three members of the Government ticket. It says:

"In summing up the present situation in this county, we predict that the following will be elected: Hon. Robert Murray, Hon. J. P. Burchill, Dr. F. C. McGrath and Mr. C. J. Morrissey. We are satisfied in our mind that Mr. Morrissey will receive, as his father did before him, many ballots with his name only thereon, which will put him at the head of the list and leave his colleagues at home."

THE GOVERNMENT PARTY IS MAKING GREAT GAINS THROUGHOUT THE PROVINCE

Reports Coming to Hand of a Most Encouraging Nature—The
People Want the Foster Government to Finish Its Work—
Demoralization in the Opposition Ranks—Premier Con-
ducting a Winning Campaign.

ST. JOHN, Oct. 6.—Reports received last night from the various constituencies in the province show that the provincial election campaign, now in full swing, is resulting in substantial gains for the Government party. Government supporters everywhere report most optimistically on the situation.

At meetings held at various points in the province, candidates and others addressed enthusiastic audiences, to which they delivered the progressive message of the Foster administration, and received in return demonstrations indicative of whole-hearted approval and support.

In the city, particularly, the standing of the government was reported by ward workers to be daily gaining strength and the lack of a constructive platform to be telling materially against the opposition party.

Premier Made Tour of the City.

Unlimited enthusiasm and optimistic reports of the progress of the campaign greeted Premier Foster and two of his colleagues on the government ticket during the course of a whirlwind visit paid to all the wards in the city last night.

That the organization in every polling district was complete and working smoothly was the assurance given to the candidates by the officers and workers. Everywhere the party was enthusiastically received and many matters pertaining to the voting were discussed. R. T. Hayes and W. E. Scully were with the Premier on the trip, as well as P. D. McAvity, chairman of the executive, and all expressed their keen satisfaction with the outlook as reported by the ward officers.

To Speak in Albert County.

Premier Foster will go to Albert county tomorrow and is booked to address a meeting of the electors of Hillsboro in the evening. The Government candidates in Albert are Messrs. Jacob W. Steeves and A. A. Stevens, who are putting up a great fight, with good chances of success. They are being opposed by Messrs. John L. Peck and Lewis Smith, the present members, who squeezed in at the last election by small majorities.

Reports from all over the province are of a highly encouraging nature for the Government candidates. The opposition, on the other hand, are demoralized and frantic calls are coming in from all quarters for assistance from Mr. Baxter.

CLEVELAND WON FIRST GAME OF THE 1920 WORLD'S SERIES

New York, Oct. 5.—The Cleveland League Club, decisively defeated the Brooklyn Nationals by the score of 3 to 1 in the initial game of the 1920 world series here this afternoon. The victory, which was far more impressive than the score would appear to indicate, was won by perfect team play, with brilliant work on the part of the Indians which made the efforts of the Dodgers dull by comparison.

The opening contest was witnessed by a throng of baseball fans which at precincts of Ebbets Field. According to the official figures of the National Commission 23,573 persons paid admission to the Brooklyn park, while at least another thousand can be added when the newspaper men and other semi-official representatives are included.

The gate receipts were announced as \$79,049. In both attendance and gate receipts these figures surpass the best individual game record made at Brooklyn in series of 1916.

The game was played under conditions far from being ideal for baseball. A stiff north wind blew out of a cold grey sky and the temperature was reminiscent of football rather than of a summer sport. So cold did it grow as the contest developed that the frigid atmosphere appeared to chill the enthusiasm of the spectators, and as Cleveland checked each effort of the Brooklyn players to become a real factor in the battle, the cheering and rooting faded away until only occasional bursts of applause rewarded outstanding plays. The high wind also played havoc with the fielding of fly balls, of which there were an unusual number.

Hard for Fielding
The gale carried the falling sphere in weird spirals which caused the visiting fielders to circle about under the ball like a retriever locating a wounded bird. It was this inability to judge properly the direction of the descending ball that paved the way for Cleveland's first score.

Regardless of wind or weather, however, there remained no question in the minds of the fans as to which was the better team at the close of the initial contest for the premier honors of the diamond. Both the team and individual play of the winners was superior to that of Brooklyn.

Coveleskie pitched a masterly game and held the opposing batters in check throughout the contest. He was backed by perfect fielding of both infield and outfield. Sewell played a remarkable game at short, showing absolutely no signs of nervousness, such as might have been expected of a youngster thrown into a world's series under the conditions which marked his debut.

Manager Speaker in centre field proved a barrier beyond which it was almost impossible to drive the ball and made sensational catches far to the right and left of his normal position with an abandon which brought cheers even from the most rabid of the home team followers. Catcher O'Neill with his two timely run-scoring doubles was the star batsman for the victors.

FOOD PRICES ARE DECLINING IN THE UNITED STATES, BUT THE PUBLIC GETS LITTLE BENEFIT

ACADIA PLAYS HERE WEDNESDAY NOVEMBER 3

Truro, N. S., Oct. 5.—At a meeting of the Maritime Intercollegiate Athletic Association held here this afternoon and evening a football schedule was drawn up and plans were discussed for track, hockey and basketball. The football league as usual will be divided into two portions eastern and western. The eastern section includes St. Francis Xavier, King's and Dalhousie and the western section Acadia, Mount Allison and University of New Brunswick. Following is the schedule of games for the western section: Wednesday, Oct. 27, Mount Allison vs. U. N. B. at Sackville; Wednesday, Nov. 3, U. N. B. vs. Acadia at Fredericton; Tuesday Nov. 9 Acadia vs. Mount Allison at Wolfville. No delegates from King's were present at the meeting this afternoon and it is not known for certain that they will be here tonight. As a consequence the schedule for the eastern section and the play-off may not be arranged till tomorrow. Following is a list of delegates present at the afternoon meeting: Acadia, A. B. Corrie and P. R. Tingley; Mount Allison, R. L. Clark and A. S. Ferguson; U. N. B., E. G. Saunders and B. T. Burgess; Dalhousie, N. A. MacKenzie and McInnis; St. Francis Xavier, F. Ferguson and A. J. McIsaac.

NEWMARKET MAN MET DEATH IN NORTH MAINE

Thomas McCashion, Son of N.
McCashion, Found Dead
Beside Road—Funeral
Held Tuesday.

Thomas McCashion son of Neil McCashion of Newmarket was buried at that place Tuesday morning Rev. Father Barry conducting the service. The deceased who was well known in this section of the province met his death near Caribou, Me., on Friday last. He had gone to Northern Maine to work in the potato fields and took his car with him. He was boarding with a man named McShane. The night of his death he went out in his car and had a break-down. After a walk of some five miles he located a garage and had a car go after him. When the relief car was within a mile of the other its gasoline supply ran out. McCashion started with a can to get sufficient gasoline from his own car to enable the other to reach it. He was gone some time and his companions became uneasy. They inquired of a passing car and were told that a man was lying beside the road some distance back. Alarmed they went to the scene and were horrified to find McCashion lying dead.

At the time there was no suspicion of foul play but at the boarding house McShane said that McCashion had had three hundred dollars on his person when he left and only two dollars could be found on the body. It is believed that an inquiry is being held in Maine.

The deceased has numerous relatives in Fredericton and vicinity.

Left for Boston
Miss Jane Torrens left last night for Boston where she will spend the winter.

Arrested for Non-Support
James Welton of Minto was arrested at his home there on a charge of non-support brought by his wife who is a resident of Fredericton. The accused was brought to Fredericton. The case was heard this afternoon.

Meeting Postponed.
A meeting of the local chapter Graduate Nurses' Association which was to be held at Victoria Hospital last evening, has been postponed for one week on account of the president, Miss E. Sampson, being at Stanley where she is entertaining a party of friends from Folkestone, England.

GOUGING DISTRIBUTORS REAPING THE HARVEST

The Farmers Said to be in a
Bad Position—Threatened
With the Loss of a Market,
Especially for Dairy Products
—Potatoes Bringing Only 75
Cents a Bushel.

New York, Oct. 6.—Although food prices are falling fast so far as the producer is concerned, and in many cases there is no market at all, the consuming public is reaping no benefit whatever, but is being compelled by gouging distributors and retailers to pay the same old topnotch figures for everything.

From Long Island there came the other day a wail that farmers are receiving only 75 cents a bushel for potatoes, despite the fact that retailers are asking as much as they charged when the crop sold at \$1.30 and \$1.40. Simultaneously reports from up state indicated that the price of apples had dropped to \$2.50 a barrel, without any hint whatever of a decline in retail prices.

Roswell D. Cooper, president of the Dairywomen's League, also came forward with a statement that manufacturers of condensed and evaporated milk are refusing to buy from the farmer, thus depriving him of a market for a large part of his produce and forcing him into a position where he may be compelled to slaughter part of his herds, thus forcing down future production.

The effect upon the farmers everywhere is said to be disastrous. They have reached the conclusion that it is better to let their apples rot on the ground; to hoard their crops and to limit production rather than throw their goods away to distributors who refuse to cut retail prices and consequently deliberately restrict the market.

MR. P. J. HUGHES TAKING A HAND IN CHARLOTTE

St. Andrews, N. B., Oct. 5.—A large government meeting was held at St. Andrews tonight when the largest hall in the town was filled to capacity. The list of speakers included Harry W. Mann, one of the candidates, P. E. McLaughlin of St. Stephen, and P. J. Hughes of Fredericton. Both Mr. Mann and Mr. McLaughlin dwelt on the policy of the Foster Government and the immense amount of beneficial legislation passed during its short term.

Mr. Hughes spoke in detail on the several acts of the legislature passed during the Foster regime. He pictured the greatness and prosperity of this province which would be brought about by the development of the hydro-electric power. He explained the operations of the workmen's compensation act and praised the government for passing such an admirable piece of legislation. He mentioned the public health act and clearly showed what it will mean to the people of the province today and to generations to come. He concluded by placing the members of the Foster administration in contrast with those who now sought its overthrow. He had before the audience the evidence taken at the patriotic potato investigation and read from it the condemnatory testimony of Mr. Baxter Mr. Murray, Mr. Smith and Mr. Jones with respect to their handling of the business of the province. He asked those present whether they were going to support Hon. Mr. Foster and his candidates in this constituency for a continuation of honest government or revert again to a discredited government, led by the men who were in power when the good name of the province was dragged in the mire of political corruption.

RESIGNATIONS ACCEPTED.
Candidates Resign Appointments—
Two Appointments at St. John.

A large number of candidates in the Provincial Election have resigned previous offices held by them. In the number gazetted today are Reid McManus, Hon. C. W. Robinson, J. Bacon, Dickson, Donat L. Daigle, Frank Cornburn, P. S. Watson and Dr. M. E. Commis.

The resignation of H. A. Porter of St. John as chairman of revisors for the City of St. John also has been accepted.

A number of provincial appointments also are gazetted today. J. M. Trueeman of St. John is appointed judge of probate pro hac vice, in and for the County of Queen's in the matter of the estate of Martha C. McDonald deceased.

A. G. Potter of St. John is appointed chairman of revisors in place of H. A. Porter, resigned.
