Lantic Sugar

Of course mother smiles confidently. Now that she uses Lantic the recipe always comes out just as she wants it. The soft velvety texture that proclaims, in most cakes and candies, a perfect blend of ingredients, is an ever-welcome delight in homes where Lantic is used. It imparts fineness—

because it is

fine!

MOST EVERYONE USES THEM FOR THE STOMACH

They Act Quickly, and Make You Feel Lively as a Kid.

A crowning curative triumph in medicine is now given to the world, and all who have been sufferers from headache can be cured by a purely vegetable remedy.

Calomel, salts and such like are no longer necessary. They are harsh and disagreeable. Science has devised something far superior, and you can go today with 25c to any druggist and buy a box of Dr. Hamilton's Pills, which are considered the very quick and safest cure for the stomach, bowels, liver and kidneys.

Half sick men and women who scarcely know what ails them, will be given a new lease of life, with Dr. Hamilton's Pills. Depressed spirit, disappetite, headaches, are forgotten, appetite increases, blood is purified and enriched, pains at the base of the spine are cured, the nerves are toned up, ambition to work is increased, and day by day the old-time health and vigor return.

A trial only is necessary to prove how beneficial Dr. Hamilton's Pills are to all who are weak, nervous, thin, everywhere in 25c. boxes.

HAS IMPROVED LIVING CONDITIONS

"Great work has been done by the Foster administration during its three years in power, work that made for better roads and more profitable farms, a more sober and more moral citizenship and a happier and healthier home life for school children as well as adults. Even in the short time of three years, with the handicap left by an unbusiness-like administration to be overcome, work in the interests of public good and for the advancement of learning, for the improvement of living conditions in the cities and the rural districts, had been so well established and conducted by the Foster administration, without a trace of scandal or deserved censure, that to my mind no one with the interests of the province at heart would prevent Hon. Mr. Foster and his colleagues from returning to Fredericton to continue their efforts."—Statement by Ex-Mayor Hayes, a Government candidate in St. John.

Coat and Tuxedo sweaters are being favored for fall wear, especially in brushed wool, and camel color continues very modish.

Caracul is the aristocrat of furdom this season. In grey, taupe and brown it is used for street wear, while white caracul is used in the evening. Its scarcity and high price seem to make it all the more desirable.
