## OTTAWA WON STANLEY CUP FROM SEATTLE

Score was 6 to 1 — Western Team Went to Pieces After Rowe was Hurt.

Toronto April 2—Ottawa defeated Seattle last night by six to one and won the Stanley cup, emblematic of the world's professional hockey championship. For two periods the battle was close and until Rowe, the star Seattle defence player was injured the westerners had the edge of the play. Seattle went completely to pieces in the last twenty minutes and Ottawa ran in five straight goals.

Seattle never gave up trying until Darragh scored the fourth goal. They fought a gallant battle and had Rowe not been injured might have won the title. All of the Ottawa players showed splendid form but Jack Darragh stood out as their most effective goal-getter, he tallying no less than four of the goals.

Chances were considered bright that Seattle would break the jinx that has always pursued the visiting team on Stanley cup matches but for the tenth time the teams ran true to form.

## CAMPBELL TO AGAIN COACH DALHOUSIE

Dalhousians are happy. Hump Campbell coach of the varsity hockey and football teams, will return to the university football teams, at a photo above teams. This announcement was made after the sitting for the varsity football teams, at a local photographer. It was at first reported that Coach Campbell would not return to the university and much regret was felt, as the Cape Bretoner did wonders with the Rugby team last fall.

Leon Fluck, Dental 1922, has been elected Rugby captain at Dal. for 1920.

## PUBLIC ACCTS. COMMITTEE IN SESSION

The Public Accounts Committee held a short session this morning. Some time was devoted to Municipalities Revenue. As some of the members wished to attend the meeting of the Municipalities Committee which had a number of important bills before it adjournment was made. The Public Accounts Committee will meet again on Wednesday next.

The Law Committee also was in session this morning and reported a number of bills which have been introduced. The session of the committee was brief.

No one envies any one; only his possessions. An elderly man watches the thermometer, a young one doesn't notice it.

With the German revolt and Turkish troubles taking up most of the stage in the world's theater, D'Annunzio's Fiume comic opera troupe has retired to the dressing room.

Violets are only eight weeks away, remarks a poetical prognosticator. And how far away are pork and greens?

Every man insists on starting the divine fire of love—and then calmly sits back and expects a woman to keep on supplying all the fuel to keep it going.

## ANOTHER EPIDEMIC OF THE SPANISH INFLUENZA

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake and those who did survive were left in a great many cases with some serious after effect such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are run down heart not just right, nerves a little shaky, take a few boxes of Milburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "Flu" before and it left you with any bad after effect Milburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer Keppel, Sask., writes: "I wish to inform you of the great good Milburn's Heart and Nerve Pills did for me. After a bad attack of the Spanish Influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and must say they are the best I ever used and I have taken a great many different kinds. I will always keep Heart and Nerve Pills in the house."

Price 50c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Ont.
