MOVEMENTS OF THE STARS IN FILMLAND

Colleen Moore is playing the leading feminine role in Chic Sale's first screen production. The cast also includes Lydia Yeamons Titus and Walt Whitman. The story, "The Smart Aleck," is now well under way at the Christie studio, with Al Christie at the megaphone.

Several hundred children, many of them accompanied by parents applied to Director George Irving for roles in "Children of Destiny," thinking it was a "kid" picture. Unfortunately for the ambitious applicants, there are no children needed in this film.

Owen Moore is in line for a Carnegie medal. He saved the lives of four goldfish during the filming of "His Word of Honor." The glass bowl in which the fish had their apartment was smashed, and but for Mr. Moore the occupants would have had an ignominious death on the carpet.

Look for a lot of "good red blood" in Bill Hart's next picture. It will have a fight between Bill and that other giant actor, Tom Santschi, and no one need look for a pink-tea affair. Hart plays the role of a soldier returned from overseas and Santschi the part of a saloon-keeper near the water front in San Francisco.

Mary Boland who stars in "The Prodigal Wife," a Robertson-Cole release, started her stage career with Virginia Hearn. During her early career she supported Robert Edson in "Strongheart," played a year in London with Dustin Farnum and Francis Wilson. Later she played for four seasons as a leading woman for John Drew.

In "The Roads of Destiny" in which Pauline Frederick stars in her next Goldwyn feature under the direction of Frank Lloyd, she will portray four characters and the scenes are so varied that they stretch from Mexico to Alaska. Both Miss Frederick and Mr. Lloyd believe it will give the star the greatest opportunity of her picture career. "The Roads of Destiny" is taken from the stage play by Channing Pollock.

In connection with the love-letter contest held to exploit "The Beloved Cheater," starring Lew Cody, it is stated that during the last two months more than 15,000 missives from all sections of the country have been received by Mr. Cody, and it is predicted that before the contest closes on March 3rd more than a half-million letters will be offered for the prize money.

Bert Williams the colored comedian, is a new screen possibility. A large offer has been made to Williams by a corporation that offers to finance the project of "putting him over" with stories specially selected and written around his personality and peculiar talents.

Truckee is the little town where you and your baggage alight when you're bound for Lake Tahoe, where the latest American Film Co.'s special starring William Russell and May Thurman, "The Valley of Tomorrow" was filmed. Truckee used to consist of two thoroughfares—one street of saloons and one of cottages. In these present times of drouth, however, Truckee has one street of cottages and one of ice cream parlors.

CONSTIPATION OR COSTIVENESS

Constipation, although generally described as a disease, can never exist unless some of the organs are deranged, which is generally found to be the liver.

There is nothing more productive of general ill health than constipation of the bowels and a regular action is absolutely essential to general health. One of the most common, painful and troublesome troubles caused by constipation is piles, and unless the bowels are kept open by the use of a good laxative such as Milburn's Laxa-Liver Pills the whole system will be poisoned and many different complications of diseases arise, so if you would be well, keep your bowels regular.

Mr. A. Roder, Hastings, St. E., Vancouver, B. C., writes: "I desire to express my thanks for what Milburn's Laxa-Liver Pills have done for me. I had been suffering from constipation for two years, and also had a bad cough and headaches. I tried all sorts of cures and remedies, but got no relief until I was advised to try your pills. I got relief after the first few doses." Get Milburn's Laxa-Liver Pills when you ask for them or send 25c and they will be sent by return mail by The T. Milburn Co., Limited, Toronto, Ont.

LISTEN TO THIS! SAYS CORNS LIFT RIGHT OUT NOW

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called Freezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a sticky ether compound which dries the moment it is applied and simply shrivels the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce of Freezone will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.

You are further warned that cutting at a corn is a suicidal habit.

Late Hugh Alward.

A Halifax despatch says: Hugh J. Alward, assistant resident engineer of the marine department, while in the performance of his duties, died, suddenly Tuesday. Mr. Alward went down to Mauger's Beach in the forenoon to look after some matters in connection with the lighthouse and fog alarm station there. Late in the evening the report was brought to the city that he was found dead. The deceased had not been in robust health for some months. A few weeks ago he came home from Montreal where he was undergoing treatment for a rupture, caused by lifting heavy weights, at the very place where he met his death. Mr. Alward was unmarried, and was a native of Fredericton, but had been attached to the Marine Department here for several years.

Cameron Still a Winner.

Amherst News: That our own Cumberland boy, Fred S. Cameron, is still in the running game is evidence in the following clipping from the "Akron Evening Times," Akron Ohio. "Though the Goodrich track team did not cop first honors in the national in door meet of the A. I. A. A. last Saturday night, the Circleville track athletes came in second in scoring points with Goodyear first. Fred S. Cameron, distance runner, copped first place in the one-mile event in easy fashion. Cameron is one of the greatest milers in this section of the country." (Tom Trenholm who was here recently as one of the C. N. R. detectives working on the Napudogan theft cases, was Cameron's trainer when he won the Boston Marathon and other noted races).

Important Announcement

To the Public:

Beginning next Tuesday, the 6th inst., a Vaudeville policy will be inaugurated at the Opera House, and every Tuesday thereafter until further notice, will be presented a high grade Vaudeville program consisting of five Metropolitan Acts and a two reel Serial Picture, "The Radium Mystery."

We have, after very much negotiation with the Boston and New York Keith offices, succeeded in placing Fredericton on the Vaudeville Circuit with St. John, Moncton, Halifax, Bangor, Portland, Lewiston and Boston, thus giving the Capital City a splendid show weekly, provided the patronage continues to justify the great expense attending the presentation of these Acts in Fredericton for one day only.

We have arranged for three shows—Matinee at 3.10, Evening at 7.15 and 8.45.

Our Vaudeville policy will be started with as low a charge as possible, but we cannot guarantee that it will remain at that figure indefinitely in view of the rapid increase in the cost of Vaudeville, which has advanced fully 35 per cent. since last Fall.

PRICES, exclusive of War Tax:

Matinee—Main Floor, 30c.; Balcony, 20c.; Children, 15c.

Evening—Main Floor, 50c.; Balcony, 35c.

Note.—Those wishing to attend the first show should be in their seats promptly at 7.15.

R. H. THORNE
Manager.

We Hope for 2000 Patrons Tuesday

COMMISSION MAKES REPORT

Winnipeg, Man., March 29—The commissioner finds that the great mass of workers, intelligent and loyal to British institutions, did not acquiesce in all that was said and done

and it was not clear to the latter that the move of the radicals was not that of obtaining the right to a vote of collective bargaining for a group of workers but that their purpose was to elevate labor into a state of dictatorship, is the statement made in an official report of the Robson Royal commission released for publication by Premier T. C. Norris, today.

STIR Your Tea

One minute before your tea is steeped, stir it.

This liberates the valuable tea essence that would otherwise remain in the leaves at the bottom of the pot and be wasted.

When you use a higher price tea—a tea of the fine quality of Red Rose Orange Pekoe—it is doubly important to stir it and get the full benefit of the rich flavor and strength from every choice young mountain grown leaf.

Red Rose Orange Pekoe is a tea of extra quality at a little extra price.

A tea for exceedingly particular people.

Have you tried it?
