## QUESTIONS AT OTTAWA CAUSED STORM TO BREAK

Hon. J. D. Reid Accused the Liberals of Searching for Campaign Material—Hon. C. S. Ballantyne Also Joined in the Fray—Maritime Liberals Returned to Attack and There was a Warm Time Generally.

Ottawa April 26—Demand by members of the opposition for an explanation as to where the ministers of marine and railways had "shelved" questions placed on the order paper, precipitated a warm debate in the house this evening, on motion to go into supply. Hon. J. D. Reid charged Liberals with placing on the order paper questions in regard to railway management in order to get material for political speeches. Either that, or they were actuated by someone who had been hanging around Ottawa for weeks trying to secure contracts for this or that commodity. Some of these outsiders, the minister said, were unable to secure answers to such questions themselves, so they got members of the opposition to ask the question in the house for them.

So long as he was minister of railways he said he did not propose that questions placed on the order paper in such a manner would be answered. Members of the commons, and the country had every right to know what was being done in regard to expenditures and profits, but this was an entirely different matter.

### Mismanagement Charged

Hon. C. C. Ballantyne, minister of had been an example of that. Now the railways in the past, The Intercolonial marine, declared there had been too much mismanagement of government government was trying to give public ownership a fighting chance, which it would not have if patronage was to be brought back again. Members of the government had not the time nor the liking for inquiring as to where potatoes, sugar or asparagus for the government ships were purchased or what was paid for them. There were boards of management handling the details of the railways and the steam ship statistics and it was for them to look after such matters.

### The Storm

J. H. Sinclair (Antigonish) precipitated the storm over the questions. He

### A NEW BLOOD-FOOD HAS BEEN DISCOVERED THAT WORKS WONDERS

SAID TO PUT NEW LIFE INTO  
PEOPLE THAT ARE RUN-  
DOWN.

For years doctors have been searching for a combination that would enable them to inject into thin blood the elements it lacked. This can now be done, and any weak-blooded person can quickly be made strong and well.

Already a small army of ailing people has proved the merit of taking after each meal with a sip or two of water, two chocolate-coated Ferrozone Tablets. This is easily done, and even one week's use of this wonderful blood-food will prove how nourishing and strengthening and flesh-building, the treatment is.

Just think of it—Ferrozone uplifts the entire nervous system, removes the blood, makes it rich and red—gives the sort of aid that's needed in throwing off weakness and languor.

Tens of thousands enjoy the advantages of renewed health through Ferrozone;—if you'll only use it, you'll surely grow strong too; its beneficial action is noticed even in a week. You see it goes right to work, removes the causes of the trouble and then quickly makes a cure.

For those who sleep poorly and have nervous apprehensions, Ferrozone is a boon; it is a specialist in such cases.

Where there is paleness, poor appetite and languor, Ferrozone makes the patient feel like new in a few days.

In tiredness, nerve exhaustion, spring fever and debility, the power of Ferrozone is known from coast to coast and universally used with grand results.

Let Ferrozone build you up, let it win you back to robust health,—it will do so quickly if you give it the chance. Sold by all dealers. 50c. per box or tarrozone Co., Kingston, Ont.

### BEEF, IRON & WINE

The winter just passed has been severe and it has left many system weak and run-down. A good blood purifier, tonic, builder and appetizer is necessary and no preparation can equal the old-time favorite Beef, Iron and Wine.

\$1.00 a Bottle

—AT—  
**STAPLES' PHARMACY**

ALONZO STAPLES, Prop.

declared the people of Canada would not stand for irresponsible company handling huge sums like \$70,000,000 without being able to obtain details.

A. W. Chisholm (Inverness) protested hotly Hon. Dr. Reid's insinuation that outsiders were behind his questions.

The minister of railways declared that the member for Inverness wanted the answer to his question so that he could go on the stump through the country to destroy the merchant marine.

A. B. Copp (Westmorland) disagreed with Hon. C. C. Ballantyne as to mismanagement of the I.C.R. He said the three past general managers of that road were men of excellent reputations. If there had been mismanagement they would have been to blame. Further, Mr. Copp declared, the government was afraid to give the people the full facts as to the management of the government railways.

D. D. Mackenzie remarked that this discussion would probably not have occurred had questions put on the order paper been properly answered. Now the minister of railways came before the house and said that any facts which will hurt the government would not be divulged.

"That," said Mr. Mackenzie, "is a grand, spanking new idea. After the money of the people of Canada is all spent we are told that we must not ask where that money has gone to."

Continuing Mr. Mackenzie referred to "the secret service management of government railways," and asked how much worse the situation would be if all the facts were revealed. The Canadian Pacific Railway was able to make a report covering its proceedings to its shareholders and also announced a dividend of ten per cent.

Dr. Reid—"Would the honorable gentleman be satisfied with as good or better report than that made by the C. P. R.?"

Mr. Mackenzie replied that a report which was able to show a dividend of ten per cent would be absolutely satisfactory to him.

During the afternoon the house discussed in committee, the bill to amend the opium act, to bring these regulations in line with the requirements of the International Opium Convention, which was made part of the treaty of peace. Some of the clauses were strongly objected to, and the bill was left in the committee stage when estimates were taken up in the evening.

### DIED AT ACTON.

Harvey Station, April 25.—Mr. William Hood, one of the oldest residents of Acton, died at his home there yesterday. He was eighty-three years of age, but was able to be around until a short time ago. He has carried on farming at Acton for nearly sixty years and had one of the finest farms in that section. He was a man of high character and universally esteemed. Two brothers, four sons and three daughters survive. His wife died some years ago. His brothers are Alex. Hood, of Upper Kingsclear, and James Hood of Fredericton. His sons are Alex. Hood, of Queensbury; William Hood, of St. John, and James D. and Fred, of Acton. Mrs. Thos. Thompson, of Millinocket, Me., Mrs. Charles Davis, of Sherman, and Miss Melissa Hood, of Acton, are the daughters.

### PERSONAL.

F. O. Creighton of Woodstock is in the city. C. C. Kirby of St. John is at the Barker House. J. P. Harper of Charlottetown is a guest at the Barker House. Moncton Transcript: Mr. and Mrs. W. A. D. Stever, Jr., and little son Douglas, returned home from Fredericton, where they were the guests of Mrs. Steven's sister, Mrs. Ivan McKnight, for the past few weeks.
