## GOLF CLUB'S COMPETITIONS GREAT SUCCESS

### HELD ON FRIDAY AND SATURDAY LAST

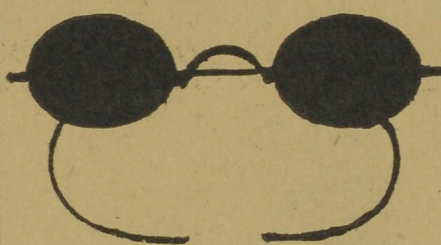

Mrs. A. J. Thompson Winner in Driving Competition—R. S. Fitz Randolph Made Record.

The first competitions of the season took place on Friday and Saturday and drew a good field of competitors. The ladies of the club held their competition on Friday last for a prize of half a dozen golfballs presented by Vice-President G. A. Taylor. The items of the competition were long driving (3 balls) and approaching and putting (3 balls). In the driving competition, a high standard of excellence was shown Mrs. A. J. Thompson and Miss Hilda Gregory tying for the first place with 8 points each, on playing off the tie. Mrs. A. J. Thompson won. As an indication of the high standard of the driving, Mrs. A. J. Thompson had drives of 160 yards, 146 yards, 156 yards, being a total length of 462 yards for the three drives.

Miss Kathleen Taylor led the field in the approaching and putting with a score of 10 points for three balls. Mrs. W. J. Thomas was runner-up with 11 points.

The men of the club held the first monthly competition on Saturday for prizes presented by the President of the club, R. Fitz Randolph. The form of the competition was handicap match play against Bogey. It was thought beforehand that the Bogey score of 39 strokes for the 9 holes would be hard to beat and the scores returned bore this out most of the competitors finding Colonel Bogey a very hard customer to beat. R. S. Fitz Randolph, (handicap 7) playing a sterling game was 1 hole up on Bogey at the end of 9 holes, having accomplished the first round in 41 strokes which is a record for the course. His figures for the record round were 4, 4, 4, 3, 4, 5, 6, 3, 5. In the second round against the formidable opponent he was 4 holes down to the Colonel with a score of 47 strokes for the 9 holes, thus being 3 holes down to Bogey on the 18 holes. This performance easily won the first prize. The second prize of two golfballs went to A. Cameron (handicap 5) while R. Fitz Randolph (handicap 7) secured the third prize.

## LOCAL HEBREW'S SUGAR SEIZED AT ST. STEPHEN

### ATTEMPT TO DISREGARD LAW BROUGHT PENALTY

Loss Some Thousands of Dollars—Sugar Running at Stephen was Quite Profitable.

A Jewish resident of Fredericton is reported to have met with a very heavy loss in an attempt to get Canadian sugar into the United States by the "underground" route. The sugar is said to have been purchased here and shipped to St. Stephen, with the State of Maine as the ultimate destination. Export of sugar has been forbidden by the Canadian authorities for some time. In the States sugar is scarce and dear, the price offered being much higher than that quoted in Canada. The temptation to profiteer was too great for many persons on both sides of the line. Storing for export is illegal and the Fredericton Hebrew found that out in unpleasant fashion. His loss will be some thousands of dollars.

**Poured in Through Calais**  
Calais was the port of entry for the illegally exported sugar. The St. Croix Courier published at St. Stephen, states editorially that during May the customs receipts of the United States at Calais exceeded those of the seaport Portland, Canadian sugar illicitly exported is the answer.

At one stage of the "export" campaign which consisted of smuggling out of the country, the usual process being reversed, citizens of Milltown, N. B., within two miles of St. Stephen took measures of their own to preserve a supply of sugar. They barricaded one of the bridges across the St. Croix and held up the traffic of motor trucks and other vehicles. Customs Officer P. Coughlin supported them in this action.

Boasting of large profits caused some of the boasters heavy loss. Sugar running has fallen off lately.
